Second English-Sung Opera Appearing Here

MEMBERS OF THE NBC OPERA COMPANY are shown in a scene from Verdi's "La Traviata," to be presented Monday, November 25, at 8:30 P.M. at the Keith-Albee Theatre. The production will mark the fifth Artist Series presentation this year. The opera will be given in English by a company of 100, including a 40-piece orchestra. Students may obtain tickets on Thursday and Friday, November 21-22, in the corridor of Old Main.

'Rivalry' At Keith Tonight

"The Rivalry," the Paul Gregory production starring Raymond Massey, Agnes Moorehead, and Martin Gabel, will be presented tonight at 8:30 P.M. in the Keith-Albee Theatre as the fourth Artist Series presentation of the year.

The play, written and directed by Norman Corwin, is the story of the debate between Abraham Lincoln, an obscure Illinois lawyer, and Stephen A. Douglas, the great orator and expansionist. The issue of the debate was slavery and its expansion. Douglas favored slavery as a method of extending the frontier, but Lincoln opposed it as a violation of the morals of the nation.

Raymond Massey appears as Abraham Lincoln, the instigator of the rivalry. Martin Gabel plays the role of Stephen A. Douglas, who opposed Lincoln, and Agnes Moorehead will be seen as Adele Douglas, the woman who stood between the two men.

Both Massey and Miss Moorehead have appeared in a Gregory production before. Massey starred in "John Brown's Body" and Miss Moorehead played in "Don Juan in Hell."

Miss Moorehead gained nationwide recognition for her role in the movie, "The Magnificent Ambersons," for which she received the Academy Award nomination for the year's supporting performance. She also was given the New York Critics' Award for the best actress of the year.

Massey is famous for his Broadway roles in "The Doctor's Dilemma" and "Candida" with Katherine Cornell. He also appeared in "Pygmalion" with Gertrude Lawrence.

Gabel, although appearing for the first time in a Gregory production, has acted in several Broadway plays including "Will Success Spoil Rock Hunter?" He has co-produced several hit plays and has appeared frequently on the television program "What's My Line?"

The Parthenon's Thanksgiving Vacation Starts A Day Early

The annual Thanksgiving recess, first of the two major first semester holiday vacations for students, will begin next Wednesday, November 27, at 12 noon, according to the College Bulletin.

In observance of the holiday, there will be no Parthenon published either on November 27 or November 29. This is to give the staff a short vacation.

Classes will resume at 8 A.M. on the following Monday, December 2.

The Parthenon will resume publication on Wednesday, December 4, which will be a special basketball issue. That night marks the opening game of the 1957-58 Big Green basketball team against Morehead at Memorial Field House.

This special issue will feature stories about the players, a complete schedule, and picture layout.

Highland Dancer On Convocation Tomorrow

Bruce McClure, Scottish highland dancer, will appear at the convocation program tomorrow at 11 A.M. in the Old Main auditorium, Curtis Baxter, convocation director, has announced. He will present in costume a program of folk dances to bagpipe accompaniment, including the highland fling and the Scottish sword dance.

McClure comes to America for his second visit at the invitation of Ted Shawn, one of the United States' pioneers of the dance, to participate in the silver jubilee of "Jacob's Pillow." He has appeared previously in "The Common Glory" at Williamsburg, and in several programs with Maria Tallchief and Andre Eglevsky.

The Scottish dancer is now observing production methods in New York and Hollywood. When he returns to Britain he will be producer for Scotland's television company. For the past four years he has been principal dancer and choreographer with Howard and Wyndham, well known theatrical producers of Britain.

William Smart, 304 Ninth Street W., will accompany McClure on the bagpipes. Smart, a native of Dundee, Scotland, served in the Cameron Highlanders Scots Army as piper in the Second Battalion.

BRUCE McCLURE, nationally famous Scottish Highland Dancer, will appear with bagpipe accompaniment in a convocation tomorrow at 11 A.M. in Old Main auditorium.

'Traviata' Tickets Issued Tomorrow

By LADONNA CROCKETT

Verdi's operatic masterpiece, "La Traviata," will be performed by the NBC Opera Company Monday, November 25, at 8:30 P.M., at the Keith-Albee Theatre.

