MARSHALL COLLEGE STUDENT NEWSPAPER

Vol. 46

HUNTINGTON, W. VA.

No. 14

HE DID IT . . . and he's glad he did it. Leo Fox, Huntington sophomore, smiles happily as the photographer catches him, left center, amidst the throng which attended the opening mix at "The Greenhouse" Wednesday night. Fox submitted the winning name.

Call It 'The Greenhouse'! Leo Fox Proud Winner

Wednesday evening saw the first "first night" on the campus since the gala opening of the Shawkey Student Union in 1932. The occasion was the official opening of The Greenhouse, new recreation hall in the cafeteria basement, named this week by Leo Fox, Jr., in a contest sponsored by the Student Activities Committee.

Fox was introduced during intermission and awarded a carton of cigarettes and free admission for himself and a date to all future mixes this year. Don Craig, student council member, made the award.

Hostess at The Greenhouse is Mrs. Margaret C. Markam, who assumed her duties with the opening of the center Wednesday night, Mrs. Veta Lee Smith, college secretary, announced. Mrs. Markam, who formerly attended Wilson Teachers College in Washington, D. C., worked for the Veterans Administration and the American Red Cross during World War II. Before accepting the campus position, she was assistant director of recreation at the Veterans Hospital here.

The Greenhouse will be open from 7 until 10 P. M. Monday through Friday, from noon until midnight Saturday and from 2 until 10 P. M. Sunday.

COFFEE WILL LECTURE ON TRAUMATIC SURGERY

Dr. Francis Coffee will speak on "Traumatic Surgery at the second Pre-Med lecture at 7:30 P. M. Wednesday, October 29, in Room 307 on the third floor of the science building, Prof. N. Bayard Green, head of the zoology department, announced.

BLUE CROSS PLAN COVERS STUDENTS

In order to clarify some misunderstanding concerning the clinic, college physicians offer the following information:

THE CLINIC is open Monday through Friday from 9 A. M. until noon and from 1 P. M. until 4 P. M. and Saturday from 9 A. M. until noon. A doctor is on duty from 11 A. M. until noon and 1 P. M. until 2 P. M. Monday through Friday. A regular nurse is on duty at all times.

All students are covered by the Blue Cross hospital plan. They are entitled to a ward bed in any of the approved hospitals. If the student desires a semi-private or private room he must pay the difference. The student is also responsible for the fee charged by the doctor during the hospital stay. The plan will cover X-rays only in case of emergency, unless the student is a hospital case.

THE CLINIC carries a few basic drugs. Other drugs prescribed by the physician must be paid for by the student.

The student is entitled to all medical care in the clinic free. If, however, some specialized treatment by some outside doctor is prescribed the student is responsible for the fee.

IF A STUDENT calls the doctor to his room in the dormitory or at home, he must pay the bill. The faculty is not entitled to medical care in the clinic except in case of an emergency.

November 7 Will Mark 'Dogpatch day'

Traditional celebration of Sadie Hawkins Day, made famous by cartoonist Al Capp, will officially go into effect on the campus at 2:30 P. M., Friday, November 7. Charles Proctor, senior president, announced Wednesday.

In compliance with the requests of the faculty, students are asked not to attend classes in Sadie Hawkins attire. At 2:30 P. M., however, events will have begun, and all students are urged, providing they have no classes, to dress in hillbilly garb, and enter into the afternoon's festivities.

A planned program of activities will include the music of a yet unnamed hillbilly orchestra, a race between individuals, representing each campus organization and the awarding of prizes to the most typically dressed students.

Guy McComas and his orchestra will play for the dance to be featured that night from 9 P. M. until 1 A. M., in the gymnasium. In order that the woman-catch-man theme be carried out completely, no stags will be permitted and women must bring their dates, Proctor said.

PACK YOUR LUNCH ?

Working students may get packed lunches, with their meal tickets, upon special request, Frank Springer, cafeteria manager, announced. He explained that orders must be picked up at a specified time to prevent waste.

NEAL SUFFERS INJURIES

Edward Neal, Gauley Bridge sophomore, is resting easily in St. Mar's Hospital, after receiving a broken nose, bruises and lacerations when he was attacked by some young boys Wednesday night.

Council Schedules Thuse Tomorrow

The season's first afternoon pep rally will get underway tomorrow afternoon at one o'clock, on the athletic field, just before the Herd-Sycamore clash, scheduled for 2 P. M.

