**ACADEMIC PLANNING COMMITTEE
RECOMMENDATION**

SR 20-21-13 APC

Recommends that the following undergraduate degree program be discontinued.

- Bachelor of Arts in Physical Education

RATIONALE:

Admissions to this program were suspended beginning in academic year 2016-2017. The last student enrolled in the BA in Physical Education is scheduled to graduate in December 2020. Therefore, the APC recommends that the BA in Physical Education be formally discontinued in January 2021. We note that students who, in past years, completed areas of emphasis within the BA in Physical Education degree program now enroll in one of four new degree programs within the School of Kinesiology. These programs include the BA in Sport Management, the BS in Exercise Science, the BS in Athletic Training, and the BS in Biomechanics.