The presentation, to be sung in English, will be the fifth Artist Series program of the year. It is one of the six from which students may select the two that they want to attend, according to Curtis Baxter, director of the Artist Series.

December 20 Is Final Day For CJ Shots

December 20 has been announced as the last day students may have their picture taken for publication in the Chief Justice, according to Durward Brewer, Chief Justice editor.

Pictures are being taken free of charge this year for the first time, but students are taking little interest in the project. Appointments are made in the second floor of the Union, and a new time for scheduling of appointments has been made. Appointments are now being scheduled between 8 A.M. and 4 P.M.

Brewer warned that if there are not as many students photographed as anticipated, there would be no more free pictures in future years. The anticipated total of photographs was 2,000. That would be approximately 65 pictures taken a day. Instead, there are only about 50 pictures being taken a day.

"Students who make appointments," said Brewer, "too often don't keep them for various reasons and do not notify us in advance. On the other hand, there are entirely too many students who have made no appointments at all."

Students may obtain tickets tomorrow and Friday in the Old Main corridor from Mrs. Mount by presenting their activity cards to her.

The NBC presentation of the opera appeared on television Easter Sunday as a prelude to its fall schedule of performances in a 57-city tour of the United States. In this version, settings have been shifted and costumes and moods changed to the Gay Nineties.

Delores Wilson, Walter Cassel, and Frank Poretta will head the company of 100, including a 40-piece orchestra.

Miss Wilson will appear in the role of "Violetta." She learned her operatic trade during seven years of study in Italy and has sung in the Metropolitan Opera Production of "Lucia Di Lammermoor," for which she drew curtains calls and an ovation lasting 23 minutes.

Cassel sings in his second NBC tour. His experience includes work in the New York City and Metropolitan Opera as well as many transcontinental tours.

Poretta, winner of an Arthur Godfrey Talent Scouts program, has toured with the New York City Opera Company in "The Barber of Seville," and has sung in the same opera for the Fort Worth Opera Association. He appeared on the NBC-TV presentation of Prokofiev's opera "War and Peace" last season.

President Smith Not Satisfied With Budget

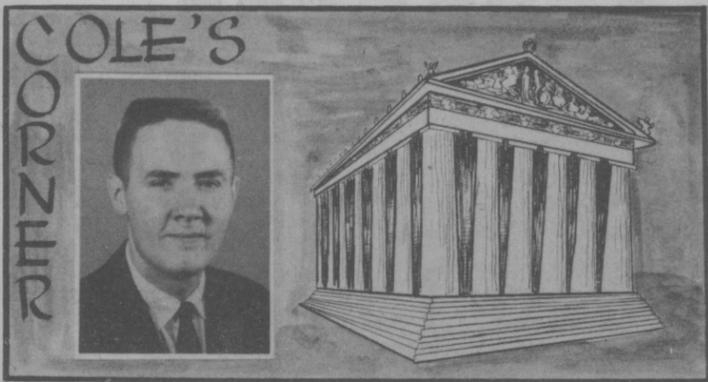

Dissatisfaction with the West Virginia Board of Education 1958-59 capital improvements requests for the college was expressed last week by President Stewart H. Smith.

Specific recommendations decided by the board at its November meeting were made known to President Smith last Tuesday. Only \$178,000 was requested by the board for Marshall improvements. The college had asked for an additional \$1,900,000.

Items approved were repairs to Old Main, \$50,000; repairs to Library, \$53,000; and repairs and renovations of Laidley and Hodges Halls, \$75,000. These amounts are the same as asked by President Smith in his 1958-59 budget.

Struck off the capital improvements list for Marshall were a classroom building including an auditorium, \$1,500,000, and a new men's dormitory, \$400,000.

Noting that the board had approved some dormitory projects and renovations at other state colleges, President Smith said that all Marshall could do would be to try again.

Why doesn't the Senate launch an earth satellite? They could call it Flubnik.

It really wouldn't be too hard a task. The Senate could just follow its ordinary procedure of "legislative action."

First, a committee could be appointed. The committee could write a letter to Vladimir Fookov, the noted satellite scientist and author of "There's A Salt Mine In The Sky," for information on how to build the thing.

Then, with the information half-accumulated, someone could begin plastering the campus with signs advertising the new project and asking for help to carry it out.