Following a rally of yells and songs the band will form at Third Avenue to lead a snake dance out Sixteenth Street to Fairfield Stadium. Don Loudermilk, student president, has urged everyone present to come attired in green and white.

This rally, the third of the season, will mark Bill Dawson's first appearance with the cheering squad. Dawson, Huntington junior, was elected to fill the vacancy created by the resignation of Medley Parks, Huntington sophomore.

Previous plans concerning the rally scheduled it for tonight. Inability to obtain the services of the band forced postponement.

Finish Rehearsals For Passing Hoosiers

By ERNIE SALVATORE

There's an aerial circus scheduled for Fairfield Stadium tomorrow afternoon when the pass throwing Sycamores from Indiana State College, boasting a victory string of three straight, meet Marshall's rebounding Thundering Herd.

A banner crowd of 10,000 plus is expected to be in the stands at kickoff time, which has been scheduled for 2 P. M.

EXCITEMENT OVER this high mark on the 1947 home card was reaching its peak today with the announcement that a pre-game pep thuse would be held on Campus Field tomorrow at 1 P. M. All sororities, fraternities, and independent organizations have filed intentions of attending the rally which will be touched off by a march on the stadium.

Loaded with reports of the mighty passing arm of Stewart "Red" Faught, Indiana quarterback, the Big Green coaching staff has devoted the majority of this week's drilling to pass defense. It was in this department that Canisius College of Buffalo, N. Y. upset the locals two weeks ago. Signs of improvement were evidenced last week, however, when the Green thwarted 13 out of 18 Evansville passes.

THE INVADERS, to date, have won three games while losing one. In their opener the bowed to Illinois Normal, 20-7. Since that time Coach Wally Marks' machine has functioned on all cylinders with successive victories being collected over Valparaiso, 13-0; Southern Illinois Normal, 21-6; and Illinois Wesleyan, 26-13. Evansville by comparison, managed a close 7-0 win over Southern Illinois.

Flankin' Faught in the Sycamore backfield are scatback Julian McGill and Max Woolsey. Fullback chores are handled by "Bruising Bobby" Chester. The visitors stick to a straight T-formation with the heralded Faught doing the ball handling. At times they quickly switch into a single wing.

LATE REPORTS today indicated that Bobby Sang, who was feared lost to the Big Green with a broken hand, would probably get into action. Billy Young, the fine reserve back, is lost for an indefinite period with a badly injured leg.

The rest of the Herd players are in excellent shape. The team reached a new high in spirit and determination last week when it

FROSH ATHLETIC ELIGIBILITY RULES TO BE REVIVED

A campaign to guide Marshall to a higher level of athletic recognition was launched by the Athletic Committee this week with the announcement that freshman eligibility rules would be revived in September 1948.

Prime objective of the committee is to obtain membership in a recognized conference. In reference to this, President Stewart H. Smith said, "Every step which is necessary to make Marshall College ready to participate in a recognized conference is being considered."

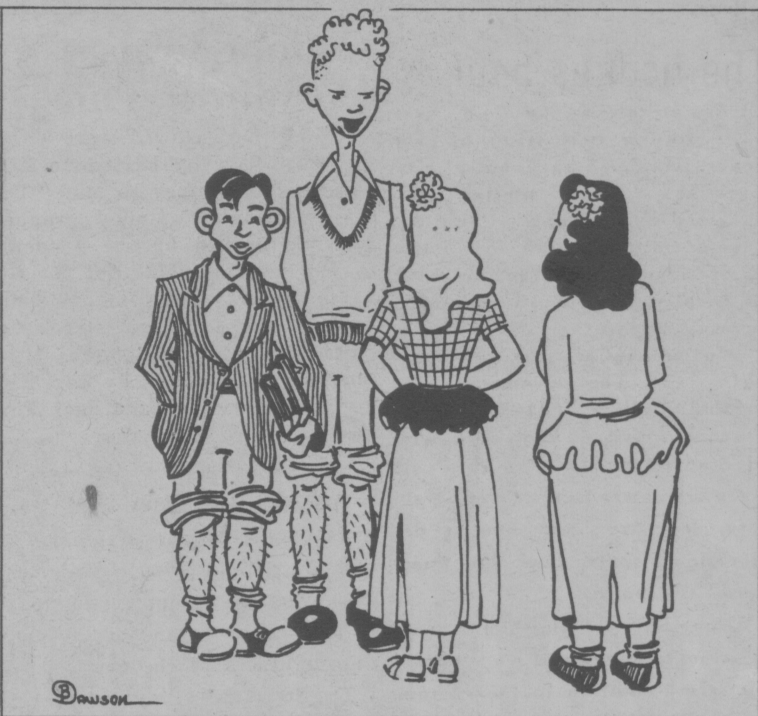

The entire athletic problem, target for severe criticism by local sportsmen for years, is being carefully considered, President Smith added.

