FRAN CURNES, St. Albans junior, smiles discreetly to herself as our photographer joyfully catches her in a pose which proves that she does not approve of the new longer skirts.

Big Green In Top Shape For Evansville Club

By ERNIE SALVATORE

ENROUTE EVANSVILLE, IND.—A perfectly conditioned Big Green football squad left Huntington at 8 o'clock this morning bound for Evansville, Ind., where they tangle with the ponderous Evansville State College Purple Aces tomorrow night.

Anxious to return to the victory column following their first loss of the season to Canisius College of Buffalo, N. Y., last week, 25-20, the charges of Coach Cam Henderson completed one of the stiffest practice weeks of the campaign yesterday. Following the drill, the Green Board of Strategy pronounced the squad in top shape for the first time since the opener with College of Steubenville.

ARVIN WETZEL, first string fullback who has been hampered with a bad leg since the Morehead encounter, finished his drilling yesterday in good shape. He is expected to be his old self when he starts against the Aces of Coach Don Ping.

Also scheduled for a return to duty is Dick Roberts, reserve end and blocking back, who has been sidelined since the Morehead game with a pulled back muscle. Roberts, a dependable emergency man, missed the Eastern Kentucky and Canisius contests.

Although chalking up but one victory in three starts this year, Evansville has been rated by experts as having one of the best small college elevens in the nation. Besides possessing a line which averages 200 pounds per man; and 1,444 pounds aggregate, the Hoosiers have an exceptionally fast set of backs who average 187 pounds.

PRESENT in the line is Bob Hawkins, right tackle and 1946 Little All-American. Hawkins is a sophomore who weighs in at 225 pounds. Capt. Bill Russler, a 215 pound sophomore, is the other tackle. Spelling this pair are a trio of mastadons, namely: Frank Lutz, 245 pound freshman; Gene Adair, 240 pound freshman; and John Heldt, 240 pound junior.

In the starting backfield are Gene Logel, 170 pound quarter-back; Don Galey, 170 pound blocking back; Morris Riley, 190 pound halfback; and "Dutch" Bailey, 195 pound fullback.

Ping's club uses a T-formation. In 1946, the mid-western club nipped the Green in the final seconds for a 7-0 triumph. Nine sophomores, one freshman, and one senior are in the starting group. Evansville's record to date is: Western Kentucky, scoreless draw; Southern Illinois Normal University, 7-0 win; Louisville, 7-20 defeat.

MARSHALL COLLEGE STUDENT NEWSPAPER

Vol. 46

HUNTINGTON, W. VA.

No. 12

Independents Take Freshman Election By Landslide Vote

Sweeping into office with its entire slate of Student Council candidates, the Independent party scored an overwhelming victory in the freshman election Wednesday, while Greek and unaffiliated candidates were unable to fill one office.

A **LIGHT** freshman vote, only 24 per cent of the class of 1,143, selected as president, Bob Stone, from Charleston, and as representatives, Gloria Pack, Don Williamson and Richard Shuck, from St. Albans, Huntington and Beckley, respectively.

Jane Morgan, White Sulphur Springs, and Marshall Holcomb, Charleston, both Independent candidates, were elected typical freshman girl and boy.

VOTERS WERE permitted to use "write-in" candidates because of insufficient petitions, which, according to the student constitution, were necessary before the candidate's name could appear on the official ballot.

The votes were counted by members of the election board, which consists of all council hold-over members, and Dr. Conley H. Dillen, head of the political science department.

"**I AM SURE** that this was one of the most widely-campaigned freshman elections in recent years," Don Loudermilk, student body president, said as he announced the results Wednesday afternoon. "There wasn't a place on the campus to which you could turn without seeing some evidence of the coming election. This is a good indication of better school spirit."

AND THE LONG OF IT !

BUT — ON THE OTHER HAND, this long skirt doesn't look so bad . . . or maybe it's just the way Rose Ellen Tully, Charleston senior, wears it.!

