**EXECUTIVE COMMITTEE
RECOMMENDATION**

SR 20-21-33 EC

Recommends that Faculty Senate endorse the revised Board of Governors policy AA-7, Salary Increases for Tenured and Tenure-Track Faculty.

RATIONALE:

The Senate's *ad hoc* Annual Evaluation of Faculty Committee conducted research and faculty listening sessions to determine new strategies for distributing the salary raise pool that more equally benefit tenured and tenure-track faculty across colleges. Additionally, the policy calls for the regular review of salary minimums and raise increments and for new (higher) minimums and increments for full, associate, and assistant professors as well as term faculty in an effort to address faculty salary equity.
