Shaw Named Dean Of Men

2 Appointed V-Presidents By Board

By FRAN ALLRED Managing Editor

The West Virginia Board of Education recently announced the appointment of two vice presidents for Marshall. Dr. Harold E. Walker of Ann Arbor, Mich., has been named vice president of academic affairs, and Joseph S. Soto of Charleston, an educator and former state tax commissioner, will be vice president of business and finance.

The appointments will be effective July 1, President Stewart H. Smith said.

Dr. Walker received his A.B. regree at Whittier (Calif.) College, with a major in philosophy. He received the B. D. degree from Hartford Theological Seminary and a Ph.D. degree from the University of Edinburg in Scotland. He has completed a post-doctorate program at the Center for the Study of Higher Education at the University of Michigan, where his research project dealt with the office and function of vice president of academic affairs in American colleges and universities.

He has held pastorates in California, Massachusetts and Kansas, and has taught at Friends University and Whittier College. He has served an internship in ... V.P. of Business and Finance the office of the vice president of a cademic affairs at Eastern Michigan University. He has lectured on many college campuses and has been conference leader at the International Youth Conferences in Holland, the British Isles and in the United States.

Mr. Soto was born in Fayette County and graduated from Clear Fork High School. He received an junior, has recently been named been an officer in the U.S. Army A.B. degree from Morris Harvey Editor-in-Chief of the 1963 Chief Corps of Engineers since 1932 and 1958, 1959 and 1960 he attended senior, was named managing edi- the Huntington District; John A. Dormitory Plans, Appointments And Promotions Go To Board

By LARRY ASCOUGH Editor-in-Chief

Stanley A. Shaw, former assistant to the dean of men at Purdue University, has been appointed Dean of Men effective August 1, according to President Stewart H. Smith. President Smith planned to recommend Mr. Shaw to the State Board of Education yesterday in Charleston. Charles E. Kautz, freshman football coach and instructor in physical education, has been named Acting Dean of Men beginning Monday and continuing until Mr. Shaw assumes his duties.

The president also planned to tion of a new six-story women's named instructor in health and dormitory and grant permission to physical education at the lab file a full application for a \$650,- school. Prof. H. Nuzum, associate 000 HHFA loan. The sum of \$600,- professor of education, has been 000 will be supplied from the made Director of Student Teachfor the dormitory which will cost ceeding Prof. Paul N. Musgrave \$1,250,000.

BACCALAUREATE SERVICES OF THE 125th Commencement were held on campus near Northcott Hall May 27 at 10 a.m. The Rev. Chalmers Coe, pastor of the First Congregational Church at Columbus, Ohio, delivered the sermon. This was the first time in the history of the school that the exercises were held outside. Commencement exercises were to be conducted outside but were moved to the Keith-Albee Theater because of rain. A record 776 degrees were conferred at Commencement. Of these students, 54 graduated with honors

Sorority Rush Procedures Changed For Fall Semester By Panhellenic

The sororities may invite potential rushees to church, bowling used in past rush seasons. parties, house parties, etc., but all treat. The rushees will not be ond parties. permitted to stay overnight in

Wednesday, September 19, to Fritwo parties at each house from 4 may not speak to rushees until formal rush. to 5 and 6:30 to 7:30 p.m. during these three days. Only 15 women may be at each party, and no formal written invitations may be issued. There will be no planned entertainment at these parties, and refreshments may not exceed 15 cents per rushee. In the past there have been five days of coke parties with only ten rushees attending each party.

Tea Begins Rush

Formal rush is officially under way with the Panhellenic tea Saturday, September 22. The tea will be from 3 to 5 p.m. in the Student Union, under the direction of Panhellenic representatives.

Rushees will sign the rush book at the tea, making them eligible for invitations to formal rush parties.

The open houses, or first parties, Sunday, September 23, will be different this year. In the past the rushees attended only the houses of their choice and stayed as long at one house as they wanted. They did not have an opportunity to see all the houses and meet all the members. This fall the rushees will be divided into groups and a Panhellenic member will accompany each group to the house. They will rotate from

Letter To Editor

Dear Editor,

On the basis of my work at Marshall, I have been accepted for graduate study in theology by both Union Theological Seminary of New York City and Yale University Divinity School of New Haven, Connecticut. Both have offered me scholarships for my first year of graduate study. The scholarships pay \$700 and \$775 respectively. I have chosen to attend Union Theological Seminary, which is related to Columbia University, and will begin my studies there this coming September.

