**BUDGET AND ACADEMIC POLICY COMMITTEE  
RECOMMENDATION**

**SR 21-22-44 BAPC**

Recommends that MUBOG policy AA-12 be amended with the proposed changes as shown on the attached document.

**RATIONALE:**

MUBOG policy AA-12 outlines the university's policy for academic dishonesty. The original policy was written with its focus on undergraduate students; therefore, the graduate council is proposing a revision that provides direction for ensuring academic integrity is upheld at a more stringent level for graduate students. The modifications proposed are reworking section 8 of the original document into the newly created Graduate Student Academic Dishonesty section of the policy that more adequately describes expectations for academic integrity and provides guidelines for sanctions that would incur for graduate students who do not abide by the rules. Adaptation of this policy into distinct sections for undergraduate and graduate students is imperative to demonstrating the university's commitment to high academic standards for its students.
