Special day

Members of Marshall's Student Council for Exceptional Children give four handicapped youths a tour of campus Thursday as part of Exceptional Children's Day. This activity's

purpose is to increase awareness of exceptional children in the

MU and Huntington community.

Grievance

Few Marshall employees using established complaint procedure

By BELINDA ANDERSON Reporter

Editor's note—This is the last of a four-part series on the grievances of custodians at

Evidently, there are custodial problems at Marshall. At union meetings, custodians complain about pay, overwork, warning letters, and discrimination. A state senator has met with the workers, advising and listening to individual problems.

Yet, there exists a formal grievance procedure at the university that few are

Only one worker has used the formal system beyond the first step, an oral exchange between employee and supervisor, this semester, according to Karl J. Egnatoff, vice president for administration.

Instead, Egnatoff said, workers have taken their problems to the press. "Unless we use the formal grievance procedure," he said, "the same situation will exist as in a trial

Nominees named at faculty meeting

Reporter

Nominations for faculty representatives were taken at Thursday's general faculty meeting, following the University Council president's announcement that all future faculty votes will be published.

After the registrar declined to release figures from February's balloting, Dr. Robert S. Gerke, professor of English and MU president of the American Association of University Professors, sent a letter requesting vote publication to President Robert B. Hayes.

Hayes gave the request to University Council, which decided that all future results be released, according to Dr. Sam Clagg, geography chairman and University Council

Committee nominations were made from the audience of approximately 45. The meeting was presided over by Clagg, a change from former policy which called for the university president to conduct meetings.

Nominees for the Student Conduct and Welfare Committee are Lenie Hill and Leo V. Imperi, associate professor of music. Dr. Robert F. Maddox, associate professor of history, was nominated again for the Faculty Service Committee.

Frank Riddle, Carl S. Johnson, assistant professor of curriculum and foundation, and Dr. Claire F. Horton, assistant professor of sociology and anthropology, have been nominated for the Commencement and Honorary Degrees Committee. The committee has three openings.

Athletic Committee nominees are Charles V. Bias, assistant professor of history; Dr. Tony L. Williams, associate professor of education, and Dr. George J. Hill II, professor and chairman of surgery. Dr. Mary E. Marshall, assistant professor of health, physical education, and recreation, and Dr. William S. Westbrook, associate professor of sociology, were nominated again for the committee, which has two

Dr. C. Robert Barnett, assistant professor of health, physical education, and recreation; Elizabeth R. Barker, assistant professor of nursing education, and Dr. Hymen H. Hart, associate professor of English, were nominated for the Public Relations and Publications Committee. Dr. Carolyn Karr, associate professor social studies, was nominated again for the committee, which has three openings.

Dr. Richard O. Comfort, professor of sociology and anthropology, was renominated for a two-year term on the Memorial Student Center Board. Dr. Robert P. Raus, division head of recreation, and Belen D. Sultan, assistant professor of nursing, were also nominated for the posi-

Nominees for representative to the Advisory Council of Faculty are Dr. Sam Clagg and Dr. Francis K. Aldred, professor of

There also were 19 nominations for 13 openings on the Hearing Committee.

Dr. Simon D. Perry, political science chairman and University Council representative, gave a progress report on the faculty senate plan. "We have agreed on several things, including senate functions and attachment of standing committees to senate, but we still have a lot of work to do," he said. "We won't be able to meet the April

Senate accomplishes most goals—Norton

By CINDY MARTIN · · · Reporter

Student Senate has come a long way during the past year, according to outgoing senate president Donna E. Norton.

But, she said, it has a long way to go. Norton, Huntington senior, reviewed the senate's accomplishments of the past year as "very good. But I also agreed with Rick Ramell (former student body president) when he said Student Government has reached a pivotal point. This senate has laid a good groundwork. It's up to the new senate to go on and build on it."

Senate accomplished many of its objectives this year, as well as taking on some added projects. Among those goals which senate fully reached were the Book Exchange, a guide to administrative offices on campus, and establishing an off-campus housing office.

