MARSHALL COLLEGE STUDENT NEWSPAPER

VOL. 55

HUNTINGTON, W. VA.

WEDNESDAY, NOV. 21, 1956

NO. 26

Senate Establishes Rules Covering Fall Blood Drive

The Student Senate has set up rules to cover administering blood from the blood bank to be established if the college donates 275 pints of blood to the drive Wednesday, November 28.

A proposed "Eligibility System" will be put into effect if the college reaches the 275-unit goal, which will be approximately one unit from every ten full-time students. Senate Resolution 27 (for 1956) states that, under this system:

"... Blood will be made available to all full-time students, the administration, and full-time members of the faculty, for the use of these persons or their immediate families. Immediate families shall include husband or wife, children and step-children, brothers and step-brothers, sisters step-sisters, parents are step-parents, grandparents or legal guardians, if the legal guardian is a person and not an institution. The administration shall include buildings and grounds, and clerical personnel, and all other full time employees of the college.

"In order to get this blood, the person getting it must present an order for it from a licensed physician. This order must contain the name of the person for whom the blood is to be used, the amount desired, the relationship

of this person to the petitioner, the date and the physician's signature and address."

Limits to drawing blood include: "Persons drawing blood from the bank may draw up to two pints of blood if they were not donors and five pints of blood if they were donors, without offering compensation of any sort. Persons needing more than their limit may get it, but at the discretion of the Student Senate they may be required to replace all blood drawn in excess of the limit.

"The Student Senate will not allow the issuance of more than 40 pints of blood in any one month without requiring replacement. The Student Senate may change the limit a person may draw if there is a sharp change in the amount available for use or the balance left in the blood bank. Toward the end of the period (6 months) any or all restrictions may be dropped at the discretion of the Student Senate if there is a large balance in the blood bank."

The blood drive is to be held Wednesday, November 23, from 11 A.M. until 5 P.M. in the Student Union. Pledge cards should be turned in to the Student Government office, social deans, or the individual's social organization by November 26.

National Sororities Announce Lists Of Fall Pledge Classes

By FRED A AKERS

Formal rushing for sororities officially ended last Wednesday when bids were given out. Pledge initiations were this past weekend.

Pledges of the sororities are:

Alpha Chi Omega: Janet Colgan, Huntington sophomore; Carolyn Jackson, South Charleston sophomore; Betty Bick, Huntington; Nancy Eddy, Huntington; Sue Hanshaw, Huntington; Barbara Bryant, Huntington; Betty Beard, Huntington; Darlene Harbour, Huntington; Nancy Sigmon, South Charleston; Alice Mathison, Huntington Carole Mobayed, Huntington; Marianna Weidenbener, Princeton, Indiana.

Toni Hart, Man; Beverly Lowe, Williamson; Lynn Corradi, Huntington; Carol Slater, Huntington; Betty Ainslie, Huntington; Sara Jane Boggs, Gassaway; Sally Montgomery, Huntington; and Jo Ann Baisden, Logan; all are freshmen.

Alpha Sigma Alpha: Janet Ruppe, Huntington sophomore; Charlene Berry, Huntington; Darlene Bragg, Huntington; Ann Dewsberry, Richmond, Virginia; Joy Dickey, Huntington; Linda Earl, Huntington; Nancy Haines, Huntington; Shirley Hall, Man; Willa Smallwood, Huntington; Nancy Sparkes, Charleston; Janet Stacy, Bradshaw; Janina Syms, South Charleston; Sheila Trimble, Wayne; Jo Ann Whitt, Logan; Sue Williams, Jolo; and Lou Ann Zickafoose, South Charleston; all freshmen.

