# Welcome Mat Is Rolled Out For V. I. P's

Welcome, parents of Marshall students! The Parthenon hopes that you will enjoy your two-day visit and that you will return home convinced that our university is a fine educational institution.

Tomorrow and Sunday mark the third annual Parents' Week-End at Marshall. About 1,000 mothers and fathers are expected on campus and they will find that a great deal of planning has gone into the preparations—by both the administration and the students. The director of Development and Alumni Affairs, John Sayre, and countless others have put in

many extra hours to make the weekend a success.

While the parents are touring the campus, meeting the faculty, and witnessing the many events, they might keep in mind these words by Mr. Sayre:

"Every institution of high education has some important constituencies and one of these is certainly the parents of our current students. It is important that we keep parents aware of the campus and the program there. By far the best way to do this is to have them come in and see first hand what the University has to offer.

"We find that when parents have visited the campus for such a weekend, they generally leave with a much warmer feeling toward the institution. State institutions should particularly be concerned with better informing parents so they will have better understanding of the needs of high education which they can in turn convey to their home county legislators.

"It is not until the majority of the adult population of any given state really becomes aware of and concerned about the needs of high education or education in general that we will realize the type of educational systems being demanded in this modern age."

MARSHALL UNIVERSITY STUDENT NEWSPAPER

Vol. 61 HUNTINGTON, W. VA. FRIDAY, MAY 11, 1962 No. '65

## New Military Science Head Named; Colonel Ariail Assigned To Germany

The appointment of Maj. Patrick H. Morgan as professor and chairman of the Military Science Department has been announced by President Stewart H. Smith.

Major Morgan will report for duty on June 15. His previous assignment was as assistant logistics officer for the 7th Infantry Division in Korea. He replaces Lt. Col. Thomas M. Ariail, who has been assigned to United States Army Forces in Germany, after serving four years as head of Marshall's ROTC detachment.

Concerning his stay at Marshall, Colonel Ariail had this to say:

"My family and I will sincerely hate to leave our friends in Huntington and at Marshall University, our students and the fine military instructor group that I've been privileged to lead as Professor of Military Science at Marshall for the past four years. One cannot live for four years in such a warm, friendly community as Huntington, and be a part of a great university as Marshall and not become attached.

"It has been a wonderful experience to be associated with the many fine men and women of the university administration, faculty, staff and the community, and to have had their full support of the Military Science program. This support is appreciated, and I'm confident it will continue in the years to come.

"All students of Marshall will long live in our hearts and memory for they are as fine a group as we have known, even if at times it appeared that we showed some small amount of partiality to our favorite group, 'The Marshall University Battle Group.' We hope that Marshall will continue to grow in strength, stature and achievements as it has in past years.

"We are proud we were here when university status was achieved and hope that we may be considered at least 'adopted Sons and Daughters of Marshall University and the City of Huntington.'"

MAJ. PATRICK MORGAN  
... Takes Charge June 15

LT. COL. THOMAS ARIAIL  
... Leaving After 4 Years

## Dr. Wotiz To Take Over Reins On June 1 As Dr. Scholl Quits

Dr. John H. Wotiz, senior group leader at Diamond Alkali Company's Research Center in Painesville, Ohio, will become Chemistry Department chairman on June 1.

Dr. Wotiz will replace Dr. Allen Scholl, whose resignation becomes effective on that date. Dr. Scholl has been department chairman since 1948.

From 1948 to 1957, when he joined Diamond Alkali, Dr. Wotiz taught chemistry at the University of Pittsburgh. The Czechoslovakia-born chemist, who obtained American citizenship in 1944, obtained his B.S. from Furman University in 1941, the M.S. from the University of Richmond in 1943, and the Ph. D. from Ohio State University in 1948. From 1944 to 1946, he served as an Army lieutenant in the Chemical Corps.

After being introduced to the faculty of the College of Arts and Sciences, Dr. Wotiz told The Parthenon:

"We would like to become a research-orientated department because it will improve the quality of our staff and our students at both the undergraduate and graduate level. I would like every staff member to be active in research or consultation with industry in the area."

Dr. Wotiz pointed out that Charleston lacks a graduate school in chemistry and that quite a few of the chemists in that area study at Marshall.

"We want to explore how Marshall and the chemical industry in our area can complement each other's needs," he said.

DR. JOHN H. WOTIZ  
... Research-Orientated

"We shall attempt to set up a curriculum that shall strive for proper balance of academic courses and applied instruction."

Married and the father of three children, Dr. Wotiz has done research in acetylenes, polyacetylenes, allenes, organometallic compounds, infrared spectroscopy, organic syntheses, proof of structure, and mechanism of reaction. He is a member of the American Chemical Society, Sigma Xi, and Phi Lambda Upsilon.

## Parents' Week-End Events Listed

By PATTY POLISKEY  
Managing Editor

The third annual Parents' Week-End begins tomorrow at noon when nearly 1000 parents are expected to arrive on campus. They are to register by noon at the 16th Street entrance to Old Main when they will be given name tags and placed in a tour group.

Events planned for the visitors include a "meet your faculty" reception, a Maypole Dance, presentation of "South Pacific," campus tours, church services, a dance and the Mothers' Day Sing.

When the parents register they will have the opportunity to purchase tickets for the Saturday evening meal at the University Dining Hall and tickets for the College Theatre production of "South Pacific."

Saturday afternoon events include the "Meet Your Faculty" reception from 12:15 to 2:30 p. m. in the Student Union. The ROTC awards program is scheduled for 3 p. m. and the Maypole Dance will begin at 4 p. m. in front of Laidley Hall dormitory.

"South Pacific," one of the highlights of the weekend, begins at 8 p. m. tomorrow in Old Main Auditorium. Tickets will be available at the Alumni Office until noon and will be sold at the door tomorrow night. As some parents have been able to see the play on other nights, the doors may be open to the public. However, there will be general admission tickets only.

Parents are also invited to attend a dance in the Student Union after the play. John Sayre, director of Development and Alumni Affairs and administrative coordinator of the Parents' Week-End Commission, announced that the Joe Avis Band will supply music. The combo is being furnished through the courtesy of the local musicians' union. This dance is open to students.