Some goals will be carried on into the fall These include purchasing typewriters for all residence halls, working on a system of faculty evaluations, and working on an honor code for Marshall

Senate supplied monetary help to many campus organizations during the year, but Norton said she hopes the senate doesn't become "a bank account for campus organizations. I feel that setting objectives is the best method of accomplishing things for the senate."

Norton also said she was very pleased the senate took on some harder projects during the year, such as organizing the bus trips to the Miami of Ohio football game, and the MU-WVU basketball game.

"Those two trips really went well, and I think we saved the students who participated some money," she said. "The trip to Miami wasn't as successful as the WVU trip, because we had never organized something like that before. We learned from our mistakes, and the WVU trip was much

Setting up a faculty evaluation system was Norton's personal objective for the semester, and she said progress was made towards the goal. "There is no set system for evaluating all faculty members at MU. By writing different universities and researching how they evaluate teachers, I hope we can look at their methods and create our own system. "I really hope the senate carries on with this objective because I think it's important, and I'd hate to see it all go to waste," she said.

Senate also organized the first banquet to recognize representatives from student organizations. Norton described the banquet as a success which she hopes to see carried on in the following years.

Proposal submitted to establish interdisciplinary honors program

A proposal to establish an interdisciplinary honors major at Marshall was submitted Tuesday to the Academic Planning and Standards Committee for ap-

The proposal was first submitted to the committee two years ago by Dr. Clayton L. McNearney, director of the honors program and associate professor of religion.

McNearney said the program would allow honors students to select a committee of faculty to help in establishing a major and requirements on a contract basis. He said this would afford the above-average student with the opportunity to "tailor-make" his or her course of study.

A program of this nature would have a two-fold purpose, he said. It would help in the recruitment of students in the area, he said, adding that superior students don't think of Marshall as providing a superior education now. It would also help in recruiting students already at Marshall into the honors program.

If the proposal is approved, it would increase the number of seminars offered to honor students, increase the number of faculty involved to 12, and increase the number of quality students attracted to the program, he said.

A strong honors program existed in the late 60s and early 70s at Marshall

McNearney said, but has since "fizzled out," adding that "right now we do not attract the best students." He said the first decision to be made is whether Marshall needs this type of program. "After that, the rest of the questions are academic.'

In terms of funding for the new program, he said it would involve the cost of 12 parttime faculty salaries, a secretary, an office and office equipment. He said he didn't have any exact figures on projected cost, but added, "It will certainly cost less than \$43,000 for Astroturf."

The committee will meet again on Tuesday to discuss the proposal.

Marshall have that part of history living

Friday

Cold...again

Think warm weather is here to stay? Guess again!

Light snow was predicted for Thursday night with little or no accumulation, according to the National Weather Service. However, the snow should turn to rain by this morning as the temperature rises to a high of 45. Probability of precipitation is 40 percent today, dropping to 10 tonight.

After a Friday night low of 25, Saturday will be sunny with a high in the mid-50s.

Old Main Auditorium: age causes problems

By RANDY RAMSEY Reporter

Old Main's Auditorium might bring fond memories to some MU students and faculty, but to many others the memories are anything but pleasant.

The auditorium in Old Main, where "Man of LaMancha" is being presented through Sunday, is out-dated and causes many problems to MU students and faculty using the facility, said Dr. Elaine A. Novak, professor of speech and director of MU's

The Auditorium has many limitations not only in its structure but in design, she said. It is set up so people must enter through the side instead of the back, she added.

There are many faults with the structure of the auditorium, according to Novak. These include very little back room on the stage, bad dressing rooms, poor restrooms, and steep steps leading from the dressing rooms

in the basement to the stage which are very hard to climb in costume, Novak said. "Everything that could be wrong with the facilities are wrong," she added.

The auditorium is a multi-purpose facility which is used for meetings, plays, classes and concerts, she said.

"The stage was built in 1902 and fit the purpose for Marshall College," said Bruce Greenwood, technical director for university theatre and scenic designer; "but now that we are a university it is outdated."

