"Notes In Passing" It Happened At

By LAVERNE LOGAN

Tips on this and that . . . Leave the earrings home! Earrings are not suitable for campus wear . . . For occasions that call for earrings, try to see what kind of eardrops you can wear. With a piece of string, draw a straight line under your nose and across your cheeks to your ears. If your lobes are above this line, you will look best in large earrings.

Earrings which run up the lobe are younger-looking and less formal than those which swing and sway to the shoulders.

If you have a brittle finger nail condition, apply a special nail cream containing cholesterol and other natural oils . . . Never file your nails while your hands are damp . . . Your polish will last longer and have more sparkle if you start with a base coat then two moderately thin coats of polish and follow that with an overcoat.

"When do I shake hands?" This is a question very often asked by both men and women. Men always shake hands when introduced . . . It is no longer necessary for women to remove their gloves when shaking hands . . . women rarely shake hands with

a man, but may do so when introduced to a woman.

The best shampoos on the market will advertise some hair-beautifying extra cream: lanolin, egg, built-in or color rinses.

For that oh so annoying dandruff, try a selenium sulfide application . . . This is a medication and must be prescribed by a doctor.

HERE AND THERE . . . TKE Storage Stumble, Saturday night at Fraternal Hall from 8 to 12 P.M. . . . College Hall will have open house Sunday from 2 to 8 P.M.

SPORTLETES RUSH PARTY

The Sportlettes, women's independent social organization, will have a rush party tonight at 6:30 in the Honor Council Room.

All women not actively affiliated with a Greek organization may attend.

PRESS CLUB

The Press Club, men's journalism honorary, will meet Thursday at 11 A.M. in the Journalism department, according to George Smith, president.

Our high school teacher, trying to impress upon us the importance of a large vocabulary, said that if we used a word ten times it would be ours for life.

Responding, the girl sitting next to me closed her eyes and began chanting, "Artie, Artie, Artie, Artie . . ."

Kent State

Parking is a problem at all schools with the students asking for space and the administration saying, "No, because there isn't space to be had and any space taken would impair campus beauty."

However, this seems to have worked in reverse at Kent State. The administration wanted to build a parking lot for 122 cars for the faculty and administration on the front lawn of the campus. This time it was the student body that said "no," declaring that such a project would destroy the beauty of the front lawn.

Concord College

Two students arrived back at the dormitory after the summer vacation and were talking.

"What have you been doing this summer?" one asked.

Organizations wishing to purchase photographs used in the 1956 Chief Justice may do so by leaving a note in the Chief Justice box in the Dean of Men's office, or by contacting either Bob Cooper or Bob Johnson. Photographs may be purchased only from these two.

Youngstown Upsets Green; Loss Is Fifth Of Campaign

By **GEORGE BENNETT**

Youngstown University, led by halfback Dave Kinne, upset Marshall 33-13 Saturday at Youngstown, to hand the Big Green their fifth loss in seven games.

It was Kimmel's 50 yard touchdown run in the third quarter that put the Penguins ahead to stay, after Marshall had come from behind twice tie to the score. Youngstown then added two more tallies in the final stanza to make the game a run-away.

John Rouse of Youngstown went over from the three to score the first TD, as the Penguins took the opening kickoff and drove 55 yards. Kimmel spearheaded the drive with a 39 yard run. The try for the extra point failed.

George Templin set up Marshall's first touchdown when he intercepted a pass in the vicinity of Youngstown's 33 and ran it back to the six yard line. Three plays later half-back Ray Dunlap went over from the one. The extra point was missed and the score was tied at 6-6 with 8:28 to go in the first half.

After Youngstown punted, Marshall was forced to punt on fourth down with 13 yards to go. But as John Wells tried to get the kick off, it was blocked by the Penguins' Dom Delsignore and Jim Vechiarelli covered the ball in Marshall's end zone for a touchdown. The conversion was good

and Youngstown led 13-6 at the half.

Marshall's only other touchdown came on quarterback Bill Zban's 62 yard pass to half-back Rich Jackson, who took the ball on the 25 and he went the remaining distance. Zban's extra point try was good and Marshall again tied the score.