Once again let me congrat tlate stay at the Parker House in Bos- you on your Lyceum series. I hope ton. They will have a conducted that it continues. Leadership Camp Set

Several changes in membership, discussion groups and purpose will be initiated at Leadership Camp this year, according to Donna Darbes, Huntington junior and coordinator.

The camp will be held August 29, 30 and 31 at Cedar Lake.; near

Members of the steering committee are Junior Jones, recreation, Carroll Kincaid, discussion groups, Julie Wiles, speakers, Shirley Campbell, secretary, Bertie Ann Humphreys, correspondence, and Dave Hammack, transportation.

Leadership Camp membership will be limited this year to eliminate meetings of campus organizations. The camp is, according to Miss Darbes, a meeting of leaders on campus to study Marshall as a whole, evaluate its government and purpose and make recommendations to the student government to carry out new ideas gained from the camp.

In the past the camp has been a meeting place for various committees and organizations, defeating the purpose of meeting to eration of Music Teachers' Assoevaluate the workings of Mar- ciation. shall.

Dr. Hershel Heath of the history department will be the keynote speaker, leading discussions of the main theme of the camp which will be broken down into New Sorority sub-topics for consideration by smaller discussion groups.

The topics will be concerned with problems such as the role of the student in school and in society, what areas of campus life should be stressed and the purpose of Marshall as a university. Panel discussions will follow each group meeting.

A re-evaluation by each student of his purpose as a student and ways of improving Marshall is the object of the group.

Student membership at camp will be limited to two representatives from each camous organization, several student govern- pledge. ment groups, and tre steering committee. This will bring the pus may be affiliated with sorortotal membership to approxi- ities each year. Each sorority is

Centennial Commission Has Press Conference

By KEITH MARKINS Feature Writer

The West Virginia Centennial Commission held its first statewide press conference at the Press Club in Charleston May 18. Three Marshall University students attended as representatives of WMUL, Marshall's educational radio station.

The WMUL representatives who ly a "birthday party," but must attended were Jerry Ashworth, Huntington graduate student and WMUL general manager; John P. Killoran, Lewisburg graduate and past director of promotion and publicity; and Carolyn Reed, Huntington graduate student and director of promotion and publicity. Miss Reed will be handling centennial publicity for WMUL.

At the press conference Carl R. Sullivan, executive director of the West Virginia Centennial Commission, urged all news media The Qualifying Examination in to begin a concerted campaign to the Metropolitan Auditions of the English Composition, required for alert the citizens of the state to graduation by all university stu- the giant task that lies ahead in Mr. Meredith has sung during dents, will be given this summer, preparting for the increased tourist trade in the centennial year.

serve for the creation of new attitudes and facilities in order to look to the next 100 years as well as the last 100. He named six objectives which his commission hopes the 1963 West Virginia Centennial will accomplish.

1. Increase pride in West Virginia by West Virginians.

2. Increase industrial and commercial development in West Virginia.

3 Increase the tourist business in the state.

4. Change the national image of West Virginia.

5. Solve the problems of sectionalism in our state.

6. Make some inroads into prob-

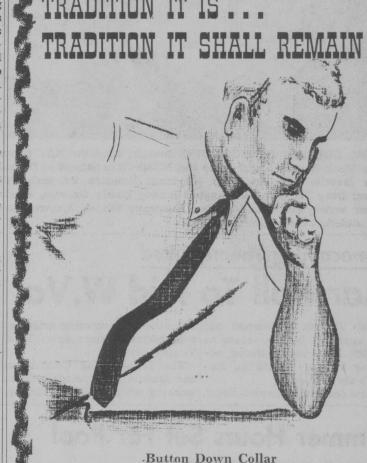

lems that exist in West Virginia. An explanation was also given

of the official centennial seal which shows a silhouette of the state with the radio-telescope located at Green Bank pictured in the foreground. The telescope is aimed at a star having the number 35 in it. This represents West Virginia as the 35th state and the 35th star in the American flag.

Big Green Golfers Complete Season By Taking MAC Title

By RAY CUMBERLEDGE **Assistant Athletic Director**

Marshall University's golf team will leave Friday morning for the NCAA golf tournament at Durham, N. C., climaxing the most successful golf season in Marshal's history.

