**University Curriculum Committee
RECOMMENDATION**

SR 20-21-20 CC

Recommends approval of the listed **UNDERGRADUATE DEGREE Certificate ADDITION, DELETION, CHANGE** in the following college and/or schools/programs:

College of Health Professions

Program Addition: Speech Language Pathology Assistant (SLP-A) Certificate Program

Rationale: The Department of Communication Disorders currently has a Bachelor of Science and Master of Science degree. A master's degree is the entry level for speech-language pathologists. The SLP-A Certificate Program is considered a bridge between the BS and MS and/or an option which will allow graduates of the undergraduate program to be employed within the schools without a master's degree and under the supervision of a certified speech-language pathologist. Furthermore, it is a program that will allow professionals working in other disciplines (teachers, aids, those with associate degrees) to complete an online program resulting in employment in the schools in West Virginia.