Beginning next September, one year of residence at Marshall will be required before an athlete may participate in varsity sports. Attendance at another school or precluded attendance at summer school will not change this.

Twelve hours of C must be recorded by athletes in order to remain eligible, the committee ruled. Invitations for participation in extra-scheduled contests must be submitted to the Athletic Board for consideration and final approval by President Smith.

Classical Group Honors Virgil

A discussion of the Latin poet, Virgil, was given by Betty Holbrook and Helen Chrest, Huntington freshmen, at the first meeting of the Classical Association, October 21. Ruth Blackburn, Kermit junior, and Mary Ann Bleathen, Huntington junior gave talks on the burial habits of the Romans and Greeks, in keeping with the Halloween season, and Loletta Tucker, Houghton sophomore told Pliny's "Ghost Story."

We're getting ready

The Parthenon notices with keen appreciation the latest steps taken by the Athletic Board in readying Marshall for participation in a recognized athletic conference. At its weekly meeting Monday the one year residence rule was recommended and passed by the board and approved by President Stewart H. Smith. It will go into effect September, 1948. The board and Dr. Smith also ruled that any invitation to extra scheduled athletic contests must be submitted to the Athletic Board for action, a step which places all intercollegiate athletic activities under a central agency representing students, alumni, faculty, and the administration.

In August the board took its first step in forming a concrete athletic policy by reinstating an eligibility rule requiring 12 hours of "C" grade. Marshall thus became the first college in West Virginia to move to these higher standards.

Dr. Smith emphasized Wednesday that the entire problem was being studied carefully and thoughtfully by the board in a slow but sure program. This method of approach is best from a long range point of view and assures Marshall of firm footing in any future venture into an intercollegiate athletic conference.

From all sides, plans and policies of the Athletic Board look good. We commend this intelligent awareness of duty and responsibility to the best interests of our college.

The hodge haul

Our attention has also been called to the first issue of The Hodges Haul, an excellently mimeographed and well written sheet published by residents of that famous dormitory. In an open letter to President Smith, members of the faculty, and the student body, the staff declares:

"Our policies are few, but meaningful: (1) The advancement of Marshall College. (2) A creation of school spirit to keep pace with this advancement." Within its pages are newsy items covering society, love troubles, council deliberations, sports, and the question of the month.

Altogether it looks like an up-and-coming paper and we welcome this latest addition to the campus scene. Good luck, fellas!

Connor Praises Dormitory Paper

"More power to it," were words of praise used by Parthenon Editor Charles Connor to laud "The Hodges Haul," a mimeographed paper published by the residents of Hodges Hall. Material for the paper published by the residents of Hodges Hall. Material for the paper is written by residents of the dormitory and edited by Earl Kirker, Heik Davitian, and Jack Forles.

On July 16, 1938, some journalism students from Marshall College on a field trip to Mammoth cave erected a monument of stones to the college in one of the main thoroughfares of the cave.

WITH ALICE

THE THEATAH . . .

A lone, woe-be-gone and derelict creature strode down the halls of Old Main the other day. His face reflected sadness, his eyes were filled with tears and his shoulders were bent to his waist. He mumbled but one thing, over and over, "They won't give me a chance. They won't give me a chance." Don Waggoner was indeed in a depressed mood. He could stop his monologue of "they won't" only long enough to explain—"Catherine Martin will be heralded as a second Ingrid Bergman. Don Loudermilk will receive rave notices. Why-why, they'll even like Bill Kerns. But I . . . I step onto the stage and they, the fools, laugh. I don't say a word, and they laugh. I have a straight role in 'Joan of Lorraine,' and still they laugh." With that he bellowed forth a Draculean scream and slumped away. We, as the audience, will owe it to humanity not to laugh at the man when he steps forth that fatal night. Now, Waggoner, fifty cents for the plug.

