EXECUTIVE COMMITTEE RECOMMENDATION

SR 21-22-03 EC

Recommends that MUBOG Policy No. AA-21 Faculty Workload should be amended by adding back mention of the workload area of Librarianship, since that workload area has always been used by Marshall University Library faculty members.

RATIONALE:

Marshall University Libraries faculty members have always used the workload area of “librarianship” in their department evaluations, and for organizing library department work activities. Recently MUBOG Policy No. AA-21 Faculty Workload was revised with removal of all mention of librarianship. We believe it is more accurate to add back mention of librarianship as a workload area for University Library faculty members, since library faculty use librarianship extensively for evaluations. No other changes are recommended.

The attached copy of MUBOG AA-21 shows the simple 1-line changes needed in each of these 5 sections:

- 2.2.1 Flexibility
- 2.2.4 Workload Tied to Demonstrable Activities
- 2.2.5 Accountability via Evaluation
- 3.1.1 Department meetings
- 4.1 Work Load Range