(The Parthenon would be willing to step in and help here. At \$.25 per column inch advertising space (reduced rate for senate), we could give it a big play.)

Now would come administration okay. This is always necessary, much as is the pulling of strings to allow movement in a puppet.

Once Old Main had sufficiently watered down the burning aspiration, the altered plan could be eased into the construction stage.

The actual building of Flubnik could be turned over to the freshman class. After all, that takes time and work.

We would suggest that it be built of old campaign planks and powered by a hot air or Foo engine. Since it seems necessary, the crests of the social organization of those senators on the original committee could be painted on Flubnik's bottom.

When finally completed, the satellite could be launched from the Student Government office, preferably on Election Day when no one would be around to be burnt by the hot air. If Election Day was booked, however, it could be held off until 2001 A.D. and shot off to commemorate the beginning of the Honor System.

Once in the air, the satellite could be remotely controlled by the tapping of a gavel in the Senate chamber. It could revolve in an orbit around the tower of Old Main. Flash cards could be mounted in the tail of the thing to spell out "Join the Greenbackers."

Gomflit would be willing to be a passenger in Flubnik, if he could be appropriated necessary funds to cover the cost of dog food.

The project might really have possibilities. That would be a skeleton that could hang in our closet for a really long time. —RCC—

SENATE SPEAKS

By DICK McHENRY

In the shortest meeting of the student senate, which lasted 35 minutes, according to vice presi-
den of the Student Body, Nor-
man Haddad, the following was
approved and passed on Wednes-
day, October 30:

The senate must pass a motion
for more than two pints of blood
to be awarded to a person other
than a faculty or building and
grounds member.

*A petition from Bob Nixon and
Jane Hamill to sell silk screen
services to campus organizations.

Phi Eta Sigma's and Alpha
Lambda Delta's petition to pro-
vide a freshman tutorial system
during the first and second se-
mesters.

The student senate met and ap-
proved the following measures at
their weekly meeting on Novem-
ber 6, 1957:

Senators Carolyn Thabet and
Asa Meadows to obtain guides
for showing UHSP students our
campus after the Bowling Green
game.

The resignation of Gary Adams
from the senate.

Executive committee to check
into a high school visitation pro-
ject for Marshall to send repre-
sentatives to high schools.

Senator Alan Earls appointed
chairman of a committee to study
Homecoming report which is
composed of Senators Windsor,
Lowe, Meadows, and Jones.

The financial report of Joe
Lechiara, business manager.

That a "cease and desist"
should be ordered against John
and Dudley Simms for selling
sweaters on campus.

CONCERT BAND

A concert band is being or-
ganized in the music department
and is holding auditions for all
who wish to join, according to
Thomas S. O'Connell, associate
professor of music.

The band will tour the state
upon completion of a schedule.

Auditions are being held in the
Music building Tuesday and
Thursday at 2 P.M. The band
needs flutists and clarinetists in
particular, said Mr. O'Connell.

Today's Parthenon comes to you over the obstacles of a small scale flood and an electric blackout that caused the staff to have to work by gaslight.

The elements were at odds with the paper Monday night when a terrific downpour of rain caused large leaks in the ceiling of the print shop. The rain seeped through, driving the staff from its working table.

After finding another bench, printing went smoothly until about 8:30 P.M., when the lights went out. As Printer Heber Rife searched for a flashlight, work continued. Proofs were checked, and more of the type was put into the page form.

Then came the fluorescent dawn.

The Parthenon had triumphed over nature and darkness.

RAYMOND MASSEY, one of America's foremost actors, portrays the part of Abraham Lincoln in the new Paul Gregory production of "The Rivalry," tonight at 8:30 at the Keith-Albee Theatre. He will appear in person along with two other well known actors, Martin Gabel and Agnes Moorehead. "The Rivalry," written and directed by Norman Corwin, is the story of the rivalry which existed between Abraham Lincoln and Stephen Douglas. It will mark the fourth Artist Series presentation of the year.

Alpha Beta Alpha Pledges Twelve

Alpha Beta Alpha, library science honorary, conducted pledging ceremonies Sunday, October 27, in the honor council room.

The new pledges are: Patricia Hudgins, Janice Martin, Donna Ramey, Kenova sophomores; Dixie Kelley, Patricia Wallace, Milton freshmen.

