**BUDGET AND ACADEMIC POLICY COMMITTEE
RECOMMENDATION**

SR-19-20-41 BAPC

Recommends that individual faculty be granted the option to exclude scores and comments, on a course by course basis, from the Spring and Summer 2020 course evaluations from annual reports or other documents that may be used to make decisions regarding personnel or salary.

RATIONALE:

Due to the coronavirus pandemic, faculty were forced to switch to teaching in an online format with little training or time to prepare. It is unfair to use course evaluations to punish faculty under these conditions.