Alpha Xi Delta; Sue Ratcliff, Philippi sophomore; Barbara Varney, Williamson sophomore; and freshmen—Nancy Porter, Man; Paula Frame, Birch River; Barbara Weeks, Bluffield; Gloria

Brothers, Huntington; Judy Scott, Huntington; Margaret Ann Parrish, Huntington; Katherine Pierce, Charleston; Nancy Kay Woodrum, Charleston; Linda Pickens, St. Marys; Juanita Bowers, Sissonsville; Janice Tabor, Huntington; "Flip" Banda, Weirton; Susan Quarrels, Huntington; Becky Jackson, Ashland, Kentucky; Pat Miller, Charleston; Sandra Swagger, Clarksburg; and Pat McComas Hamlin.

Delta Zeta: Lynda Humphreys, Charleston junior; Jan Davis, Hamlin sophomore; Pat Blackburn, Belle sophomore; and Kitsy Buckner, Huntington; Sandra Carr, Huntington; Beverley Holley, Huntington; Joan Jackson, Huntington, Trinky Lilly, Logan; Nancy Pat Maloney, Cedar Grove; Ruth Lykins, Dille; Lilly Nehman, Esk-daye; Patti Pancake, Huntington; Jill Pauley, Hamlin; Shirley Womeldorf, Huntington; Mary Hanna, Charleston; Doris Church, Jaeger; Lucy Stevens, Huntington; Ruth Kennedy, Charleston; Janice Howgate, Huntington; Lou Johnson, Gaulty Bridge; Becky Shelton, Huntington; Lenore C addell, Cedar Grove; and Carol Harmon, Huntington.

Pi Kappa Sigma: Martha Louderback, Charleston sophomore; Namu Casto, Charleston; Jane Creig, Williamson; Marjorie Dempsey, Williamson; Sandra McClellan, Parkersburg; Alice De Prie, Huntington; Nancy Shemp, Huntington; Danilee Cor-dea, Huntington; Clara Weiler, Huntington; Glenna Rutherford, Huntington. Gwen Humphrey, Amonate, Virginia; Elinor Emer-

Forum To Be Discontinued; Insufficient Support Blamed

Ticket Sale Begins For ODK Minstrel

Omicron Delta Kappa, men's honorary society, has begun rehearsals for their annual minstrel show.

The fun and frolic program will be Thursday and Friday, December 6 and 7, in the college auditorium at 8:15 P.M. Admission will be 50 cents.

Tickets went on sale yesterday and may be purchased from any ODK member. They will also be sold in downtown business establishments at a later date. The names of these establishments will be announced.

Full-Scale Opera Given In English On Artist Series

The Marshall College Artists Series will present the NBC Opera Company in a full scale production of Mozart's rollicking comic opera, "The Marriage of Figaro," in English, at the Keith-Albee Theatre Tuesday, November 27.

Because of the length of the opera, the performance will begin at 8 P.M., one-half hour earlier than the usual starting time of other programs.

Curtis Baxter, series manager, said that this is the most ambitious opera production ever brought to Huntington by the Artists Series. It features a company of 10 with a 40-piece orchestra.

Heading the cast will be Walter Cassell of the Metropolitan Opera as "Count Almaviva," Phyllis Curtin, as the countess; Ralph Herbert as "Figaro;" Mildred Allen as "Suzanna;" and Edith Evans as "Cherubino."

Others featured in the cast will include Jimi Beni, Frances Bible, Adelaide Bishop, Shirlee Emmons, Gail Manners, Mac Morgan, Emile Renan, John Tyers, Ruth Kobart and Luigi Vellucci. All have had wide experience in operatic work.

Campus Schedule Interviews For Seniors During December

By TOM MILLER

The schedule of job interviews for the month of December was announced Monday by Mrs. Ann E. Six, student employment clerk.

The first interview scheduled is Monday, December 3, when a representative of Proctor & Gamble Distributing Company will talk to graduating seniors interested in a job in selling, with advancement possibilities in sales management.

Richard A. Mollen, of the Boy Scouts of America, will interview both seniors and undergraduates on Wednesday, December 5. He will prefer students taking administrative courses, but will talk with any student, regardless of the course he may be taking.