Church services are scheduled from 9 to 10:30 a. m. Sunday

morning. The annual Mothers' Day Sing will follow lunch at 1:30 p. m. on the intramural field between the library and the Women's gymnasium. The Mothers' Day Sing is presented by the Panhellenic Council and the InterFraternity Council.

The seven fraternities and six sororities will be competing in the annual Sing. Awards for the first and second place winners in both the fraternity and sorority division will be made afterwards.

During the period between the Sing and the judging, Omicron Delta Kappa, men's leadership honorary, will have the annual ODK awards assembly.

Harold T. Murphy, instructor in Spanish, will be in charge. Various departments and organizations on campus will present plaques, certificates or other types of recognition awards for persons outstanding in a particular field.

Organizations to give awards are:

The Robe, an award to the outstanding athlete of the year; Debate Society; Journalism Department; Art Department; History, an award by the West Virginia Society of the Colonial Dames of the seventeenth century; Phi Eta Sigma, freshmen men's scholastic honorary.

Music Department; Kappa Omicron Phi, home economics award; West Virginia Dietetics Association, an award of \$100 to an outstanding home economics student; Chi Beta Phi, science honorary; Pi Sigma Alpha, national political science honorary.

Cavaliers; Delta Zeta, award to the Delta Zeta of the year; Alpha Beta Alpha, library science award, and Alpha Lambda Delta will award a book to the student with the highest cumulative average for the past seven semesters.

Sorority houses, fraternity houses and dormitories will be open for visiting parents after the awards program. This will wind up the activities of Parents' Week-End.

**Robe Fraternity Selects Pledges**

NEW PLEDGES of the Robe, men's leadership fraternity, have been selected. They are (first row, from left) Don Smith, Charleston junior; John Cash, Huntington junior; Bill Cyrus, South Charleston senior; Carroll Hoffman, Red House junior; (second row) Bob Duckworth, Vienna senior; Jim Kinkead, Huntington senior; David Todd, Huntington sophomore; Ken Gainer, Charleston sophomore; John Bennett, Washington, Pa., junior; (third row) Fred Charles, Huntington sophomore, and Shannon Wyant, Hinton sophomore. Absent from picture are Jim Jones, Huntington junior, and Art Keyser, Huntington senior.

**Professor Fors To Lead Students On A Travel-Study Tour To Spain**

Spanish civilization and conversation on the spot will be in order for students enrolled in one or both Spanish travel-study courses offered this summer, according to Juan C. Fors, chairman of the Spanish Department.

A maximum of 15 students plus Professor and Mrs. Fors will leave New York City July 18 on the "Queen Elizabeth" for a 37-day tour, visiting France, Spain, and Portugal. Cost of the trip, from New York to New York, is \$1,298, all expenses paid. Students who are interested should make arrangements with Professor Fors.

This will be the equivalent of one summer school session, Professor Fors said. Anyone may enroll in the three-hour Spanish civilization course, he said, but only those who have had Spanish 204 or the qualifying test may enroll in the three-hour conversation course. Professor Fors pointed out that the travel and study may be used to renew teaching certificates.

JUAN C. FORS

The group will spend five days in Paris, then fly to Barcelona, Spain, where they will stay four days, then on to Palma, on the island of Mallorca, for five days, to Madrid, four days, then by special bus to Seville, Granada, Cordoba, Salamanca, and Merida, and then to Coimbra, Portugal, and Lisbon, where they will spend four days. From Lisbon they will fly by jet to New York, arriving August 24.

Professor Fors will lecture on civilization; Mrs. Fors on art and architecture. This is the second year in a row for this new series of trips, according to Professor Fors, who said that before last year trips had been made to Mexico and Spain. The itinerary differs this year from last by touring Portugal, instead of France.

**Major Morgan Is ROTC Head**

(Continued from Page 1)

Marshall's new ROTC commandant attended North Carolina State College, graduating in 1942 with a B.S. degree and an ROTC commission in the U. S. Army Reserve.

Called to active duty immediately after graduation, Major Morgan was stationed at Bard College (N. Y.) and Long Island College of Medicine. He served with Infantry Replacement Centers at Camp Croft, S. C., and Camp Livingston, La., before joining the 43rd Infantry Division in Luzon in 1945. He served in the Military Government Section of the Army of Occupation in Japan until 1946, when he returned to civilian status.

Major Morgan was recalled to active duty in 1950. He served with the 8th Division, Ft. Jackson, S. C., until 1951, when he went to Camp Drake, Japan.

In 1959-60, Major Morgan was personnel officer of the U. S. Army Personnel Center at Ft. Dix, N. J., and in 1961 was assigned to the 7th Infantry Division in Korea.

Question: Do you have any special way of studying for final exams?

Jud Gibson, Hurricane freshman.

It all depends on the type of course and the type of exam. It's better to allow yourself plenty of time and not to cram.

Stan Boose, Huntington senior.

Yes, I do. If they're not crammed into the first couple of days, I try to start studying a few days before each exam. I always try to absorb the material instead of memorizing it. A good night's sleep helps too.

Joan Raspillaire, South Charleston sophomore.

Yes. Usually I gather all the material on which the exam will cover and start studying and memorizing. I'm just the same as everyone else, I cram for exams also.

Ken Kirkpatrick, Scott Depot senior.

No. I try to keep caught up on everything through the semester

Gibson

Kirkpatrick

Raspillaire

Boose

and then, when finals come, it's not too rough. It can still mean pretty late hours if they are all early in the week.

**Oriental Meal For 5 Friends Is Served By Exchange Student**

By WANDA PAUL CUMMINGS  
Teachers College Journalist

Hiroko Ishihara, a Japanese exchange student from Gifu, Japan, prepared and served a Chinese meal recently for five at the home of David McWhorter, Huntington junior. The guest list included: Grace Barrett, senior; Florine Dooley, junior, David McWhorter; and Charles and Wanda Cummings all of Huntington.

Miss Ishihara came to the United States in 1960, and attended Penn State University.

The Chinese dinner was completely prepared by Miss Ishihara. The menu included: sweet and sour pork, egg foo yung, shrimp, fried rice and Chinese tea.

She spent two hours preparing the meal. All the ingredients were purchased in Huntington with the exception of some Japanese dried mushrooms, which were sent to her by her brother.

