M. C. R. C. Banquet

President Hamilton Tenders Recruiters Ample Reward.

The Marshall College Recruiting Club was regaled with a most delicious banquet in the Domestic Art room in Science Hall last Tuesday evening. Pres. and Mrs. Hamilton being the host and hostess of the evening. Select voices from the Choral Society were 'imported' for the occasion, and did splendid service. Their success, however, was not to be compared to the phenomenal success of the hungry recruiters, campers for the time being, in making way with the "eats" that were so—umuuh—well here words fail to express, but you get the idea. If you don't, just ask some of the lucky ones who were there.

Songs, reports by successful recruiters on their method of getting results, and speeches by students and Dr. Haworth closed the evening program all too soon. Prospects of immediate results and a glowing future for Marshall and the Club are very bright.

Seniors Show Faculty

That Dignity May Be Acquired "In A Jiffy".

Everyone was very much surprised last Wednesday to see the faculty turn out so well for chapel period. Closer observation revealed the astonishing fact that the Seniors had arranged to impersonate the various members of the faculty, and the period was given entirely over to them. No one had ever suspected that so much dignity was present in some members of our student body, but seeing is believing.

Lack of time and space forbids our giving a full account of the merry occasion, but everyone thoroughly enjoyed the affair, the faculty not excepted. The

Erosophian Literary Surprise

Boys Regale Girls with Delicious Punch.

Those present at Erosophian last Friday evening were delightfully surprised when, at the conclusion of the regular program, the President announced that the boys of the society had decided to furnish a farewell feast for the society. Accordingly, a large jar of punch, deliciously and wonderfully made, was produced and soon consumed. Then songs were sung, and everyone enjoyed themselves until the fatal hour of parting rolled around. The President, Guy Bonar, engineered the surprise, and is responsible for its successful culmination.

Classical Association

Elects Officers for Next Year.

At the last meeting of the Classical Association held last Saturday evening, the officers for the coming year were elected. Here are the officers-elect: President, Elsie Falwell; Vice-President, Mary Hammond; Secretary, Gary Eckard; Treasurer, Elsie Sowards. The program consisted of a chorus of eight girls, a scene from "Dido" showing the meeting of Venus and Juno, and

Dramatic Club

Will Make Final Appearance Tomorrow Evening.

On Saturday, May 22, the Dramatic Club will give its second and last performance of the year. At this time the club will present three foreign plays: "Indian Summer," by Meilhac and Halevy. "Rosalie" by Max Maurey, and "A Marriage Proposal" by Anton Tchekoff.

"Indian Summer" was written by two of the most famous writers of comedy of the last century. This little play has been given at the Comedie Francaise at Paris for upwards of forty years, and remains one of the brightest and most popular works of the period. The play is the story of the sudden love of an old man for a beautiful young girl.

"Rosalie" is full of clever dialogue. Rosalie, the stubborn maid, leads her none too amiable master and mistress into uncomfortable complications by her refusal to open the door to a supposed guest of wealth and influence.

"A Marriage Proposal" has all the interest that the title indicates. This little farce is very popular in Russia. As a satire of the Russian peasants, and perhaps of the Russian himself, it is unexcelled. The characters jump from one emotion to the other. Before the proposal is really made, the awkward lover and his beloved are in hysterics. Finally the girl's father himself has to speak for the young man. This play will be given in Russian costume furnished by Waas and Son of Philadelphia.

In the absence of the "Mirabilia", this issue of the *Parthenon* is devoted to the Seniors, since they are usually considered very important personages near Commencement time. Next week will be a special edition, the Commencement number. If you do not get your copy, ask for it, for it will be well worth preserving.

SECOND YEAR COLLEGE CLASS

OFFICERS

President, Coultrice Wood.
Vice-President, Virginia Workman.
Secretary-Treasurer, Erville Sowards.

Class Roster

Normal	Academic
Myrtle Boone	Hugh Day
Blanche Henry	William Frasure
Maxine Henry	Virginia Hoff
Mae Honaker	Mary Lewis
Beulah Jordan	Cullous Mitchell
Glenna Miller	Lester Patterson
Lillian Pharr	Erville Sowards
Blanche Scullin	Bromley York
Virginia Workman	Julia Weller.

Although small in mere numbers, the Second Year Class is one of which Marshall may well be proud. The members of the class have taken their work here seriously, as a means to the realization of their chosen life work.

Quite a number of our class, especially among the girls, have taken the regular normal course. They have spent much of their time in the study of education and in the practice teaching in the Model School. Next fall they ex-

pect to take their places in the ranks of the teachers of West Virginia.

Another part of the class has been taking the academic course. Among these are some pre-medical students. They have been taking up courses in science here, and will enter some regular medical college. Others are specializing in different lines, and will probably remain at Marshall and receive their degrees.

A few have been specializing in Home Economics. Those who were fortunate enough to be invited to some of the excellent dinners they cooked and served can judge of their ability along this line. Their work has been quite practical this year, for they have had so many opportunities to show their ability in the several dinner and banquets that have been served by the Domestic Department. We are proud of our class and confidently look forward to a great future for its various members.

The Short Course consists of one year or normal work for high school graduates, and graduation from this course brings a first grade teacher's certificate. Students taking the Short Course are classified with the Freshman College, and partake of the various activities of that class. Indeed, they usually constitute a very important section of that class, and are sadly missed when they fail to come back to take the full two

years of normal work. It is earnestly desired that every Short Course student complete the normal course and the four years A. B. course as soon as possible, for the teaching profession is always demanding better prepared teachers. However, the Short Course graduates are doing their bit toward relieving the acute shortage of good teachers in West Virginia, and deserve recommendation for their work. Here's to your success, fair co-eds, and may we see you back in dear old Marshall as soon as circumstances permit. In the meanwhile, we wish you the best of luck and joy in your arduous work of dispelling ignorance among the hills of the Little Mountain State.

We Seniors Secondary pride ourselves upon being the best class ever graduated from Marshall's Secondary course, but we confess that we are about the only ones who realize the fact. Modesty is a splendid and very handy virtue to possess—at times. We have shown our modesty clearly and unselfishly this year by not trying to rule the school with an iron hand, as other graduating classes have tried to do. We believe *that* to be Aristocracy, and we believe in Democracy.

We have had a splendid officer. Every Senior has true respect for Mr. Largent, for he has great interest in every Senior and has done all in his power to help them graduate. Mr. and Mrs. Largent showed how much real interest they had in us by giving us a georgeous dinner Friday evening, May 14th. Every Senior was present, both in person and appetite. It was surely one of the most successful and peppy affairs given this year at Marshall. To Mr. Largent we owe very much for making the class what it is.

Next year many of us will return to help make up a real college class. From all reports, the majority of our class intend to finish the four years of college work. Having completed this course our class will then leave Marshall and go out into the world, making all whom we meet open wide their eyes at our splendidly developed selves. We send this bit of news to everyone, that he who wishes to know the future of us Seniors may be at our unusual Class Day exercises. There we will disclose many surprising facts to you.

The Association wishes to extend to Miss Prichard its sincere appreciation of her untiring energy and persistence in the difficult task of keeping the Association on a firm level through this crucial period in its history. To her efforts the success of the year is largely due.