Lavoris Jean Pernell, Clarksburg junior; Kathleen Chambers, Huntington senior; Ronnie Tickfer, Barboursville junior; Eleanor Jayne Taylor, Glen Alum sophomore.

Betty Eder, Mount Hope sophomore; Pauline Roberts, Dunbar freshman; Nancy Flanagan, Winona senior.

Two new members were initiated at this time. They are Lola Jean Roush, West Columbia junior, and Shirley Perine, Kenova senior.

A business meeting conducted by the president, Shirley Sue Soto, Beckley junior, followed.

Vending machines may not be placed in classroom buildings or in the library.

Know Your Senate

Alex Lawrence, serving his year in the senate, became president of the senior class upon resignation of John Corns, who had been elected to the post.

The Huntington senate member strongly favored giving the fraternities more time for building their floats and not devoting so much stress to the float's importance. He further emphasized, "I thought that more time should be devoted to pep rallies and other activities to building enthusiasm during the Homecoming weekend."

Alex became a candidate for the senate, "Mainly because I am interested in college activities and I have worked on various committees before seeking office. I felt that having an office would allow me to make a more continuous effort to help in student activities."

The senior president also confided to this reporter that he was told that interest was one of the main qualifications and that he felt that he had this interest.

"What do you believe is the present strength of the senate?" was the next question directed to Senator Lawrence. In reply to this, the senator believed "The senators have the interest and as far as getting things done and having the enthusiasm, I believe it is strong."

The committees which Senator Lawrence aided both before he gained a seat and afterward are publicity and publications, one of the editors on this year's freshman handbook committee, election procedures, and social and entertainment committees.

Woman Watches Game??

What, We Scored . . . Gee . . . That's Wonderful!

By BETTY HARBERT

Well, it's the last game of the season and I'm going to burn up this mouton today . . . Golly, everyone's here . . . I really get a bang out of watching all the fraternities sit together and carry on . . . Look at those PKA's in bermudas . . . You might know they'd be different . . . And there's the KA's with their flags . . . Wonder who those guys in

costumes are . . . Oh, no, not PKA's again . . . They must be from Bowling Green.

Look, Dick, there's Sue and Bruce . . . I hope we get the ball first . . . Look, there goes Curtis with the ball . . . Gee, I'll bet he gets muddy all over . . . They just had their uniforms cleaned too . . . Wonder if Mary came today . . . Gee, they're awfully close to the goal, aren't they . . .

What did you say . . . we made a touchdown . . . oh, gee, that's wonderful . . . I hope we get the extra point too . . . We got it . . . we've got this game in the bag Where was I?

Kickoff time again . . . I think . . . Well, if nothing is going to happen I think I'll look around and see if I missed anyone . . . I think I'll stay here and watch What, half time already . . . No, the band . . . But you can bring me a coke on your way back . . . Boy, the band really looks sharp . . . I wish I'd gone out for majorette now . . . It's time for the second half . . . Wonder where Dick is.

