# University Curriculum Committee RECOMMENDATION

## SR 20-21-19 CC

Recommends approval of the listed **UNDERGRADUATE COURSES ADDITIONS** in the following college and/or schools/programs:

### College of Liberal Arts

#### Course Name Additions and Rationales:

##### GRK 150 Intro Anc. Greek (Consortium)

**Rationale:** Marshall Humanities is entering into OMEGA (Ohio-Marshall E-Greek Alliance), a Consortium with 8 Ohio colleges for Ancient Greek. We will be pooling students and rotating instruction through the member institutions. This will offer our students more classes (2 more years of instruction) and more frequent classes (Beginning Greek every fall instead of every other fall as now). To bring our instruction in line with the Ohio requirements, we are submitting a parallel set of classes from Beginning Greek through Advanced, the first two years at 4 credits a course, the upper division at 3. We are not merely changing the courses that are currently on the books in case there comes a time when we would want to leave the consortium, hence the parallel track.

### College of Health Professions

##### CD471-SLPA Practicum I

**Rationale:** A supervised SLPA clinical practicum in the MUSHC and/or other site with faculty from Marshall University (1-hour credit per section).