TOO BAD . . .

The respective deans, Buskirk and Brailey, weren't present to see "Skeet" Wilson slip into the box of votes for the recreation hall name his sole contribution. Namely, "Les and Lil's." This modern college mind!

BLAME THE DUTCH . . .

Ann Plants bought a new dress. One with "that new look," as the ladies' fashion slicks so gleefully describe them. "It's beautiful," said Ramona Marrs. "I like it," said Nina Fitch. "Mm-m-m. But the fellows don't," ventured Hannah Van Horn. Ah-ha. Rebellion in the midst of this feminine display. And so it goes, about these bustles, ruffles and longer skirts. There's one consolation, however. You can't blame the women. Ann bought her dress from a downtown store which got it from a manufacturing firm which purchased the idea from a designer who lives in New York which was originally settled by a people called the Dutch. It just goes to show. You have to put the blame on the Dutch.

ODK'S LIST REQUIREMENTS

Specified requirements for Omicron Delta Kappa, national leadership honor society for men, were announced yesterday by Carl Fisher, president of the Beta Lambda chapter, and are as follows:

(1) Scholastic average for candidates must be 1.5 or better for the preceding two semesters.

(2) Candidates must have shown active leadership in two or more areas, such as journalism, speech, music, athletics, etc.

Considerations for membership are now being made, Fisher announced. Juniors or seniors who qualify under these requirements should inquire at the dean of men's office for further details.

No faculty members will be elected at this time, Fisher said.

It's Studies Plus Work For 750 Of The 2,350 Men Enrolled

By JAMES DYE

Approximately 750 of the 2,350 men enrolled in the college are working at either part or full-time jobs according to Dean of Men Lester G. Brailey. "Since last year we have placed 54 students, 40 of them veterans, in part or full-time employment." These figures are exclusive of the Retail Training Classes in the college which have placed 73 students in jobs this year, Dean Brailey said.

MANY STUDENTS who have asked for employment, abuse the service rendered them by accepting jobs and quitting them without giving notice to the employer or the school. There is a great need for training in how to get and how to keep a job, Dean Brailey said. Proper approach and follow through should be practiced. It is disconcerting when students take jobs then quit without notice, consequently the employer hesitates to ask the college to provide student employees, he explained.

Male students who work an average of 20 hours per week, hold many unusual jobs such as pick-

ing chickens, painting "Men" and "Women" signs on doors and even preaching. One such student even works in a corset factory. At first this somewhat confused his wife until she found out that the corsets were for evens and fireplaces. Other students hold a variety of jobs such as truck driving, cooking, store salesmen, dishwashers, waiters, theatre ushers, a theatre manager and a motion picture operator. Many others work full eight hour shifts in plants both in and out of the city.

BRAILEY revealed that approximately two per cent of the students are working their way through college completely by their jobs.

Continuing, Dean Brailey said the college employs well over a hundred students on the campus, approximately ninety of them in the capacity of student assistants and the others in the dining hall, student union and on the maintenance staff.

ANYONE desiring part or full-time employment or anyone desiring to employ college students for

any type of work are asked to contact the dean of men's office. There are still several part-time jobs available in the field of commission selling Dean Brailey added.

Newcomer Club To Become Social

The year-old faculty men's Newcomer Club decided at a meeting last week to expand this year to become a social club for all full-time male faculty and administrative members of the college, James W. Rowley, instructor in English and secretary-treasurer of the club, announced.

Other officers for this year are Prof. Robert P. Sechler of the English department, president; and Frank D. White, instructor in mathematics, vice-president.

George Everett Surgeon, Williamson senior, was elected president of the Men's Physical Education Association at the first meeting of the newly organized club for physical education majors and minors in the school gymnasium Wednesday.

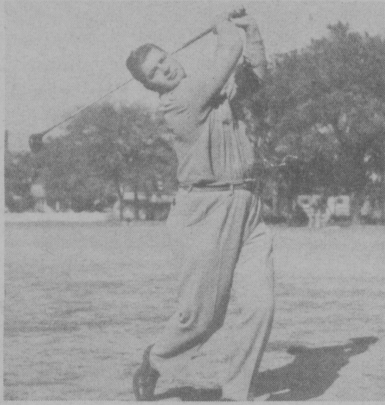

Mr. Frederick "Doe" Fitch was named advisor for the association which attracted 70 men. Professors Thomas Dandeleit, Otto Gullickson, and Mr. Fitch were named as honorary members.

