**EXECUTIVE COMMITTEE  
RECOMMENDATION**

**SR 20-21-30 EC**

Recommends that Faculty Senate endorse the revised Board of Governors policy AA-21, Faculty Workload.

**RATIONALE:**

While preserving the need for flexibility in faculty workload, the revised AA-21 removes specific language explaining the rationale behind and timeline for implementing the 2006 flexible workload policy (since the policy has been adopted, that history can be removed from AA-21). The revised policy also removes language concerning how teaching, scholarship and creative activities, and service are defined. Removing that language from BOG policy allows Colleges and Departments to determine workload policies that fit with their particular annual review and promotion and tenure policies that fit within the broader university criteria.