After the dinner slides were shown of Japan, England and Penn State University.

Miss Ishihara is making her residence with Mr. and Mrs. Paul C. Pancake, 1440-5th Avenue.

**CHIEF JUSTICE EXPECTED**

The Chief Justice is expected to arrive on May 18. According to Mr. Frank E. Spear, director of the Information Service, the books are at the bindery now. More information and plans for distribution will be announced in next Wednesday's Parthenon.

**ROTC Cadets Plan Battle Strategy**

BATTLE GROUP CADETS assume 'Beetle Bailey' type positions in preparing for their next tactical problem. Cadet Capt. Daniel Tweel, (left) and First Lt. Conrad M. Ross, both Huntington seniors, enjoy a quiet smoke and relax during the Camp Arrowhead outing last weekend. Cadets attending the sessions enjoyed both military instruction and planned recreations periods.

**MU Cadets Get Ready For Camp**

A preparatory two-day training session for approximately 30 Marshall Battle Group cadets was held last weekend at Camp Arrowhead.

The two-day session was arranged to give the third-year cadets an idea of what would be required of them during their scheduled six-week summer camp to be held beginning June 15 at ervation at Harrisburg, Pa.

During the preparatory session, the cadets were instructed on physical training, offensive and defensive tactics, day and night reconnaissance problems, handling of weapons and bivouac procedures.

All phases of military training were covered during the Camp Arrowhead outing including lectures, practical work, recreation and dining military style. The cadets also put in some time on KP and area police work.

The camp command staff consisted of Cadet Col. Paul A. Beckett, battle group commander and Huntington senior, camp instruction procedures; First Lt. J. D. Newman, Huntington senior and general camp administrator; and Lt. Col. Robert L. Helvey, Charleston senior and camp headquarters commander.

During the summer camp at Indiantown Gap, the cadets will be instructed in care of casualties, map reading, tactics, field fortifications, camouflage and the mission of the armed forces.

FIRST LT. STANLEY SMITH, St. Albans, senior, displays attire and tactics used by cadets for day reconnaissance work.

**Pershing Rifles To Enter Meet**

The Pershing Rifles Drill unit of Marshall University will attend the 1st Regimental Drill Meet at Columbus, O. tomorrow. The meet, which is an annual event, is to be staged at Lockborne Air Force Base in Columbus. The participants will compete in fancy drill, precision drill, and individual man competition.

Other schools participating in the meet are West Virginia State College, Eastern Kentucky State College, University of Kentucky, Ohio University, John Carroll University, Youngstown University, University of Akron, Ohio State University, Bowling Green University, Toledo University, University of Dayton, University of Cincinnati, and Kent State University.

APPLICATIONS AVAILABLE

All students who wish to be freshmen guides next fall should pick up applications today through May 26 in the registrar's office or from Paul Collins, administrative assistant and director of Adult Education.

## PIKE DANCE SLATED

Pi Kappa Alpha will have a party in Rotary Park at 8 p.m. tonight. Their annual Dream Girl dance will be held tomorrow night at the Governor Cabell Hotel, beginning with a dinner at 6:30 p.m.

## DORM LISTS OFFICERS

University Hall, women's dormitory, has elected officers for the coming year. They are, president, Shirley Campbell, Corton junior; vice president, Ruth Ware, South Charleston sophomore; secretary, Kathy Popp, Thorpe sophomore, and treasurer, Barbara Strickland, St. Albans sophomore.

## SPAGHETTI DINNER SET

Tau Kappa Epsilon fraternity will sponsor a spaghetti dinner from 2-7 p.m. Sunday, May 20. The admission will be \$1 for adults and 75c for children. The public is invited.

## OFFICERS ELECTED

Alpha Sigma Alpha sorority has elected officers for the coming year. They are, president, Sara Lipscomb, Barboursville sophomore; vice president, Lenora Crabtree, Huntington junior; corresponding secretary, Ann Donahue, Huntington junior; recording secretary, Barbara Loudon, Dunbar junior; chaplain, Beverly McKim, Charleston sophomore; editor, Connie Sargent, Wheeling freshman; membership director, Linda Ranson, Huntington sophomore and treasurer, Pat Cremeans, Culloden junior.

Pi Kappa Alpha fraternity recently elected the following officers: Dave Ballard, Ashland, Ky., senior, president; Charles Bowers, Huntington sophomore, vice president; David Carper, Ceredo-Kenova sophomore, treasurer; George Wardell, Tenafly, N. J., freshman, secretary, and Dennis Shobe, Huntington senior, pledgemaster.

Lambda Chi Alpha elected the following new officers: John Bennett, Washington, Pa., senior, president; Blaine Hesch, St. Mary's junior, vice president; Carlisle Bolling, Keystone sophomore, secretary; Tom Rast, Charleston senior, treasurer; Hank White, Scott Depot junior, pledge-

master; and Bob McDonald, Grantsville sophomore, corresponding secretary.

Tau Kappa Epsilon social fraternity recently elected the following officers: John Andrews, Clendenin senior, president; Ivan Ash, Barboursville senior, vice president; Bill Garner, Huntington sophomore, secretary; Randy Bowles, Charleston junior, treasurer; Pete Shaffron, Filbert junior, chaplain; Art Brant, Huntington senior, pledgemaster; Ted Booth, Huntington junior, historian; Rex Eagen, Nellis sophomore

sergeant-at-arms; Bob Gray, Bishop, Va., sophomore, house manager.

Kappa Alpha Order elected the following officers: Keith Brown, Huntington junior, president; Carrol Hoffman, Redhouse junior, vice president; Bill Ward, East Bank junior, vice president; Mike Muth, Huntington junior, corresponding secretary; Jim May, Logan senior, treasurer; Bill Hedrick, Lewisburg freshman, chaplain

## W. Va. Honors Former J-Student

Miss Gay Pauley, 1942 Marshall graduate and former Parthenon staff member, was selected Wednesday as West Virginia's Distinguished Daughter of the Year. The journalist and Governor Barron, who was chosen Distinguished Son of the Year, will be honored in Washington at the Senate Caucus Room on May 19.