Bill Zban continued his great passing for the Big Green as he completed 4 for 8, with only one being intercepted. The passing yardage was 120 yards. Marshall led in first down 14-11, and had 194 yards rushing, whole Youngstown had 213.

DANCE TONIGHT

There will be a dance tonight in the Student Union starting at 7:30. The admission price is twenty-five cents and all proceeds go to the intramural fund for trophies and medals.

In addition to the dance the 1955-56 All Participation Intramural Championship will be awarded to the Pi Kappa Alpha fraternity.

Toledo University will furnish the opposition next Friday at Fairfield Stadium as Marshall tried to get in the win column.

Little Bearcats Eke Out 19-13 Win Over Frosh

Redskins And Falcons Battle To 7-7 Deadlock

The Little Green came about as close as possible to victory and still last as Coach Bill Chambers' yearlings fell before the strong Cincinnati Bearkittens, 19-13, Friday afternoon at St. Cloud Commons.

The Marshall frosh led 13-12, with less than four minutes remaining in the game, but a 35-yard Cincy pass put the ball on the Marshall five-yard stripe. Two plays later, Bill Reaves scored the winning touchdown for the visiting Kittens.

The Little Green opened the scoring against Cincy by driving 76 yards after receiving the opening kickoff. Bob Wilson did the honors by hitting pay dirt from six yards out. Danny Frank booted the extra point.

Cincinnati took a 12-7 lead with single touchdown in the first and third periods.

The Herd regained the lead when Paul Adams plunged across the goal line from two yards out, midway in the last stanza. H. K. Smith and Jim Singledecker set up this scoring drive on their own 45.

This set the stage for the late last-period winning drive by the Bearkittens.

Miami University and Bowling Green fought to a 7-7 deadlock Saturday, leaving the teams in a tie for first place in the Mid-American Conference championship race.

All the scoring was packed into the thrilling third quarter of a great defensive contest. Miami marched 46 yards in nine ground plays for its score.

George Scott scored on a 7-yard slice over tackle and tackle Don Smith placekicked the extra point.

Bowling Green roared back to tie the count with 46 seconds to play in the third session as Harold Peek broke through to block a punt by Miami's Tom Dimitroff.

The ball bounded off Peek's chest near Miami's 44-yard line and bounded toward the Redskin goal. Peek picked it up on the 21 and raced to the end zone. Chuck Perry of Logan converted to tie the contest.

In the final period, Perry missed a field goal attempt from the 14

Varsity M Cops Grid Crown

By **BOB LYNN**

The explosive passing and running of Paul Underwood sparked the Varsity M number one squad to a bruising 13-6 victory over the Sig Ep first team to give the Big M their second consecutive intramural football championship.

The burley VM machine purred like a Sherman tank all afternoon as they cut the Sig Eps down with hard, sharp football.

After a scoreless first period VM's Bob Ashley grabbed a 38 yard Underwood pass in the end zone for a 6-0 lead as the second quarter drew to a close. Underwood's pass try for the point after was high.

After an exchange of punts following the second half kickoff, the Sig Eps came off the floor to tie the score at 6-6. Bunny Naum snared a 12 yard flip from Paul Jones and then tossed a lateral back to the passing ace who tight-roped up the sidelines 28 yards to score. Jones' pass attempt for the extra point was broken up.

The deciding touchdown was punched across on the next series of downs. Underwood engineered the ball from the VM 31 yard line to the Sig Ep 41 yard marker in three plays

On the first play of the final

period the VM pass receivers bunched up to the right, pulling the Sig Ep defenders with them. Then Underwood tossed back across the field to Dick Custer, standing alone. Custer then lumbered, unmolested, the remaining 31 yards to complete the 41 yard maneuver.

Bob Ashley gathered in Underwood's extra point toss to seal the final 13-6 score.

A major factor in the VM victory was the devastating rushing of Ray Crisp, a 235 pounder, and 240 pound Dick Custer. Crisp nailed Jones four times for a total loss of 41 yards.

The Sig Ep pitcher was held to 8 completions in 18 tosses and 45 air yards. On the ground he shook loose for 49 yards.