COMPTROLLER LAUDS Greek Group STUDENTS FOR HELP IN CAMPUS CLEANUP Plans Shows For Children

"I wish to thank the students for their splendid cooperation," said the Comptroller Fred Smith today in expressing his appreciation of the student response shown to his recent request for cleanliness about the campus.

"**THIS SHOWS**, I believe, that the students have given me their confidence and that I can now go ahead with the full backing of the student body," he added.

Mr. Smith commented on the improvement in cigarette disposal since the installation of sand containers in the halls, saying that they had saved much work in maintenance. "I think," he said, "that our main problem in the past has been the lack of disposal facilities for trash. We shall try to remedy that in the future."

MR. SMITH believes that most students have littered the campus with trash only because there have been no suitable facilities for proper disposal and that, given the chance, they will do their best to keep the campus clean and neat.

WANT TO HELP?

There will be work on lights, scenery, and props for "Jean of Lorraine," Saturday at 9 A. M. in the college auditorium, Professor Clayton R. Page, Jr., of the College Theater announced today. Alpha Psi Omega credits will be given to students who participate.

One phase of the Panhellenic and Interfraternity Councils' social educational program for 1947-48 will include entertainment of faculty children. A series of programs will be given between the hours 9 P. M. and 12 noon on Saturday mornings and will run for six weeks, Homer Lambert, chairman of the committee in charge, announced.

A **TWELVE REEL** adventure movie serial will be shown in two and three reel installments and trips will be made after the movies to some of the business and industrial plants in Huntington. On the sixth Saturday an Indian lore trip to Point Pleasant has been planned, Lambert said.

Various sorority and fraternity members will serve as guides for the children, he added.

ATTENTION, VETS !

All veterans in training under Public Law 16 are required to report to the Veterans Administration office, Room 212, Music Building, for monthly interviews, William J. Vinson, veterans administration training officer, said today.

Council Will Act On Club Petitions For Recognition

The Student Activities Committee at their regular meeting Thursday recommend to the College Council two new clubs that have been formed. The McDowell County Club submitted a petition by Nina Fitch, Gary sophomore; Harold Willey of the Marshall High School faculty is the adviser. Kayleen Tobin, Huntington sophomore submitted a petition for the B'nai B'rith Hillel, a national organization to be granted a charter on the campus with Dr. Julius Lieberman, assistant professor of German as faculty adviser. Also before the council at this time will be the formation of a freshman academic society, the Scholaris.

Johnson To Describe Global Voyages In Opening Community Forum Tonight

Commander Irving Johnson will tell the story of his three trips around the globe on his schooner, Yankee, at the opening of this year's Community Forum, to-

MR. IRVING JOHNSON

night at 8:15. Commander Johnson will supplement his appearance with an all-color movie, Sailing To See. Admission will be by activity card.

COMMANDER JOHNSON charted the course of the schooner on his trips, and it seldom sailed the established routes. With a young amateur crew of 18, including the

commander's wife and two small Johnsons, the Yankee touched, on its first trip, at the ports of the islands of Pitcairn, Easter, Tahiti, Pago Pago, and, among those of wartime significance, Tarawa, the Solomons, and New Guinea.

As a result of his cruise, Johnson spent four years' Navy duty in the Pacific during World War II recommending bases, clearing channels, and guiding landing parties. Commander Johnson sailed his new ship, also christened Yankee, stripped to the hull last winter and rebuilt this summer, home by way of Bermuda, arriving in Gloucester in early September. In November, he, his family and a crew will leave for a year-and-a-half voyage around the globe.

OTHER PROGRAMS scheduled for the forum this season include Walter H. Judd, congressman from Minnesota, speaking on The Far Eastern outlook; a labor-management debate between James B. Carey, secretary-treasurer of the CIO, and Whiting Williams, well-known industrial leader; Sir Gerald Campbell, one of Britain's most celebrated orators, on "Britain and America, Partners In Peace;" Dr. Bernard I. Bell, one of the na-

tion's leading ministers, on "How To Live In The Twentieth Century;" Thurman Arnold, former federal judge and trust-buster, on "Our Expanding Economy."