Miss Pauley, director of women's news coverage for United Press International, began writing for the Huntington "Advertiser." She advanced rapidly through the UPI ranks and helped set up the women's news department in 1953.

She has covered many important news events for UPI including Queen Elizabeth's coronation and her tour of the United States in 1957.

# Negro Student Looks At Discrimination

## Barriers Exist In Huntington, Athlete Says

By BRUCE MOODY  
Teachers College Student

I have always assumed that college and university towns tend to reflect or emulate the ideals and aspirations of their leading social institutions. While attending Marshall, I have found that Huntington bears little relationship to Marshall in its ideals and principles.

Huntington is southern in manners, culture and tradition. It offers quite a lot to the Marshall student if he is not a Negro. If he is a Negro, the advantages of this southern culture and tradition disappear and in their place discrimination rears its ugly head, proving that the "All American City" is not for all Americans. Racial discrimination is practiced in movies, restaurants, amusement parks, and employment.

I would like to state that, to my knowledge, Marshall has no apparent discriminatory policies.

Before a Negro student can take advantage of any of the restaurants, bowling lanes, golf courses, movies, or other media of entertainment, he must first ascertain whether these establishments will serve him. If he does not find this out, then he risks frustration and embarrassment. Despite this, most Negro students are relatively satisfied at Marshall University (when I say satisfied, I do not mean that they are especially happy with prevailing conditions).

In order to illustrate the frustration and humiliation of discrimination, I would like to elaborate on a few incidents. Recently, two students went to Campus Sundries on Third Avenue. They sat down at the fountain and asked to be served. They were informed by the waitress that it was not the policy of the establishment to permit Negroes to sit there, and in order to get a Coke they would have to take it out. The students were astonished because they remembered the numerous other times that they had bought other items without incident. In order to avoid further embarrassment and humiliation, they left.

A local radio station announced a dance to be held at the American Legion for all Marshall students featuring the Parliaments (a Negro combo). When a Negro student asked to be admitted, he was told that he could not enter because of his race.

Another incident, even more recent, took place at the Riviera Golf course. A physical education class was to participate in the activities there instead of attending a regular class session. When two Negro students arrived, they were told that they could not be admitted because of their race. It is evident that the instructor was perhaps unaware of the condition at the Club, but this fact alone does not serve to alleviate the personal harm inflicted upon the students.

A physical education class also took part in the activities at Colonial Lanes. In this case the Negro students were allowed to participate, but when they returned (accompanied by their dates), they were denied the privilege of using the same facilities under different circumstances.

Athletes at Marshall are not

The  
Lyceum

privileged to escape the hardships of racial discrimination. As a matter of fact, they, more than any other students, are hurt by these policies. To illustrate my point, I would like to relate some of my own experiences. I could eat in a restaurant with the basketball team, but when I returned alone, they would refuse to serve me. I could practice with the team all week and yet I could not attend the same movies on the weekend. At times, I was quite depressed with the feeling of being "different".

I have always found it difficult to advise a Negro athlete to attend Marshall. I have always felt that he would be more accepted at a school in the Big Ten or even elsewhere in the Mid-American Conference. I say this not because I bear any personal grievances toward Marshall or its Athletic Department, but because I feel that a student needs social as well as physical and mental development while attending college.

It is true that off-campus racial discrimination is not the responsibility of Marshall University, but the fact remains that while it exists it is a hindrance to the University in its objectives, standards and prestige.

Few Negro students who graduate from Marshall decide to live in Huntington. One reason for this is the fact that there are few job opportunities. Another reason that most Negroes leave upon graduating is because of their future plans and goals. They desire (and rightly so) that their children grow up in an environment most conducive to their physical, mental, and social development. They want their children to have equal opportunities to attain everything a democratic society has to offer.

The tentacles of racial discrimination stretch out into many different areas. In order to avoid any kind of embarrassment, many Negroes on Marshall's campus tend to practice a self-imposed discrimination. This type restricts their social life almost exclusively to themselves. It is a possible result of prior restrictions on and off campus, that gives them the need to conform and to hide themselves in a group identity.

In the last few years there has been some improvement. The Keith-Albee and Wiggins lifted their bans and began to admit Negro students. Had it not been for these actions, perhaps the social state of the Negro students would be worse than it is now. Despite these improvements, and a few that I did not mention, there is room for still a great deal more.

By now I imagine that most of you are saying that things like this take time. To you I have a question: How much time does it take the United States government to train a Negro soldier to fight and possibly die on a hill-top in Korea, a beach in the Pacific, or a tank in Germany? If a man is good enough to fight

Bruce Moody

Bruce Moody, who will graduate this May with an A.B. degree from Teachers College, came to Marshall in 1957. He graduated from Morris High School in the Bronx, N. Y. Selected as the "most inspirational player" on the Big Green cage team during the 1960-61 season, Bruce played basketball for four seasons. He was second in rebounding to Capt. Bob Burgess.

He was selected as one of Dell Magazine's best 500 basketball players in the nation during his high school days.

He is a major in physical education and social studies.

and die for democratic ideals, then he should be good enough to live in a democratic society and enjoy these same democratic privileges.

These problems I have mentioned are all problems that exist in Huntington today. If nothing is done about them, they will exist tomorrow and for the years to come. I am quite sure that if the necessary changes are to come about, they will be product of a joint effort of all those involved. I have a great deal of faith and confidence in Marshall University and feel that it will aid in alleviating the present conditions in Huntington.

## Student Nominated For A State Seat

Betsy Daniel, Huntington senior, was nominated as a Republican candidate for the House of Delegates during the primary election held Tuesday.

Miss Daniel, a political science major, received 3,305 votes according to unofficial tabulations. She will be competing in the November general election for a seat in the lower house of the West Virginia Legislature.

## New Members Are Initiated Into Science Fraternity

By DOLLY LOCKE  
Society Editor

Seventeen students were recently initiated into Kappa chapter of Chi Bet Phi, national scientific fraternity. The initiation was held during its recent national convention, held at Marshall.