The stage is 19 feet deep and 50 feet wide, he said, but the audience only sees a small part called the procenium, which is 19 feet deep and 33 feet wide.

There have been several proposals for changes in the structure submitted to President Hayes, Greenwood said. "I submitted a plan for a new structure two years ago, but it is still in limbo," he added.

After Saturday's Marshall Invitational men's track meet. Thundering Herd head coach Rod O'Donnell may well be asking, "what's in a name?"

Because despite the fact that the competing schools are not commonly recognized powers, O'Donnell says they'll make the meet a "good, hard, competitive"

"It's a good field," O'Donnell said. "Every school has some kids that can score. It's not unbelievable competition, but it'll be tough."

Four teams from Ohio, three from West Virginia and two from Kentucky comprise the nineschool field.

Malone, Rio Grande, Wright State and Cedarville are the Ohio teams, while MU, West Virginia State and West Virginia Tech represent the Mountain State. Morehead State and Ashland College are Kentucky-based.

a.m. at MU's track, with the 46.6-second quarter-miler. 10,000-meter run final and the preliminary events. All other finals start at 1 p.m.

Team scores will not be record-O'Donnell said Marshall,

Morehead and Malone will be the meet's best teams. "Morehead is outstanding," he

and year-out." The coach said Malone "could run with anybody.

"They're a very well-balanced team," he said. "They've got someone tough in almost every

O'Donnell said two West Virginians, Griffithsville native Dave Bowman and Charleston sprinter Bobby Jones, are among

Morehead's top performers. Bowman has run a 4:10 mile, while Jones has done 100 yards in 9.5 seconds and 100 meters in

Sprinter Phil Smith and weightman Bob Urey are Malone's "aces," according to O'Donnell.

Smith has run a 10.6-second 100-meter dash and Urey has thrown the disc 170 feet.

O'Donnell said Urey's discus toss is the best Marshall's faced said. "They're just tough year-in this season.

> "I'm real happy with the progress the team's made," he said, adding that he thought the squad had recovered from last winter's lack of conditioning "as well as anybody else has."

> O'Donnell said it was decided not to record team scores to attract more teams. But, he said the ploy didn't work. "Sometimes schools will send

part of their team to one meet, and part to another," O'Donnell said. "But, they didn't do it, so next year we're going to recom-O'Donnell also singled out the mend that we score it again."

Bowlers tune up for tourneys

both men and women bowlers.

The Southern Intercollegiate remaining players to complete beginning Friday, will be the last conference tournament for seniors Randy Erwin and Linda select the coaches, the trainers, Ray. The two bowlers will graduate in May.

For the women, this will be the final tournament before the Pabst National Collegiate Bowling Championship April 26-29, in Milwaukee.

Approximately 70 teams will be competing in the SIBC tournament. The conference is divided into divisions and the champions of each division will bowl against

This weekend's bowling tour- each other in nine games Friday and three doubles games.

All of the teams will be winnig the tournament are real competing Saturday and Sunday, good," Coach Ken Pemberton Bowling Conference tournament with each person bowling three said. "It will be a very good games, three individual games warm-up for the nationals," he

VMI baseball team to host Herd

Virginia Military Institute will provide the opposition for the Marshall baseball team this weekend. The Herd and the Keydets will square-off in a 1 p.m. double-header in Lexington, Va.

The two teams are on opposite ends of the Southern Conference baseball standings, V.M.I. is yet to win its first SC game, while MU is currently leading the conference at 9-1.

MU head coach Jack Cook will have his aces pitching in both games against the Keydets. Albie DeYoung, Passaic, N.J., senior, and Greg Rowsey, Huntington senior, will share the pitching

against Morris Harvey and Rio

This weekend's matches will be good practice for the Southern Conference tournament, tennis coach Bill Carroll said.

"Although we won't be playing against the same caliber of opposition we will at the tournament," he said, "it is always good just to play other teams."

He said the secondary is the