Later the forum will feature Vincent Sheean, author and correspondent, who will speak on "Public Opinion;" Helen Gahagan Douglas, former Congresswoman from California, speaking on "Major Issues In Congress;" Maurice Hindus, noted authority on Russia, on "Plus And Minus Signs In American-Soviet relations;" Muri Deusing, famous American naturalist, presenting camera-close-ups in a "Back Yard Safari;" Karl Robinson, just returned from China, with a film on "China Journey;" Nicol Smith, author of Burma Road, lecturing on Dutch Guiana; George Freedly, theatre authority, reviewing the best in this season's plays; Francis Line, with a film on the migration of sheep through the West entitled "Sheep, Stars and Solitude;" and Austin West, with color photography on England, including places famous in literature.

REWARD

Know A Good Book?

Fifty per cent understaffed, fifty per cent understocked.

This was the verdict rendered a few years ago by a visiting group which surveyed facilities of the James E. Morrow Library in connection with Marshall's interest in being approved by the Association of American Universities. It did not constitute the only reason why the college was by-passed for approval, but it provided a sufficient stumbling block that the administration wisely undertook to remove.

This year the library is operating with double the appropriations of last, and has \$17,500 to spend for books alone. Doubled appropriations won't buy twice as many books these days, but the sum does represent a forward step and a very important awareness of a situation in which we all have an interest. For Marshall to become a member of the Association of American Universities is to bring our college up to the level we think she deserves. One of the most important items in this move to raise our library's standards is a thoughtful selection and purchase of books. Suggestions and recommendations are always invited, Miss Rosa Oliver, librarian, advised The Parthenon this week, not from faculty and department heads but from students as well. Miss Oliver is charged with the responsibility of purchasing those books which will greater benefit and serve us, and we, as part of our thriving college community, owe her the responsibility of reporting in every now and then with a list of the books we believe will be of help in our work.

We're really helping ourselves when we make our suggestions, and unselfishly helping our college. Keep your book lists in mind, and tell Miss Oliver about them the next time you're in the library. They'll be appreciated all around — by yourself, by your college, by Marshall students in years to come.

SIMPSON ELECTED HEAD OF ALLEN COURT

Ralph Simpson, Handley junior, was elected president of the Allen Court men's dormitories at an election held last week. Other officers elected were John Brotherton, Charleston freshman, secretary; Michael Forgacs, Thorpe freshman, treasurer; and Norman Willey, Pine Grove sophomore, sergeant-at-arms.

Let's Get together

PHILIP MORRIS is so much better to smoke!

PHILIP MORRIS & CO. LTD. INC. NEW YORK

MADE IN U.S.A.

PHILIP MORRIS offers the smoker an extra benefit found in no other cigarette. For PHILIP MORRIS is the ONE, the ONLY cigarette recognized by leading nose and throat specialists as definitely less irritating.

Remember: Less irritation means more smoking enjoyment for you.

Yes! If every smoker knew what PHILIP MORRIS smokers know, they'd all change to PHILIP MORRIS.

CALL FOR PHILIP MORRIS

TIME OUT

WITH ERNIE SALVATORE

"Duke" Ridgeley, sports columnist for the Huntington Herald-Dispatch, and Milt Supman, God's gift to radio, had a bit of a tiff the other day concerning the former's claim to naming Marshall the Thundering Herd.

Monsieur Le Duc became so incensed over the matter that he printed a list of other schools he had nicknamed during his long and illustrious career as a sports peer.

According to our way of thinking, the matter can be settled once and for all by dragging out the records. Just where the records are only a supreme power knows. Whoever comes up with conclusive evidence will be springing a pretty fair story.