Regardless of how well the Big Green golfers do in the NCAA, their record already this season will go down in the record books as the best ever at Marshall. A few of this season's record accomplishments are: a 20-1 season record (best in school's history); a 9-1 Mid American Conference record (best since Marshall entered the Conefrence); winning the Mid-American Conference championship (first in Marshall's history); and had top three men in Mid-American Conference tournament.

Sophomores Are Surprises

This year's fine record was brought about by many factors: 1. The steady play of veterans Jim Ward, Pete Byer and Harry Hoffer; 2. The surprising play of sophomores David Whipkey and Chip Woodring; 3. The improvement of sophomore Bill Spensky; and 4. the hard work, dedication and overall team depth.

The play of Ward, Byer and Hoffer really came as no surprise to those familiar with Marshall golf and golf throughout the state of West Virginia.

Ward, Quite A Name

Ward, a veteran of the Army, has made quite a name for himself in the Mid-American Conference and in West Virginia golf circles. Last year Jim finished fifth in the MAC (only four strokes behind teammate Byer, who was the Conference champion). He won the Forrest Hills Open, was runner-up in the Huntington Public Links Tournament, quarter-finalist in the West Virginia State Amateur, runner-up in W. Va. State Open and qualified for and played in the National Amateur Tournament in Pebble Beach, California. This year Ward tied for first place in the Mid-American Conference with teammate Pete Byer. Jim wound up the regular season with a 13-6-2 record. He plans to teach upon graduation from Marshall.

Byer No Stranger To Tourney

Byer, also an Army veteran, will be entering the NCAA Tournament no stranger to this event or to the tournament trail. Pete was a quarter-finalist in last year's NCAA event. He has participated in and won many tournaments in his golfing career. Among his outstanding golfing accomplishments are: winner of the state Caddy Tournament in 1952; winner of the State Junior Amateur Tournament in 1952 and 1953; winner of the 7th Corp. Tournament in Munich, Germany in 1956; winner of the 2nd Regimental Tournament in Germany in 1957; Medalist winner of the W. Va. Amateur in 1956; winner of the Maine Open in 1961; Mid-American Conference Champion in 1961; winner for East in NCAA East-West Tournament in 1961; quarter-finalist NCAA Tournament in 1961; and Co-Medalist in the Mid-American Conference in 1962. Pete plans to teach when he finishes at Marshall. Hoffer Is Veteran Golfer

Although Harry Hoffer is only a sophomore on the Marshall squad, he is a veteran golfer. His father is a golf pro and Harry has spent all his life around or on the golf course.

Harry also is no stranger to the tournament trail. He won the State High School Tournament in 1958; the Huntington Public Links Tournament in 1959 and 1960; the Kanawha Valley Amateur Tournament in 1961; lost in semi-final round of W. Va. State Amateur to Ed Tutwiler, who won the Tournament. Harry wound up the regular season play with a fine 17-4 record. This is an especially good record for a sophomore.

Chip Woodring and David Whipkey were two big surprises on this year's Big Green squad.

Woodring Has 18-1-2 Record

Woodring wound up the regular season play with an 18-1-2 record. This too is a very fine record for a sophomore who met the very tough competition on the Marshall golf schedule. Marshall coach Neal B. "Whitey" Wilson, who recruited Woodring, knew he was a very good golfer, but thought he was at least a year away from reaching his potential. However, he came through

like a veteran. Is was Woodring's three under par 66 that actually won the Mid-American Conference crown for the Big Green. Chip was the last Marshall golfer to come in off the course in the final round of play. Marshall was behind Ohio University, who was leading at the time, by two strokes. Woodring had to finish two strokes under par (par was 69) in order to assure the Big Green at least a tie for the Conference title. However, Chip was not going to be satisfied with a tie. He finished with a 66 (three strokes under par) to win the title for Marshall. His 66 was his lowest score of the year and it couldn't have come at a better time.

Whipkey Is Pleasant Surprise

David Whipkey was a very pleasant surprise on this season's Big Green squad. David is relatively new at the game of golf. He played his high school golf at Marshall High School, but he never really got serious about the game until last year, his freshman year at Marshall. He wound up the regular season play this year with a 15-6 record. If David continues to improve next year like he did this year, he will be giving someone a fight for one of the top positions on next years Big Green squad.

Spensky Showed Improvement

Bill Spensky, the number six man on this year's Marshall squad showed vast improvement. Bill came to Marshall from the Weirton High School golf team. On several occassions this season it was Bill who came through with wins at his number six spot to win close matches for Marshall. With this year's experience under his belt and some tournament play this summer, he should be an even more improved golfer next season.