The new members are Army Lou Cantley, Elkview sophomore; Carolyn Davies, Huntington senior; Ann Donahoe, Huntington junior; Wanda Fields, South Point, Ohio, junior; Larry Gravely, Scarbro junior; Brenda Jenkins, Glenwood junior; Bruce Nelson, Huntington sophomore; Lobeda Noe, Kenova senior; Don Spencer, St. Marys junior; Randall Spunlock, Glenwood junior; James Stanley, Iaeger sophomore; Mike Steiner, Huntington junior; Roger C. Thomas, Ashland, Ky., junior; Stuart Thomas,

Hurricane junior; David Wall, Ameagle senior; Edward Wheatley, Danville sophomore, and George F. White, Danville junior.

Initiated as honorary members were James P. Gillespie, instructor in science; Dr. Ernest H. Ern, assistant professor of geology; Miss Marilyn Cole, instructor in zoology; Benjamin Plybon, instructor in mathematics; Stanley Ash, assistant professor of science; Layton O. Thompson, assistant professor of mathematics; Robert V. Digman, assistant professor of chemistry, and Lyle Plymale, biology teacher at Vinson High School.

Representatives of 14 chapters out of a total of 25 attended the convention, which is held every two years. The Marshall chapter received the award for the best chapter.

A new award, started by Dr. Ashby C. Blackwell of Morris Harvey College, a member of the Chi Beta Phi for 45 years, was presented to the chapter that accumulated the most man-miles in attending the convention. The winner was a Mississippi chapter, whose three representatives traveled 1,000 miles to come to Marshall.

Officers of the Marshall chapter are, president, Carol Sue Blevins, Delbarton senior; vice president, Ivan Ash, Barboursville junior; secretary-treasurer, Caroline Langfitt, Dunbar senior, and faculty adviser, Dr. Donald C. Martin, professor of physics.

Scientific papers were presented at a business session by Carolyn Davies, on psychology, and Bruce Nelson, mathematics.

## MU Professor Attends Parley

Dr. Alma N. Noble, associate professor of French and chairman of that department, attended the 45th annual Central States Modern Language Teachers Association meeting last weekend in Detroit, Mich. For the past year, Professor Noble has been chairman of the French section of the organization. She presided at the meeting and was largely responsible for preparing its program.

The association, which is made up of French, German, Italian, Slavic, and Spanish teachers, covers a 16-state area.

## 'Radiothon' Set By WMUL-FM

By JERRY BOWLES  
Staff Reporter

WMUL-FM, West Virginia's only educational radio station with studios located in the basement of the Science Building, has inaugurated a new concept of radio promotion.

Beginning at 10 a. m. today and continuing until 10 a. m. tomorrow, WMUL will broadcast 24 successive hours of classical and symphonic music.

Approximately 40 works of great composers from Baroque to Contemporary will be presented during the broadcast. Scheduled also are two major operas: "Aida" by Giuseppe Verdi and "The Damnation of Faust" by Hector Berlioz.

Announcers for the broadcast are: Roy Lee Collins, Huntington junior; Bill Hardebeck, Williamson sophomore; Gene Bias, Yawkey sophomore, and Adrian Gobell, Fairlawn, N. J., freshman.

General Manager Jerry Ashworth, Huntington senior, said, "Since we are a relatively new station, operating at low power, we feel that this promotion will increase our local audience by making the general public and Marshall students aware of our very existence as a communications media."

According to Station Manager Roy Collins, Huntington junior, this will be the first attempt by an educational station to program 24 successive hours of classical music.

Following the "Radiothon" tomorrow, WMUL will continue programming, featuring highlights of Parent's Week-End until 7 p. m.

### Airmen On Parade

MU GRADUATE Jack Cappellari, who left recently for Lackland Air Force Base, San Antonio, Texas, was paraded around campus in his flight uniform by fraternity brothers. A member of Sigma Phi Epsilon fraternity, Jack graduated in January, with a major in marketing. He will graduate from the Air Force supply school a second lieutenant. Members of the "parade" are (from left) T/Sgt. James Peters, Cappellari, and S/Sgt. Leon Dinkle.

## Curtis Baxter To Tour England And Denmark

By LELIA MOORE  
Feature Writer

Traveler, boat enthusiast, lover of folk lore, and English professor, Curtis E. Baxter combines his interests in a trip through and around England this summer.

An associate professor of English at Marshall, Professor Baxter will hire a cabin-cruiser for a "literary jaunt" on the Thames River, England, covering 100 miles. The only other person aboard will be a deckhand.

During the week on the river, Professor Baxter will visit literary shrines and old English inns between Windsor and Oxford. From his point of view, the Thames River is the highway of literature and he is interested in seeing England from this river view.

In the course of 100 miles when he will live on board, he will go through 32 locks. His only equipment will be a camera and a notebook.

Professor Baxter will leave New York for Copenhagen, Denmark by ship early in July and will return in time for the fall term. In Denmark he will visit the Hans Christian Anderson country and then go to Stockholm, Sweden and outlying areas that exemplify Swedish folk lore.

In Edinburgh, Scotland, he will attend the World Writers Conference, a part of the Edinburgh Festival. There Professor Baxter will listen in on discussions of such contemporary writers as William Faulkner.

He will visit the Robert Burns and Sir Walter Scott country and travel down the West coast of England through the Wordsworth country, Tintern Abbey, Derbyshire, Cornwall, Salisbury, Winchester and back to London.

### MUSICAL RUN CONTINUES

"South Pacific" will continue its four-day run today and tomorrow with performances beginning at 8 p. m. in Old Main Auditorium.

The musical comedy opened Wednesday. It stars Judie Skeens, Kenova junior and John Bressler, Huntington senior in the featured roles of the former Broadway hit, written by Rodgers and Hammerstein.

CURTIS E. BAXTER

## East Coast Educational Tour Slated

Detailed itineraries of the educational vacation trip to New York, which will include a visit to historic New England, land of the Minute Men and literary great, are now available in the Department of Journalism.

The eight-day vacation, sponsored for the 29th time by W. Page Pitt, professor of journalism and chairman of the Journalism Department, will start August 19 and last through August 26.

After four days of sightseeing in New York City, traveling by way of colonial Virginia, Washington, D. C., Baltimore and Philadelphia, the group will journey to Boston, where they will be guests of the Parker House.