Incidentally, Duke old boy, a contest is scheduled to start on the campus Monday for the naming of the new Recreation Hall in the basement of the cafeteria. How about entering? Just drop a card in care of this department. Merci, Mons. Le Duc. ---

Mr. Earl Workman, director of the Big Green band, has turned in another commendable job this year. Working under an extreme handicap of scarce talent, he has organized a small, sprightly, and skilled group of student musicians.

Plans are now underway to expand the band to a size worthy of this institution. Included in the plans, we hope, will be the purchase of new uniforms. Rumors afoot claim that the present burles were designed during the Spanish-American War era.

To make matters worse the supply of these ancient sacks is so low that several members must publically exhibit themselves in mufti. One must commend these individuals for their esprit de corps, one must congratulate band officials for carrying on despite these adversities, and one must condemn wholeheartedly this rather unfortunate situation.

Comes 1948, the citizens of Huntington, the students, and other rooters should be treated to the inspiring spectacle of a snappily attired Big Green band, dressed in a manner befitting their already proven skill as music makers. ---

Side Shots: Athletic Director Luther Poling plans to add a second meet to the cross country schedule. A bouquet to him for getting the sport revived . . . Marshall's cheerleaders are doing an excellent job this season and are getting plenty of response . . . Frank De Polo, the Clarksburg bard, was a cage star in his high school days . . . Sterling Willey has definitely quit the boxing business . . . Charlie Stewart is up in arms over the unfairness of the Converse-Dunkel basketball rating system . . . Johnny Martin is planning an excursion to Cincinnati for the Xavier game . . . Expected at Evansville this week are Bill Smith, Bud Burdette, Bud Blankenship, and a few more Wayne Wonders . . . Charlie Bennett is still blue over Brooklyn's loss in the 'World Serious' . . . Bill Mularkey, Jack McOwen, Bill Brown, and Dan Donohoe have taken a monopoly on the Knights of Columbus card room . . . All roads lead to Evansville, Indiana.

Flying Discs Chalk Up Second Flight C Victory

By CHARLES OPPENHEIMER

With the mural gridiron wars rounding the turn for the home-stretch run, the current campaign looms as one of the most keenly contested title races featured on the local green in many years.

In a double bill Wednesday the Flying Discs copped their second match in Flight C competition with a 14 to 6 victory over the previously unbeaten Phi Kappa Nu Seconds. On the other end of the program, Flight D Logan gridders turned back the Donald Court herd, 15 to 6 to boost their record to a pair of wins against no losses. Tuesday's play, a one game card, found the All Stars edging the Red Dogs, 6 to 9, which puts the former squad in the number one Flight B bracket along with the two-time winner Barboursville gridders.

Little "Pepper" Lambert nipped a spot for himself in the Mural Pigskin Hall of Fame as he tossed for one of the Discs touchdowns and travelled the ground around right end for the second Disc tally. The initial paydirt pitch was to Griffin, and Maultz uncorked an aerial to Bond who scampered 45 yards for the lone Kap venture into paydirt. On a high pass from center in the third chukker Foxx of the Phi Kaps raced behind the goal to retrieve the loose pigskin and was tagged in the end zone for a safety.

Katchell notched the first tally for Logan as he tagged Carroll of Donald Court behind the goal for a safety after which Disco scampered 50 yards for a score and

Bob Burgess Cops Mural Links Title

Contests yet to be played at the quarter-final mark are between Van Sant, Suttatt, Forbes, Kennedy, Tomlin, and Sayre.

The tennis tourney, running behind schedule, has only gone into quarter final matches with Young and Catson grabbing spots for contests in that bracket.

Croquet jumped into the quarter finals with semi-final spots awaiting the outcome of the following sets; James vs. Kautz, Villani vs. winner of Hoskins and Buffington, Ward vs. winner of Feldman and Cook, and Fox vs. Stultz.

Bob Burgess captured the intramural golf crown this week when he fired a 139 in tourney play at Wayside links. Pete Buffington and Squib Workman tied for second, each turning in scores of 151.