Underwood wound up a sensational play-off performance with 15 strikes in 28 passes for 192 yards. He rushed 78 yards for an offensive total of 270 yards.

In the semi-finals last Wednesday, Jones led the Sig Eps to a convincing 19-6 victory over the TKE six to decide the fraternity championship.

Music Room Available For Student Enjoyment In Union

By BOB ROGERS

A \$1,940 music room will be available tomorrow to students and faculty members, according to Don Morris, Student Union manager.

Located on the second floor of the Student Union building, to the west of the Chief Justice office, the room will provide opportunities for the enjoyment of recorded classical music, and television and radio programs, by way of a radio-television-phonograph combination set.

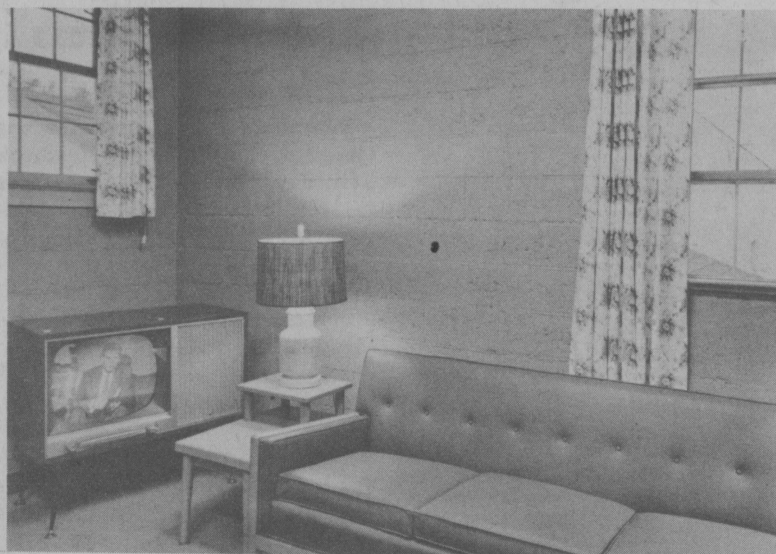

A record library of music by such artists as Chopin, Rubenstein, and Toscanini will be readily available.

Future albums will be ordered at the request of interested persons, when enough requests are received to comprise an order.

Records may be borrowed from the hostess room on the main floor, for use in the music room. Students must leave their ID cards, which will be returned in exchange for the borrowed albums.

The room is decorated in blue, with a cocoa-brown carpet and custom-made modern furniture to match. Drapes are predominantly white, with figures colored to harmonize with the over-all color scheme. In the future the room will display paintings by Marshall students, under the supervision of A. S. Carpenter, associate professor of art.

"Our hope is that the students and faculty of Marshall will receive the utmost benefit from this music room. It is our most recent project, and one of which we are proud. Through the co-operation of each person using this room, our hope may be realized," commented Mr. Morris.

MUSIC, TELEVISION, AND COMFORT are found in the new music room in the upstairs of the Student Union. This is the most recent addition to the union and includes lounge chairs, television, a phonograph and records.

Explanation Offered By Botanist For Red Maple Tree Mystery

By GEORGE BENNETT

Just why the red maple tree in front of the Student Union has maintained the majority of its multi-colored foliage while other trees are bare and empty, has been explained in general terms by Dr. H. L. Mills, associate professor of botany.