A Goodyear Atomic Corporation representative, Russell L. Rhodes, will interview seniors majoring in chemistry, physics, mathematics, and engineering, Tuesday, December 6.

Lack of sufficient support of the college's 11-year-old Community Forum was given Saturday by President Stewart H. Smith as the reason for the discontinuation of the forum.

President Smith announced that the April 8 appearance of Raymond Moley, editor of "News-week," will mark the end of the series.

Norway Study Plan Offered To Students

The University of Oslo summer school is announcing the eleventh summer session to be held July 6 to August 1, 1957, in Oslo, Norway.

Course offerings include: A general Survey of Norwegian Culture; The Humanities and Social Studies; Education System in Norway; Graduate Courses in Norwegian Education and Literature and Society.

All classes will be conducted in English and an American member is on the administrative staff. Housing is provided in the Blindern Students' Hall for single students. Married couples are accommodated in private apartments or private homes.

Six semester-hour credits may be earned in the six weeks course and the session is approved by the U. S. Veterans Administration for veterans under P. L. 346 and P. L. 550.

Applicants should have completed their freshman year not later than June, 1957.

Students will leave New York on the eastbound voyage of Stavangerfjord June 26, 1957. Reservations for return trip are available on August 21 and 29, September 3 and 18, 1957.

The library will close today at 4:15 P.M. It will be closed tomorrow, Thanksgiving Day. It will be open Friday from 8 A.M. to 4:15 P.M. and Saturday from 8 A.M. to 11:30 A.M.

The cafeteria will close after dinner tonight and will reopen Monday morning for breakfast.

The decision to discontinue the forum was rendered by the Community Forum and Artists Series Board of which Dr. Smith is president. Professor Curtis Baxter, associate professor of English, is manager, and Mrs. Will Mount is secretary-treasurer.

The board also offers the Artists Series which is not affected by the decision to discontinue the forum.

Other board members are Okey P. Keadle, Professor Ralph M. Edeburn, Assistant Professor Wilbur Pursley, Miss Delores mith, and John Corns.

"The Community Forum," said President Smith, "has brought to Huntington some of the most outstanding available personalities in this country and abroad. And yet ticket selling has been increasingly difficult in recent years. Even the best efforts of our volunteer workers have not brought enough ticket sales to sustain the program."

Offered to the Huntington public by a corporation composed of faculty members, students, and townspeople, the college-community enterprise has had a gradual decline in membership and the series has not been supported sufficiently to justify its continuation, according to the president.

While memberships have decreased to less than half of the peak figure of 600 in 1948, the cost of obtaining personalities has steadily increased.

In 1954-55 only 481 persons bought season tickets, and in 1955-56 the total was 375. Membership for the current season is 276, which is 324 short of the 600 membership necessary for one season.

Each Forum member paid 85 cents for each of the ten performances on the current season program. There have already been four this fall.

Dr. Smith said a few Huntingtonians have made gifts to the Community Forum, but he explained that tickets sales, not contributions, were the answer to the problem.

"The Forum can be justified only by the service it renders," he said.

Among the many noted personalities who have appeared on the Community Forum since the fall of 1945 are:

Claude Rains, actor; Brigadier General Carlos Romulo, Philippine ambassador to the United States and delegate to the United Nations; Senators Hubert Humphrey and Alexander Wiley; William L. Shirer, author and foreign affairs expert; Monty Woolley, late movie actor; Bennett Cerf, publisher, humorist and anthropologist.

His Imperial Highness Otto of Austria-Hungary; Basil Rathbone, actor; Dorothy Thompson, columnist; David Lilienthal, former chairman of the Atomic Energy Commission; John Mason Brown, noted drama critic; Archibald MacLeish, statesman, diplomat and poet; Sir Gerald Campbell, one of Britain's most celebrated orators; Governor Ellis Arnall of Georgia, and Dr. Syus Hossain of India, archaeologist and explorer.