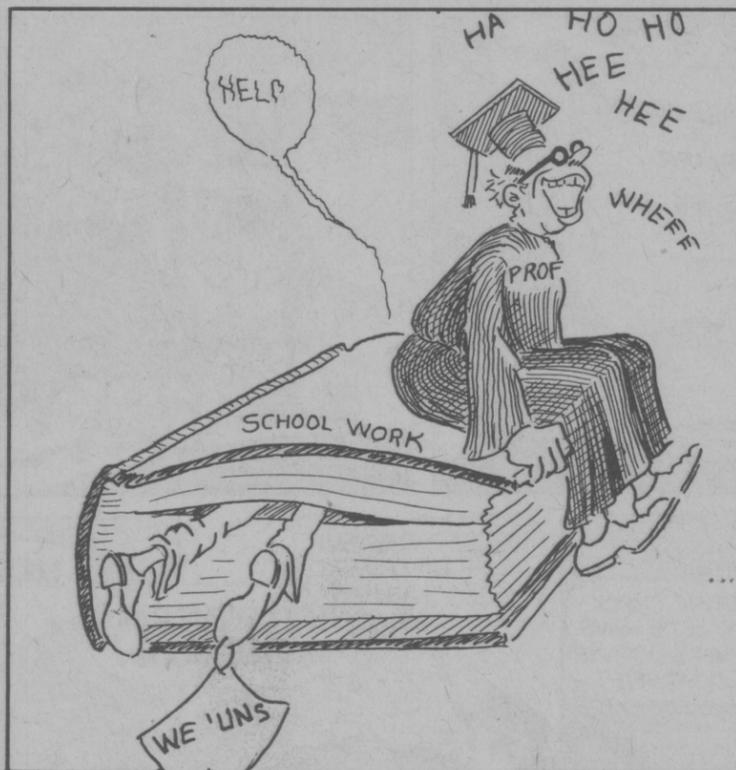

If we can just play ball like this during this half, we'll take the game . . . Just think, Marshall will be second in MAC ratings . . . Maybe we'll get a bid to the Tangerine Bowl . . . I'll get the car and take the girls down . . . I'll have to write mother and dad about it tonight . . . It shouldn't cost too much . . . We could stay at the Alpha Chi house nearby.

What's happening . . . Who's that crossing the goal line . . . Bowling Green . . . No, it can't be . . . They can't make the extra point . . . Oh, well, the game isn't over yet . . . Gee, what's happening to Marshall . . . I thought we had this game won . . . Another touchdown for Bowling Green . . . Three minutes to go . . . We can't do anything in three minutes . . . Oh, well, wonder what I'll wear to the SAE house party tonight.

You want to leave . . . But the game isn't over yet . . . Anything can happen . . . There's the gun . . . Well, that's the end of football season . . . I hope how soon basketball season comes in . . . I enjoy these games so much . . . You say you're never going to take me to one of these games again . . . Of course I know happened . . . We lost 14-7.

Honestly, Dick, you'd think I didn't know a thing about football.

Herd Defeated, 14-7, But Ties For Second Big Green Ends Grid Year With 6-3 Mark

By SAM STANLEY

"But they didn't get the ball."

These were the words used by head manager George Nisbet after Bowling Green rang up a convincing 14-7 victory over the Big Green Saturday at Fairfield Stadium.

If one didn't attend the game or left before it was over, he wouldn't know what George was talking about, but those who stuck it out all the way, knew and took the same view as the former lineman, turned manager by way of injury.

After the Herd was whipped good in the second half by the dethroned Falcons, Nisbet had the game ball tucked under his arm and was talking to the Falcons' place-kicking specialist, Chuck Perry. Perry and Nisbet both hail from Logan and during their conversation a Falcon player plucked the ball from George's arms and went scurrying to the dressing room.

Nisbet, with orders from Royer, went after the ball but was temporarily delayed by some Falcon players who threw a couple of good blocks on "Big" George. But "The Tank," as the players call him, was not to be stopped and when the rest of the Herd squad went to assist George the ball was returned.

Royer remarked after the game that, "We had to give the ball back at Toledo, so we were using the same practice. We'll send Bowling Green the ball if they want it bad enough."

As it ended, Coach Royer chalked up his first winning season on a losing note. After winning the first six games, the Herd lost its last three to Xavier, Miami and Bowling Green. But its 4-2-0 MAC mark was good enough for a second place tie with the Falcons whose conference mark was 3-1-2. A tie counts as a half game won and a half game lost.

The Big Green started out in grand fashion against the Bee-Gees. After the Herd had gained a first down after the opening kickoff, Bob Wagner faded back to pass from mid-field. He caught Cable Curtis in the open on the ten and Cagle slipped and stumbled the remaining yards for the touchdown. Jim O'Conner then kicked his 11th extra point in 13 tries this season to give the Herd a 7-0 lead.

The score remained the same throughout the remainder of the first half in which both teams threatened at least once.

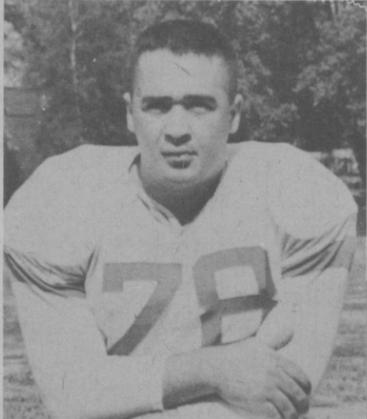

The Falcons came right back after the Herd touchdown and marched all the way to the eleven on the ground and then took to the air where the Herd batted down three straight passes and took possession of the ball.

