**Executive Committee  
RECOMMENDATION**

SR 20-21-05 EC

Recommends that the appropriate administrative officials of Marshall University provide to the university community accurate and timely information related to COVID-19 cases associated with Marshall University on a daily basis.

**RATIONALE:**

Cases of COVID-19 among members of our campus community pose an immediate public health threat to students, faculty, and staff. As such, timely reporting of these cases and other metrics is needed so that all members of the campus community are able to make well-informed decisions on a day-to-day basis. It is requested that the information to be reported each day should include, 1) the total number of tests conducted and what percentage of the total campus community this number represents, 2) the number of test results confirmed each day and the percentage of total tests conducted to date this number represents, 3) the number of students and employees in isolation or quarantine as a result of testing positive for COVID-19, and 4) the number of students and employees in isolation or quarantine due to possible exposure to COVID-19.