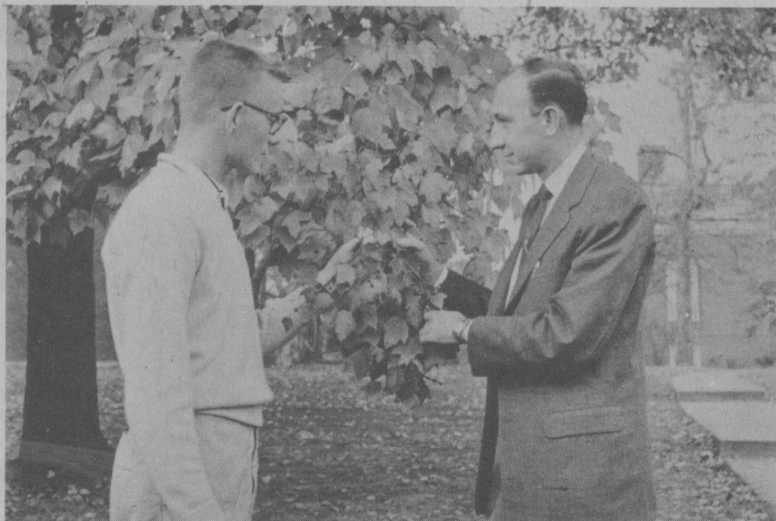

"Some trees will keep their leaves when they are near artificial light," Dr. Mills explained, "because when the days are longer the leaves stay on the tree. A street light serves this purpose."

This solution is ruled out because the maple tree isn't near a street light or any other kind of artificial light.

Dr. Mills went on to say that the temperature might have something to do with it, and "we may have had a season this year that tends to keep the leaves on the trees."

He discounted the possibility that a certain type of soil near the tree could have anything to do with its holding the leaves so long.

It will be interesting to see how much longer this maple tree keeps its leaves, while the other trees are losing their leaves steadily.

DR. H. E. MILLS, associate professor of botany, explains to George Bennett why some trees retain their leaves longer than other trees.

Wagner Represents IFC At Conference

Cecil Wagner, St. Mary's senior and president of the Inter-Fraternity Council, will represent Marshall College at the National Inter-Fraternity Conference in New York City, November 30 and December 1. He is president of Tau Kappa Epsilon fraternity.

Vin Weiss, Huntington senior, was recently selected treasurer of the campus IFC. A member of Tau Kappa Epsilon fraternity, Weiss replaces Joe Cappellari, Huntington senior, of Alpha Sigma Phi fraternity.

JOB INTERVIEWS

Representatives of the Burroughs Corporation of Huntington will be here November 8, to interview accounting and marketing majors. Interviews will begin at 8 A.M.

They are interested in graduates of January, June, and August, 1957. All seniors must fill out their personal data sheets in the Dean of Men's office before their interview.

GEOLOGY DEPARTMENT

A text and reference book, "Leaves and Stems from Fossil Forests," by Dr. Raymon Janssen of the Geology Department, will be republished by the Illinois State Museum.

The book is used throughout the country in classes which study fossils found in coal beds in this country. The book was first published in 1939.

Log Cabin To College Begins History Of Old Main Building

By JUDY HENINGER

The routine of going to classes soon becomes a habit. Every day you climb the steps of Old Main, attend your classes and when the bell rings you are ready to leave. But did you ever stop to think when, where, and how Old Main got here?

Marshall College had its beginning in a rustic log structure, Old Mt. Hebron Church at Holderby's Landing. John Laidley, one of the leading founders, taught school until 1837 when he and several of his companions bought one and one-fourth acres of land for \$40 to erect a two-story brick building consisting of four rooms.

As the enrollment grew so did Marshall. Twelve additional acres of land were purchased and a third story wing and tower was built onto the original four-room building. Money to build was for the most part borrowed and payment secured by mortgages on the property.

In 1858 the college had a faculty of four men and twenty students. Ten years later Marshall had an enrollment of ninety-six and offered courses in sixteen different subjects.

From that time up to the present we have grown by leaps and bounds.

1955 GRADUATE

A 1955 graduate, Noel McMahon of Moundsville, graduated last week from the U. S. Naval Officer Candidate School at Newport, Rhode Island.

Upon graduating from OCS, McMahon received a rank of ensign.

THOUGHTS FOR TODAY \$1.98

I met a man with a rather large head
Who looked at me and finally said:

"If ever you're caught
Without any thought
And you think that you ought
To be thinking a thought,
Buy one from me before it's too late.
Thoughts for today, only
one-ninety-eight."

"A reasonable price," I said and bought
The following brainy, thoughtful thought:

FAINT PLEASURE AIN'T PLEASURE!

Take your pleasure *big!* Smoke the cigarette that gives you more of what you're smoking for . . . more *real* enjoyment, more *real* rich flavor . . . more smoking satisfaction. Smoke a Chesterfield and enjoy it to the hilt!

Smoke for real . . . smoke Chesterfield!