The Herd had two other chances themselves in the first half. Co-Captain Jim Simpson intercepted a pass in the second period and to everyone's amazement he bulled his way 75 yards for what he and most of the crowd thought was a touchdown.

However, he stepped out of bounds back up on his own 36 yard line and he ended up with an eleven yard gain.

Another time in the second period the Big Green had a first down on the Falcon's nine, but Wagner had a pass intercepted on third down and the Herd lost the ball.

The Falcons came back strong in the second half and kept the Green in the hole at all times. The Falcons marched inside the

GEORGE NISBET
In his playing days.

Marshall twenty after the second half's opening kickoff where the Herd line held. Curtis kicked out and the Falcons came storming back and scored on a fourth down pass from Don Nehlen to Vic DeOrio from six yards out.

Perry's kick was good and the score was knotted at 7-7.

The Falcons kept punching away at the Marshall team and got another march under way mid-way in the final period. The Big Green defense turned to rock when the Falcons came close and halted the drive on the 12-yard line.

But fate was for the Falcons, for on the first play a Wagner to Curtis handoff was fumbled and the Bee Gees recovered.

Three plays later halfback Hal Furcron went over from the six and after Perry's second straight conversion the Falcons had a 14-7 win and a second place tie in the MAC.

Bowling Green completely dominated the statistics. They led in first downs, 17-5, and in rushing yardage, 240-64.

First Period Fumbles Fatal To Frosh, 26-14

"Outside of that first quarter we looked good, but those two fumbles inside our 20 yard line set them up," said Coach Bill Chambers about Saturday's contest between the freshmen and Greenbrier Military at Lewisburg.

Greenbrier trimmed the little Green, 26-14, and two of the Cadets' three first period touchdowns came as a result of freshman fumbles.

"Actually," Chambers continued, "we outplayed them in the last three quarters."

And the line score shows it. Greenbrier took a 14 point lead in the first period and tallied one time in each of the second and fourth quarters.

The little Green scored both its touchdowns in the final stanza.

"The mud didn't help us any," said Chambers. "Meredith's passing would have gone much better on a dry field and as it was he passed for one touchdown."

"We were definitely improved over last week. Kenny Parsons was running well and Ron (Tags) Meredith did his usual good job at quarterback. We ran Vic Quinet at fullback

Royer Edged By Baisi In Vote For Year's State College Coach

This time last season the main topic of discussion on campus and downtown Huntington was whether or not Coach Herb Royer would stay on here as head football mentor.

Monday, after his Green and White clad gridders had completed a winning season with a 6-3 record, Royer was voted second place in the race for the State College Coach of the Year.

Coach Royer was edged out by Neal Baisi, basketball coach of West Virginia Tech, in the balloting by 34 members of the West Virginia Sports Writers Association.

Should Coach Royer have been named to the coveted position it would not have been his first.

He was voted the award in 1948 after his West Virginia Tech team went undefeated, 9-0-1.

Since he came here in 1953 Royer's teams have compiled a not-too-impressive 18-25-2 record.

However, it was on the strength of this season that sports writers based their voting.

The Green wasn't figured to win more than four, or at the most five of its games this season. They disproved the pre-season guessers right down to the wire by running up six straight wins and were in the race for the Mid-American Conference crown up until the next to last game.

Looking back on the season it is evident to everyone that the men of Royer came a long way.

Coach Royer said that the team made a lot of strides but that there was still a lot of room for improvement and he and his staff are the first to admit it.

The winning coach, Neal Baisi, guided his team into the national spotlight last season with a 21-3 record and an amazing 103.7 scoring average over the past three years which includes 71 games.

The Golden Bears were State Conference champs last season and won four tournaments.

EVERGREEN BALL

Alpha Sigma Alpha sorority and Alpha Sigma Phi fraternity will have their Formal Evergreen Ball Saturday, November 23, from 9 P.M. until 1 A.M., at the Georgian Terrace Room of the Hotel Frederick. Chaperons will be Mr. and Mrs. George B. Corrie and Mr. and Mrs. A. M. Foose.