Notes In Passing
By LAVERNE LOGAN

Leisure time! Are you wondering what to do with it? Many college women ask this question, "I'm so busy with my studies and trying to squeeze in a social life that when I do have any leisure time, I find that I don't know how to derive the most benefit from it. How should I spend my leisure time?"
Try some of the following suggestions to fill that spare hour or minute between lunch and your next class, or between dinner and the time you have set aside for studying.
Spare time should be a relaxing time, and, believe it or not, you can relax in a hot tennis game . . . at least your mind can take a rest from Spanish or math.
Dancing is always fun and can be made more interesting if you learn new dance steps. If you know someone in the dorm or sorority or fraternity house who is an extra special dancer, talk him or her into teaching you. If you are really interested in being up on all the steps, lessons are available at dancing studios here in town.
Any new hobby will profit you in some way. Knitting, for instance, is both time consuming and productive. And, please don't think that knitting is just for grandmothers! Christmas is coming, and you women can knit beautiful gifts for your beaux and members of your family . . . even for that messy room or suite-mate of yours!

STUDENT DIRECTORIES

Student directories are on sale by the Home Economics department beginning today. The supply of 1,000 can be purchased from Home Economics majors and minors at 40 cents a copy. The directories contain the home and college addresses of all students and faculty members

Student Elected Constable From A 'Write-In' Vote

By DICK McHENRY
Some people can't avoid winning elections or so it seems with one of our fellow students.

Lawrence (Larry) Barrett, Hamlin sophomore, did not even file for office, but, when the returns were in November 7, he found himself elected the new constable of Carroll district. He had won by a good majority.

Some of Larry's friends got together shortly before the primary elections and decided it would be a good gag to list his name on their ballots for a law enforcement office.

Much to their surprise, and certainly to their veteran air force friend's, Larry's name received enough votes for him to be listed on the ballot sheet of the November general election.

Before he could have his name erased from the ballot, it was on the press and he was told that there was nothing he could do but go through with it.

His wife, finding this out, immediately began a campaign of her own to see that her six foot, brown haired hubby didn't get

elected to this non-salaried position. After all, she thought, with a full-time job and carrying a full school schedule, there wouldn't be time for any extracurricular activities such as this.

But in spite of her efforts and because of Larry's popularity, the people elected the Democratic candidate to office.

However, since acceptance of this position is not mandatory, Larry announced to his many faithful voters that, "Due to circumstances and several commitments, I won't have time for the office."

Even though Larry doesn't have a new badge and a pistol, he is still content with enjoying his college days and not chasing his neighbors.

WAA TOURNAMENT

Pi Kappa Sigma sorority defeated Alpha Xi Delta and Sigma Sigma Sigma sororities in the ring tennis finals to become the new women's intramural champions.

What young people are doing at General Electric

Young engineer sells million-dollar equipment to utilities

Selling electric equipment for a utility substation—a complex unit used in power transmission and distribution—requires extensive technical knowledge of the products involved. Men who sell such complex equipment must also know a customer's requirements, what will best fill his needs, and how to sell the merits of their products to the executives who buy such apparatus.

One such man at General Electric is 31-year-old Allen J. Clay, an apparatus sales engineer serving the electrical utility companies in the Philadelphia-Allentown area.

Clay's Work Is Important, Diversified

For Clay, technical selling is not a door-to-door job. As a representative of General Electric, he must be ready to discuss customer needs with vice presidents or help solve intricate problems with skilled engineers. His recommendations are based on his own engineering background, and are backed up by the know-how of the Company's best application engineers. His interest in working with people carries over into his community life, where he takes a part in many local activities—Rotary, Community Chest, Boy Scouts, and his University Engineering Alumni Association.

27,000 College Graduates at General Electric

Allen Clay is a well-rounded individual who has come to be a spokesman for General Electric wherever he goes. Like each of our 27,000 college-graduate employees, he is being given the chance to grow and realize his full potential. For General Electric has long believed this: Whenever fresh young minds are given freedom to make progress, everybody benefits—the individual, the Company, and the country.

