SR 21-22-50 UCC

Recommends approval of the listed **UNDERGRADUATE MAJOR ADDITION, DELETION, CHANGE** in the following college and/or schools/programs:

<u>School of Aviation</u>

Major Change: Aviation Maintenance Technology (AAS Aviation Maintenance Technology – Major Code FZ97: AMT Transient. No CIP code)

- **Summary of Changes:** Revisions to curriculum
- **Rationale:** This joint degree with MCTC was originally submitted to Faculty Senate in 2020. Based on continued development and collaboration with MCTC, we would like to revise the curriculum. The primary changes are to the MCTC general education portion of the degree. There are also updates to course names, and AMT 215 is being divided into 3 classes (215, 216, 217).
- **Curriculum:**

<u>College of Arts and Media</u>

Major Addition: Commercial Music (AM20)

- **Rationale:** The Commercial Music major will prepare students for careers in the commercial, Jazz and popular music industries as a performer, composer, or arranger, while developing skills in entrepreneurship and music business and law. This curriculum will allow the student to excel in commercial aspects of the music industry while attaining musicianship and artistry.
- **Curriculum:**

<u>College of Engineering and Computer Sciences</u>

Major Change: BS Computer and Information Security (TC20)

- **Summary of Changes:** Revisions to curriculum
- **Rationale:** The curriculum is revised in accordance to ABET requirements and to improve CPoS requirement.
- **Curriculum:**
  https://livemarshall.sharepoint.com/:b:/s/UniversityCurriculumCommittee/EaGdQm-TKOJFvTkv3J4Er7cBWlvRGpE7HaE_UVp7F_b8eA?e=WZhDTR

SR 21-22-50 UCC

Major Change: BS Engineering (TE20)
- **Summary of Changes:** Revisions to curriculum
- **Rationale:** The B.S.E. program (ABET-accredited) is the oldest currently active engineering degree at Marshall. Currently, the program contains only one area of emphasis (TE21, Civil Engineering Emphasis). With the recent addition of the B.S.C.E. (Bachelor of Science in Civil Engineering), there is a need to review and/or modify the degree to reduce overlap with current programs (with the added goal of increasing opportunities for MU students without the need for additional external resources).It should be noted that admission to the TE21 civil emphasis option has been halted. Currently, there are students still enrolled in the Civil Emphasis program. These students will be allowed to either graduate in their current degree or change majors to the B.S.C.E. program. Afterwards, we will delete the TE21 emphasis. It should be noted that, once the B.S.C.E. program is accredited by ABET (decision pending Summer/Fall 2022), it is projected that most current TE20-TE21 students will change majors to the new program..
- **Curriculum:**
  https://livemarshall.sharepoint.com/:b:/s/UniversityCurriculumCommittee/Ef1L4FmTQfJ BrTVtnxBxRRUBUNEhYn2S7-gRMpgo9d7dcA?e=w2eJf8

Major Change: BS, Biomedical Engineering (TE50)
- **Summary of Changes:** Revisions to curriculum
- **Rationale:** The proposed changes are to reduce the overall number of credit hours for the degree as well as to expand elective options and to alleviate potential Course Plan of Study (CPoS) issues.
- **Curriculum:**
  https://livemarshall.sharepoint.com/:b:/s/UniversityCurriculumCommittee/EezKt0binSN Joo6Ta0EP-PgBAqs9cAkGehiHqJYZURqV8Q?e=1mnXc5

College of Business

Major Addition: Aviation Management (BV10)
- **Rationale:** The addition of the School of Aviation has led to a perceived demand for students who wish for a career in the aviation industry, but not necessarily in the pilot or maintenance aspects of the industry. Students graduating with an aviation management degree may manage airports, hold higher-level positions in airport safety and security, be in charge of air carrier operations or financing decisions. The US Buerau of Labor Statistics predicts a 6% growth in administration aviation positions from 2019-2029). See attached personnel request.
- **Curriculum:**

SR 21-22-50 UCC
Major Change: General Business (BB10)
- **Summary of Changes:** Revisions to curriculum
- **Rationale:** To update the major to include the courses offered by the Sports Business major that has recently been moved to the College.
  To allow students to choose from a list of optional courses for satisfying the international business elective rather than only one course.
  To clarify that the international business elective does not count toward the 24 hours of business electives.
  To clarify that a student cannot simultaneously declare a General Business major and any other BBA major.
- **Curriculum:**
  https://livemarshall.sharepoint.com/:b:/s/UniversityCurriculumCommittee/ERny7fauQa VKiAO_rrteRloB_9DBGhYD1pic82RkODOY3A?e=7Ka5LB

College of Health Professions

Major Deletion: Sport Management (HP 30)
- **Rationale:** The B.A. in Sport Management major is transferring to the Lewis College of Business as a major in Sports Business under the BBA program.
- **Form with signatures:**
  https://livemarshall.sharepoint.com/:b:/s/UniversityCurriculumCommittee/EVUoBuS-BP5Ei4UVOovTFXoBMbCHJDxmiLqHh38H6neaFg?e=nhHhkW

College of Liberal Arts

Major Change: BA Political Science (LP10)
- **Summary of Changes:** Revisions to reflect change to required course.
- **Rationale:** Concurrently with this document, we are submitting a course change form to change PSC 211 to a 300-level course. Because PSC 211 is a required course in the major (LP10), we need to change the major itself to reflect this course change.
- **Form with signatures:**
