**STUDENT CONDUCT AND WELFARE COMMITTEE  
RECOMMENDATION**

**SR 19-20-06 SCW**

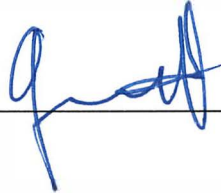

Recommends that the Faculty Senate express opposition to any proposed legislation that would allow possession of firearms on campus during the 2019-2020 academic year.

**RATIONALE:**

The Student Conduct and Welfare Committee has reviewed evidence suggesting that access to firearms could increase risk of self-directed or other-directed harm to individuals or groups on campus and therefore would recommend opposition to any legislation that would allow firearms. This committee further recommends that additional data be sought from students, faculty, and other possible stakeholders to determine any ongoing safety concerns on campus to better understand student attitudes toward campus carry for future academic years.