This new club will hold its next meeting Wednesday, October 29, at 6:30 P. M. in the gymnasium. Thereafter all meetings will be held on the first Wednesday of each month at 6:30 P. M. in the gymnasium.

Librarian To Attend Meet

Miss Rosa V. Oliver, librarian, will attend the meeting of the annual library conference to be held at Charleston, October 25. Miss Oliver said Paul Howard, of the American Library Association, will speak at a dinner to be held at the Hotel Ruffner.

THE NEW 1947 Intramural Golf Champion is Bob Burgess, above, who clinched the crown at Wayside Golf Club last week.

Xavier Added To Harrier Schedule

Another cross country engagement has been added to the 1947 Big Green card, first in the history of the school, Athletic Director Luther Poling announced this morning.

Negotiations with Xavier University for a meet in Cincinnati Saturday, November 15, the same day the Big Green and Musketeer gridders collide, were completed this week. Marshall harriers will launch their campaign Saturday November 8, against Miami University at Oxford, O. Mr. Poling said he was still trying to fill a November 22 date for Huntington.

TIME OUT WITH ERNIE SALVATORE

Marshall's long range athletic rebuilding program, in secret progress for several months, took another step forward this week with the announcement that freshmen athletic eligibility rules would be restored in 1948.

The ultimate goal, according to President Stewart H. Smith, is to gain membership in an accredited athletic conference. Since the disintegration of the Buckeye Conference, Big Green teams have had to compete against a vast array of independent schools. Which is alright except that win, lose, or draw, nothing in the way of national recognition is really accomplished.

Time, lots of time, is needed to complete this program. Too many sincere Huntington sportsmen are impatient to get the entire setup finished and underway. Although well meaning enough in their desires, they are hardly being practical.

As long as work on getting Marshall back into an accredited organization or league is underway, the best contribution all of us can make is to cooperate with the Athletic Committee to the utmost... and be patient.

Indiana State College is sending a pretty rough collection of football players into Fairfield Stadium tomorrow afternoon for a crack at the Big Green. The Sycamores have racked up three straight wins after a losing opener and are tabbed by scouts as "the passingest small college club in the midwest."

Coach Cam Henderson has been rehearsing his gridders in pass defense for the past two weeks now, following the Canisius air defeat. Improvement, since that unforgettable game, is evidenced by the fact that 13 Evansville passes were batted down by Big Green defenders last week in 18 chances. Not bad!

The Mural Board of Appeals handed down an odd decision recently when they okayed faculty participation in intramurals... Today's WHTN Sports Shop broadcast at 5:15 P. M. will feature Backfield Coach Joe Pease and Co-Capt. Charley Snyder as guest stars... John Osborne, Huntington freshman, won aquaplane honors at Charleston last weekend.

APPROVED FEE OF \$3

The State Board of Education has approved a fee of \$3 a credit hour for credit examinations in any course, Luther E. Bledsoe, registrar, said this week. All students wanting to take examinations for credit should apply to the registrar's office. The fee must be paid in advance and is required whether the student passes or fails the examination, Mr. Bledsoe said.

All Stars Batter Bombers

Kappa Alpha gridders threw their hat into the ring Wednesday for the Flight A title when they turned back Lambda Chi Alpha, 6-0, notching their second win in league play. In the bottom half of the bill the All-Stars blitzed the Bombers, 47-6, to rack up their second win.

In Tuesday's slate the Tau Kappa Epsilon edged Newman Club, 7-6, for their initial victory of the season in three outings, while Alpha Sigma Phi blasted the Teps, 31-13.

Varsity M copped the volleyball crown in the title match by defeating Phi Tau Alpha, 21-17.

Mural grid play for next week will bring the following squads together: today, 3:15, Stinkers vs Barboursville; 4:15, Alpha Theta Chi vs Allen Court; 4:15, Grem-lins vs Phi Tau Alpha Seconds. Monday, 3:15, Aces vs Hodges Hall Firsts; 4:15, Phi Kappa Nu Seconds vs Panthers. Tuesday, 3:15, Green Village vs Flying Discs; 4:15, Logan vs Baptists. Wednesday, 3:15, Southerners vs Donald Court; 4:15, Big Sandy Boys vs Hodges Hall econds.