Sightseeing in Boston will begin with an eight-hour conducted tour of Revolutionary War shrines. Members of the party will travel the exact route that Paul Revere took; they will see the spot where was fired "the shot heard round the world." They will visit Plymouth Rock, Boston Commons, Bunker Hill Monument, the scenes of the Boston Massacre and the Boston Teaparty, Salem of the witchcraft trials fame, the homes and haunts of such American literateurs as Longfellow, Lowell, Emerson and Hawthorne—as well as the Wayside Inn, the House of the Village Blacksmith, and the House of the Seven Gables.

They will visit the campus of the oldest college in the United States — Harvard, and Ratcliffe College, Massachusetts Institute of Technology, and Yale.

Special arrangements have been made for conducted tours of Washington and the battlefields of Gettysburg and Valley Forge. A stop will be made in Philadelphia for a visit to Independence Hall and the Liberty Bell.

Sightseeing in New York City will be from private glass-topped motor coaches and will cover both upper and lower Manhattan. Special features will include a visit to the Statue of Liberty on Bedloe Island, an on-the-spot view of the United Nations at work, a yacht cruise completely encircling Manhattan Island, and a rest stop at Music Hall to see a

performance of the Rockettes. There will be a behind-the-scenes tour of national television shows.

The last night before returning home will be spent in Lancaster, Pennsylvania, the center of the Pennsylvania Dutch country.

The tour is designed primarily for students, their parents and friends, with an all-expense educational rate for the eight days of \$139.40. Tour officials reserve the

right to decline or cancel any reservations. Eligibility is limited to those who are at least 15 years of age who can be recommended by Marshall students or faculty.

Reservations are now being booked. Complete information is available in the Journalism Department, or through Virginia Daniel Pitt, tour registrar, at 151 Edison Drive, Huntington, telephone JACKSON 2-9092.

#### CRAM COURSE NO. 5: SHAKESPEARE

Continuing our series of pre-final exam cram courses, today we take up the works of William Shakespeare (or "The Bard of Avon" as he is jocularly called).

First let us examine the persistent theory that Shakespeare (or "The Pearl of the Antilles" as he is affectionately referred to) is not the real author of his plays. Advocates of this theory insist that the plays are so full of classical allusions and learned references that they couldn't possibly have been written by the son of an illiterate country butcher.

To which I reply, "Faugh!" Was not the great Spinoza's father a humble woodcutter? Was not the immortal Isaac Newton's father a simple second baseman? (The elder Newton, incidentally, is one of history's truly pathetic figures. He was, by all accounts, the greatest second baseman of his time, but baseball, alas, had not yet been invented.) It used to break young Isaac's heart to see his father get up every morning, put on uniform, spikes, glove, and cap, and stand alertly behind second base, bent forward, eyes narrowed, waiting, waiting, waiting. That's all—waiting. Isaac loyally sat in the bleachers and yelled, "Good show, Dad!" and stuff like that, but everyone else in town used to snigger and pelt the Newtons with overripe fruit—figs for the elder Newton, apples for the younger. Thus, as we all know, the famous occasion came about when Isaac Newton, struck in the head with an apple, leapt to his feet, shouted, "Europa!" and announced the third law of motion: "For every action there is an opposite and equal reaction!"

(How profoundly true these simple words are! Take, for example, Marlboro Cigarettes. Light one. That's the action. Now what is the reaction? Pleasure, delight, contentment, cheer, and comfort! And why such a happy reaction? Because you have

*But baseball, alas, had not yet been invented.*

started with a happy cigarette—a felicitous blend of jolly tobaccos, a good-natured filter, a rollicking flip-top box, a merry soft pack. As Newton often said, "You begin with better makin's, you end with better smokin's." Small wonder they called him "The Swedish Nightingale!"

But I digress. Back to Shakespeare (or "The Gem of the Ocean" as he was ribaldly appellated).

Shakespeare's most important play is, of course, *Hamlet* (or *Macbeth*, as it is sometimes called). This play tells in living color the story of Hamlet, Prince of Denmark, who one night sees a ghost upon the battlements. (Possibly it is a goat he sees: I have a first folio edition that is frankly not too legible.) Anyhow, Hamlet is so upset by seeing the ghost (or goat) that he stabs Polonius and Bare Bodkin. He is thereupon banished to a leather factory by the King, who cries, "Get thee to a tannery!" Thereupon Ophelia refuses her food until Laertes shouts, "Get thee to a beanery!" Ophelia is so miffed that she chases her little dog out of the room, crying, "Out, out damned Spot!" She is fined fifty shillings for swearing, but Portia, in an eloquent plea, gets the sentence commuted to life imprisonment. Thereupon King Lear and Queen Mab proclaim a festival—complete with amateur theatricals, kissing games, and a pie-eating contest. Everyone has a perfectly splendid time till Banquo's ghost (or goat) shows up. This so unhinges Richard III that he drowns his cousin, Butt Malmsey. This leads to a lively discussion during which everyone is killed. The little dog Spot returns to utter the immortal curtain lines:

*Alack, the play forsooth was sad and sobby,  
But be of cheer—there's Marlboros in the lobby!*

© 1962 Max Shulman

\* \* \*

*As the slings and arrows of outrageous finals loom closer, perchance the makers of Marlboro are not untoward to offer this friendly suggestion: Get thee to a library!*

# MU Golfers Play At Toledo Today

Coach Neal (Whitey) Wilson's golf team begins a weekend swing through Ohio this afternoon, closing out its regular season activity against Mid-American Conference foes in two tri-angular matches.

The Big Green is at Toledo today where it meets both the host team and Western Michigan's Broncos. Tomorrow Marshall challenges Kent State and Western Michigan again at Kent.

Following these two outings the Big Green will take a four-day break to prepare for the No. 1 match of the season in the conference tournament which is scheduled on the 17th, 18th and 19th at Kent.

The conference meet is expected to boil down to a two-team battle between Marshall and Ohio University, the only team to beat the Big Green in 17 matches this season. The two MAC powers have met twice thus far with each gaining a victory on its home grounds.

Through May 1 Ohio U. had won 15 of 20 matches against some of the top powers in this section of the country.

For a comparative study of results for both the Bobcats and Marshall, the following is a nents for the matches completed so far for both teams.

