**University Curriculum Committee
RECOMMENDATION**

SR 22-23-08 CC

Recommends approval of the listed **UNDERGRADUATE MINOR ADDITION, DELETION, CHANGE** in the following college and/or schools/programs:

College of Liberal Arts

Minor Change: Addiction Studies (VHS7)

- **Rationale:** Request is to add HS 221 Personal Health II and BME 305 Intro to Biophysical Measurement to the list of accepted courses for the Addiction Studies Minor. The two courses are regularly offered and will add breadth to the course options for the minor. Students are required to take 15 hours for the minor. The additions will expand course options for students and encourage more students to complete the minor. The Personal Health II course includes multiple assignments on addiction and the brain, health behavior change, and societal, legal, and moral implications of substance use. The Intro to Biophysical Measurement course includes lab components using computations and experimental approaches aimed at understanding mechanisms behind the reward-addiction pathway.
- **Curriculum:** Request for Undergrad Change of Minor - Addiction Studies - signatures.pdf