"I don't want to take anything away from Greenbrier. They were definitely a well organized ball club. They were busting us all the time. Another thing, this was their eighth game and they were undefeated."

"They surprised us by using what is called a 'belly series.' We weren't expecting this and didn't get adapted to it until the second half."

"I wasn't disappointed in our showing. We've got some boys that will definitely help the varsity next year."

The frosh got its first score on a 45-yard pass from Meredith to Quinet and Meredith scored one himself when he passed to Quinet, who promptly lateraled back to the little quarterback on the four from where he went over. Parsons added both extra points.

Ted Denby and Walt Rappold were the big guns for the Cadets. Denby scored twice, once on a run and once on a pass from Rappold. Rappold himself ran for one. Johnny Johnson added the other Greenbrier TD on a run.

Cagers Finally Get Floor

It's off to Memorial Field House for Coach Jule Rivlin and his Big Green cagers.

Since this past Monday, the 1957-58 edition of the Big Green basketball team has been working out in Memorial Field House and they will continue to do so until the first game of the season with Morehead, December 4.

"We'll have to find our legs again," said Rivlin.

"There is a big difference between practicing in our gym here on campus and working in the field house. We'll have to pace ourselves and work up to our game rate of speed.

"We've got a lot of work to do between now and the opener. This means that we will have to work out every day between now and December 4 except Thanksgiving day (November 28).

"As for scrimmage, I don't see how we can get one in until Thursday at least. We're in no condition to scrimmage now, however, we should be by then."

Other than the regular scrimmage sessions, Rivlin hopes to give fans and students a look at the Big Green sometime before the opener with a varsity-freshman game.

However, he is still uncertain about this contest and does not care to release time, place or date until he is certain that the game will be played.

Another bright spot loomed on the scene as Riv' smiled and said that 6-5 center Dick Hall's ailing hip was OK.

The lanky junior center candidate from Clarksburg had been bothered by a bruised hip last week and the week before. He was being forced to ease up in practice because of the ailment.

The hip did not respond to treatment after the first week and was becoming a mystery to both Hall and Coach Rivlin. All that could be said about it was what Hall himself said, "It just hurts."

TESTS NOT FILED

"Due to circumstances beyond our control, the filing of semester tests in the library have not as yet been made," according to Frank J. Bartlett, dean of arts and science college.

Dean Bartlett continued, "there are many problems to be worked out and as of the present time, I've been unable to work out all the details with Harold Apel, head librarian."

D. Banks Wilburn, dean of teacher's college, was unavailable for comment on the filing of the tests.

According to Morie H. Smock, dietitian and manager of the cafeteria, there has been a ten per cent increase in the number of students eating in the cafeteria over 1956-57.

Industry Class Hears Armco Metallurgist

Industrial Orientation 320 will hear Mr. Stanleigh F. Elam Supervising Metallurgist at Armco. He will speak on chemical methods used in the production of steel Thursday, November 21, in Room S-313. Mr. Elam is a member of the Phi Gamma Delta social fraternity, a member of the Alpha Chi Sigma and Kappa Kappa Psi honorary fraternities.

Mr. Elam was employed by Armco in miscellaneous positions during the summer months while attending Georgia Tech. Immediately after graduation, he came to Armco on June 19, 1941 as a junior observer in the Metallurgical department. Since that time he has advanced through the following positions: junior and senior metallurgists and promotion to supervising metallurgist, the position he now holds.

Mr. Elam is a graduate of Georgia Institute of Technology, 1941, and has his B. S. in Chemical Engineering.

Enrollment in the Teachers' College in 1947 showed 384 men to 480 women registered, which is in line with the national trend for the teaching profession.

ROTC Riflers Edge Cornell

The college ROTC rifle team defeated the ROTC rifle team of Cornell University, 1773-1663, on the college range in its first match this year.

Anthony Cassinelle and Richard Garretson were the medalists for the locals with 367 each out of a possible 500.

Also scoring for the Marshall team were James Anderson, 353, John P. Killoran, 345, and James E. Lambert, 341.

Master Sergeant George R. Sease's team will go against Colorado College in its next match November 23.

The way these matches are carried out, the ROTC unit here fires on campus, and the opponent fires at its range, then the teams mail the results of their firing and the scores are compared.