### 16-1 RECORD

Marshall — MU 12, Sleepy Hollow Country Club all-stars 6; MU 9½, Riviera Country Club

all-stars 8½; MU 17½, Kent State ½; MU 11½, Spring Valley Country Club No. 1 all-stars 6½; MU 16, Spring Valley No. 2 all-stars 2; MU 11½, Bowling Green 6½.

MU 15, Bowling Green 3; MU 16, Guyan Golf and Country Club all-stars 2; MU 11½, Ohio U. 6½; MU 15, Kentucky 3; MU 16, Cincinnati 2; MU 14½, Morehead 3½; Ohio U. 14, MU 4; MU 14½, Bellefonte Country Club No. 1 all-stars 3½; MU 12½, Bellefonte No. 2 all-stars 5½.

### 15-5 RECORD

Ohio U. — OU 5½, Kent State ½; OU 5, VPI 4; Wake Forest 14½, OU 12½; Duke 24½, OU 2½; North Carolina 20, OU 7; OU 17½, Davidson ½; Ohio U. 9½, Wake Forest 8½; Marshall 11½, OU 6½; OU 16, Pittsburgh 2; OU 16, Duquesne 2; OU 21½, Ohio Wesleyan 2½; OU 26½; Xavier ½; West Virginia 6; OU 3; OU 18, Western Michigan 6; OU 14, Marshall 4.

Co-captains Jim Ward and Pete Byer will head the list of golfers in the two season finals this weekend. Others making the trip include Harry Hoffer, Chip Woodring, Dave Whipkey and Bill Spensky.

**JIM WARD**

# Intramural Games Ending 31st Year

The intramural program at Marshall is completing its 31st year of action, and its director, Otto "Swede" Gullickson, is looking forward to bigger and better things.

In the school term of 1930-31 the intramural program was incorporated at Marshall and in its first year of operation there were 13 sports and 1010 participants. Today there are a total of 136 sports, both social and athletic. Considering that one student participates in one or more activities, there is a total of 13,741 competitors.

This number of sports gives Marshall the distinction of having the second largest intramural program in the United States. West Point, the military academy, is the largest in the nation.

Joe VanFaussien, graduate assistant in the Physical Education Department, stated that "Swede" would always try to add a new sport if anybody suggested one to him and if the sport had a good support from other students.

Some of the new sports added this year are shuffleboard, ping pong, co-ed doubles, archery and four-wall handball.

Other sports that may be inaugurated in this program are water basketball and squash. Water basketball is being held up because the staff hasn't found a method of installing the baskets. If the funds can be raised, squash, a form of handball, will get underway in the near future.

The staff of intramurals headed by Gullickson and VanFaussien, are Leroy Angus, John Thompson, John Quintier and Paulette Messinger.

VanFaussien remarked that this year there hasn't been too much

co-operation on the students' part concerning some sports.

"The participants wouldn't play the sports on schedule and this interfered with the other sports. One consolation was that we didn't have too many foreitures,"

## Conquistadors Cop Weight-Lifting Title

Weight lifting was the top action in Intramurals this week as the Conquistadors won the championship with a total of 27 points.

The other teams and their totals were: SPE, 22; Independents, seven; KAY, five; and PKA, two.

In the individual classes the winners were: 123-lb., Jim May, Independents; 132-lb., Vince White, Conquistadors; 148-lb., Dave Price, Conquistadors; 155-lb., Joe Firreti, SPE; 165-lb., Tom Dennis, SPE; 181-lb., Parrish McKittrick, Conquistadors; 198-lb., Bill Winters, Conquistadors; and unlimited, Richard Turner, KAY.

The softball championship was won by SPE as they defeated the Raiders, 22-1.

# Marshall Baseball, Net Teams Gain Victories

Both the university baseball team and the tennis team notched victories Tuesday afternoon against non-conference foes.

Coach Al Brown's baseball team rapped visiting Rio Grande, Ohio, College 9-4 and the netters blanked West Virginia State 9-0 on its home courts at Institute.

Dale Lynd, who has won two of the five games he's pitched for Marshall this season, went all the way against Rio Grande. The Big Green jumped off to a big early lead, scoring seven runs in the first two innings to give Lynd a boost in picking up the triumph.

### FIRST HOMER

First baseman Toby Holbrook scored a first for the Big Green when he blasted a 360-foot home run over the left field wall, the only round-tripper to be hit out of the new St. Cloud Commons field this season.

Rusty Wamsley and captain Ron Lambert also carried big bats in the triumph. Wamsley chipped out two singles and Lambert had a double and a single. Both knocked in two runs.

The win was Marshall's third of the year and broke an eight-game losing streak.

The team will play Ohio University in a doubleheader tomorrow afternoon at Athens, Ohio, and then close out its season against Morehead, Ky., State College next Tuesday at St. Cloud.

### SCHEDULE CHANGE

The Ohio University contests were originally scheduled for single games today and tomorrow but due to a conflict with a school function at Ohio U. the schedule was changed to a doubleheader for tomorrow.

The tennis team, which met Morris Harvey yesterday at Charleston after The Parthenon's press

time, swept six singles matches and three doubles contests without a defeat against State.

In the singles, Bill Price defeated Jack Westlund 6-2, 6-0, Bill Jefferson defeated George Hill 6-1, 6-3, Don Wassum downed Murray Jackson 6-3, 6-2, Bill Carroll topped James Peeler 6-0, 6-2 and Hughes Booher defeated Ronald Hawkins 6-1, 6-0.

### SWEEP DOUBLES

In doubles, Jefferson and Carroll defeated Hill and Westlund 6-4, 6-1. Price and Wassum downed Jackson and Henry Smith 6-0, 6-0 and Buddy Duncan and Booher won by forfeit.

The netters play at Athens tomorrow against Ohio U and return home for a Monday evening contest with Rio Grande, the regular season finale. Then they will enter the Mid-American Conference tournament, beginning next Thursday at Kent, Ohio.

The tennis match against Rio Grande will be held on the campus courts behind the new Men's Health and Physical Education Building. It's scheduled to get under way at 2 p.m.

## Student Government Positions Still Open

There are still several Student Government positions open for next year, according to Student Body President Gary McMillan. Applications are being accepted in the Student Government office in the union.

Some of the positions still open are Student Court Justices, Freshman Court Justices and Book-of-the-Semester Co-ordinator. Appointments will be made Wednesday, McMillan said.

