**University Curriculum Committee
RECOMMENDATION**

SR 22-23-51 CC

Recommends approval of the listed **UNDERGRADUATE DEGREE PROGRAM ADDITION, DELETION, CHANGE** in the following college and/or schools/programs:

School of Aviation

Degree Change: Commercial Pilot: Fixed Wing FL 10

- **Rationale:** The previous Chief Flight Instructor made many changes to the existing curriculum. Upon further review, the current leadership finds that many of the new AVSC courses are redundant with other courses or superfluous. In addition, the volume of required courses does not allow students to pursue a course of study that suits their professional goals.
- **Form with signatures:** [Request for Undergraduate Change of a Degree Program Aviation.pdf](#)

College of Business

Degree Change: BA10 BBA, Accounting

- **Summary of changes:** Replace ACC 448, Federal Income Tax II and the required ACC elective with free electives. This will reduce the number of required credits in the major from 31 to 25.
- **Rationale:** To reduce the number of credit hours for the program to be more consistent with other LCOB degree programs and provide students with more flexibility to customize their degree (pursue a second major, minor, or specialization)