In the volleyball roundup, Logan advanced to the semi-finals by turning back the Flying Discs and Donald Court also drew semi-final slot by downing Green Village. Games yet to be played at press time for a spot in that bracket were the Phi Tau Alpha First against Hodges Holl Firsts and Allen Court against Madison Independents.

Stanfill journeyed to semi-final play in the horseshoe crown race with a win over Cook.

Veres dropped one to Lucas for another tally. Kane dropkicked the extra point, and Maram tossed to Carroll for the single court marker.

Cross Country Given Varsity Rate As Miami, O., Is Booked For Meet

Cross country running was given the varsity status for the first time today when Athletic Director Luther Poling announced that a meet had been scheduled with George L. Rider's Miami University (O.) Redskins, Saturday, November 8th.

Attempts are being made to book harrier engagements with Bradley University for Marshall's Homecoming on November 22nd, and with Xavier for its Homecoming on November 1st, Mr. Poling added. The meets would coincide with football attractions between the Herd and those schools.

The Miami engagement will begin at 12:30 P. M. and will be an added feature to the Miami-Day-ton grid clash. Starting line is in

the Miami stadium, leading to the university's golf course and back to the stadium for the finish. The course is listed at four miles.

Coaching the Big Green runners is Mr. John Stender of the English Department, who has been conducting daily drills for the past two weeks. A seven man squad will represent the Herd in the Miami meet.

The mural paintings, depicting the growth of knowledge, over the main desk in Morrow Library were painted by Marion Vest Fors, former instructor of art.

Five degrees, A. B., B. S., B. E. S., M. A., and M. S., may be earned in a Marshall.

New Part-time Instructors Get Board's Approval

Approval of proposed part-time instructors by the West Virginia State Board of Education was announced this week by Mrs. Veta Lee Smith, college secretary.

The new part-time faculty members include Miss Lucile Chapman, Ph. D., assistant professor of history; Herman Fetter, A. B., economics instructor; Arthur V. Merkel, B. S. C. E., engineering instructor; Harold Hendershot, A. B., physics instructor; Lewis M. Wilcox, M. A., geography instructor; and Jay A. Yagel, M. A., Spanish instructor. Miss Helen M. Bardell, A. B., has been named veterans' clerk.

CAFETERIA SERVICE HOURS TO CHANGE

The following changes in serving hours an Saturday at the cafeteria were announced yesterday by Manager Frank Springer. The changes will become effective tomorrow, October 18. The noon meal will be served from 11 A. M. to 11:30 P. M. The evening meal will be served from 5:00 P. M. to 6 P. M.

Mr. Springer feels that the hours will be adequate due to the reduced number of students that have been eating in the cafeteria over weekends. He also suggests for the convenience of all concerned, that those who wish to be served come in as quickly as possible after the beginning of the serving period.

TICKETS AVAILABLE FOR ATOM LECTURE

Students who wish to attend the lecture on atomic energy in Charleston next Monday should leave their names at the office of the Engineering Club, Engineering 204, not later than this afternoon, Samuel T. Stinson, assistant professor of engineering, announced yesterday.

The lecture will be given by Dr. Pierce, a director of research for the Westinghouse Manufacturing Co. The Army-Navy movie of the Bikini atomic bomb test will be shown as another feature of the program.

Students who wish to attend may obtain tickets at the Engineering Club's office, Mr. Stinson said, and transportation will be arranged. The tickets were made available by the West Virginia Society of Professional Engineers, who are sponsoring the lecture.

FRAZIER MALCOLM PHILLIPS, TEM 2c, a former Marshall student from Huntington has been appointed senior technician in charge of electronics aboard the U. S. S. destroyer **KENNETH D. BAILEY.** While in Marshall, Phillips was president of Chi Beta Phi, vice president of the Engineering Society and sophomore representative of the student body. After his discharge from the Navy in 1948, he will return to Marshall to continue his studies in Physics and Electrical Engineering.