## Intramural Victors

In the table tennis division of Women's Intramurals, Beth Hutchison, St. Albans junior, and G. G. Varnum, Huntington sophomore, are winners.

Badminton doubles champs are Jackie Steele, Nitro junior, and Beth Hutchison, St. Albans junior.

Judy Cunningham, South Charleston sophomore, and Barbara Fox, Gilbert senior, are winners of the horseshoes doubles and tennis doubles winners are Pat Chance, Pennsville, N. J. junior and Jackie Steele, Nitro junior.

# Placement Figures Are Highest Yet, But There Are Still Jobs Available

By JANET SMITH

Teacher's College Journalist

More students have been employed through the placement office this year than any year since the department began, according to Robert Alexander, director of placement.

In general, there are more jobs than students to fill them, Mr. Alexander continued, and pointed out that salaries are on the increase with a 5% raise in the business and liberal arts field, and 2.5% in technical fields.

Teacher's salaries are climbing, with starting pay in some places \$5,000. To date, it is estimated that 450 full time students and alumni have accepted jobs this year, and 650 part time.

A student seeking part time

## ROTC Awards Due Tomorrow

The ROTC Battle Group will present 28 awards to outstanding cadets at an Awards Day ceremonies beginning at 3 p.m. tomorrow on the intramural field.

The awards vary from the presentation of flight wings to graduates of the flight program, to awards for superior conduct, achievement, and advancement during the preceding year.

The awards that will be presented and their recipients are: flight training wings to Robert Amick, David Collins, William Cyrus, Richard Hale, Robert Helvey, Lowell Morrison, Jon Skaggs, James Rodgers, and Arthur Smith.

Receiving individual awards are: Paul A. Beckett, Robert Duckworth, John Underwood, and Michael Hinkle, superior cadet ribbons; Barry G. Cohen, professor of military science plaque; Daniel Tweel and Richard Denison, Reserve Officers Association gold and silver medals, respectively; Thomas W. Easter, West Virginia Society of the Daughters of the Founders and Patriots of America medal.

Teddy J. Booth, Scabbard and Blade medal; Jeff Cowden, National ROTC Band Association medal; Edward Tarowsky, Battle Group intramural trophy; Daniel Tweel, best company plaque; John S. Cash, Association of the U.S. Army medal; Roger B. Stackhouse, Sons of the American Revolution medal; and the presentation of Battle Group commendation medals to Bruce Forinash, John Underwood, Teddy Booth, Larry Berry, Barry Cohen, Stephen Ray, John Kincaid, Albert Stonestreet, Thomas Sutton, Robert Duckworth, John Cash, Richard Denison, James W. Cosby, and Thomas I. Reed.

## Summer Credit Must Be OK'd

A new procedure must be followed by any student who plans to take credit at some other approved institution and who plans to return to Marshall, the registrar and deans of the undergraduate colleges announced.

Any student who plans to enroll in some other institution this summer must secure approval of course from his academic dean. Students who have already received approval should secure from his dean written approval on a newly-adopted form.

work has many different opportunities open. For example, the girl who likes to travel may take the job traveling with a large coast to coast company, doing promotion work. This job requires three or four girls who are between 5'4"-5'7" tall with dark hair and eyes. Several demands have been made for mar-

## Plan Examined For Two-Year ROTC Course

For the second time in about three years the ROTC program may be changed if Congress approves.

Plans are to make the course a two-year program instead of the four-year program that is now in effect. The previous change was made some 2½ years ago when more academic courses were stressed in the program.

Recommended by the Army is a two-year program with a four-week basic training camp session between the sophomore and junior years of college and an eight-week advanced training camp between the junior and senior years.

The date for the institution of the new program will be announced if it is approved by the Department of Defense and Congress.

Adoption of the new program does not mean elimination of all four-year programs. For those institutions desiring a four-year course, the present basic course will continue to be authorized on a required or elective basis.

According to an official release, the four-year senior division ROTC program as conducted in the past has been sound, but requires modification for the future due to a changing pattern of higher education and the anticipated annual increase in college enrollment for the next 10 years.

Many of the basic subjects previously taught on campus will be taught during the summer camp periods.

## Phi Alpha Theta Will Initiate 19

Phi Alpha Theta, historical honorary fraternity, will initiate 19 new members at 6 p.m. tomorrow at the cafeteria.

The students are: Charles Auran, Priscilla Beard, Loretta Bennett, Mary Ellen Cain, Carolyn Chipps, Mary Curnette, Owen Duncan, James Harper, Darwin Harrold, Lucille Ingram, Janice Jarrell, Janice Locey, Sarah Mancari, Frank Riddel, Rebecca Roberts, Margaret Sammons, Walter Sawaniewski, Victoria Smith, and Michael Steiner.

The guest speaker at the banquet following the induction will be Dr. John Cady, chairman of the History Department at Ohio University, Athens, Ohio. Dr. Cady's subject will be "England Today", since he recently returned from a year of studies in England.

Phi Alpha Theta was founded at Marshall in 1950. It was first founded at the University of Arkansas, and has nearly 200 chapters in all of the states and at the University of Puerto Rico.

The academic prerequisites for this honorary are a 3.5 average in at least 12 semester hours of history and a 3.0 over-all average.

ket research analysts and field secretaries.

There are both male and female opportunities for summer resort work, such as the New Jersey resort area. A request has been made by a large company for boys to travel, doing physical labor over the United States and Canada, with salaries from \$1,000 to \$1,500 for the summer's work.

A few unusual jobs are available. For example, a journalism student has been hired to promote publicity for the Miss U. S. A. Pageant.

According to Mr. Alexander, some of the largest problems of the placement office are evaluating students and deciding who really need jobs, students who only think they want to work, students who schedule a job interview and never meet the appointment, student who fail to report whether they have accepted or rejected a job, or failing to report a change of address.

'Crescent Girl' Chosen

ANN MECUM, St. Albans freshman, was named Lambda Chi Alpha Crescent Girl, at the fraternity's Orchid Ball, held at the Georgian Terrace room of the Hotel Frederick last Friday evening. Miss Mecum's escort is Steve Nelson, Huntington freshman.