Educational Relations, General Electric Company, Schenectady 5, New York

ALLEN J. CLAY joined General Electric in 1946 after receiving a B.E.E. from the University of Virginia in 1945. A naval officer during World War II, Clay managed the Charlottesville, Virginia, office from 1950 to 1955.

Progress Is Our Most Important Product

GENERAL ELECTRIC

Determined O. U. Humbles Herd, 16-0

By **LOWELL CADE**

A small group of students, who braved the 90 mile trip to Athens, Ohio, saw a determined Ohio University team push a less determined Big Green into a fourth place tie in the MAC with a 16-0 victory.

The Green showed patches of determination in the first half when they stopped what looked like O. U. touchdown drives.

The Bobcats completely dominated the game, compiling 23 first downs to 8, rushing 258 yards to 89, and totaling 334 yards to 179 despite the fact that the Green had 90 yards passing to O.U.'s 76.

The win for the Bobcats was their third straight over the Herd and the 16 point margin marked the first time in 14 years that as many as two touchdowns separated the two teams. It also extended the series win to 10 for the Bobcats against 3 for Marshall, while 6 have ended in photo finishes.

At this time last season, Herb Royer, head football coach, indicated that he would give up his post if the Big Green did not finish with a winning season. However, at this early stage, following the final game of the season, which far from a winner, Royer indicated that he had no statement to make along those lines and would not have such until after the Thanksgiving holidays.

The men of O.U. took a 3-0 lead at the end of the first half with a 23 yard field goal. The field goal climaxed a 38 yard drive. With Don McBride and Charlie Stober guiding the team from the T formation, they were able to get within field goal distance in 11 plays before the half ran out.

The Bobcats added six more points in the third quarter the second time they got the ball. Hilles returned a John Wells punt 21 yards to the Ohio 48. O.U. covered the remaining 52 yards in six plays with Larry Buckles taking the ball over from the 1.

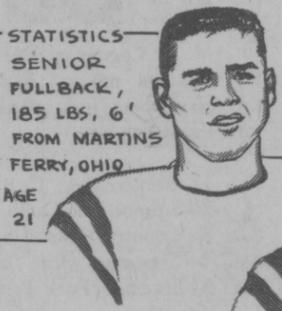

A final touchdown was added in the final stanza when the 'Cats recovered George Templin's fumble on the Green 20 yard stripe on the first play of the quarter. Four plays later Don Wirtz sprinted over for the six points from the 13 yard marker.

The Big Green could not get a serious threat going until late in the final stanza. Under the guidance of sophomore quarterback Bob Wagner, who ran the ball four times for 23 yards and completed four out of nine passes for 61 yards.

FINISHING THEIR LAST SEASON FOR THE BIG GREEN ARE...

INTRAMURALS

Last year's intramural basketball champs, the Rinky Dinks, suffered their first loss in two years by bowing to the Faculty 56-47 last Wednesday in their first game of the season. Eddie Lambert and Jim Lamb led the Faculty attack with 23 and 19 points respectively. Darrell Maynard netted 13 for the losers.

In the second game a 17 point third quarter sparked the Toogers to a 45-34 victory over the Rascals No. 1 five. Leading the winners' scoring was Bill Taylor with 14 points. High man for the game was Rascals' Tom Payne with 18. Cagle Curtis and Dyke Six, in the following contest, each scored 12 points for the VM Big Green in a 46-21 win over the Cavaliers No. 1 squad.

The final game of the evening was a 35-31 triumph for the Rinky Dinks No. 2 squad over the Cavaliers No. 2 team. Cook for the victors and Cecil Jividen for the losers tallied 8 points each.

In the first game on Thursday

bides a 51-28 defeat. Wreckers' the VM Wreckers handed the No-Earl Browning was high scorer for the game with 19 points. Don Armstrong had 11 points for the Nobides.

Uncanny foul shooting by Bill Bias and his ROTC teammates spelled the difference in an exciting 56-54 win over the Rascals No. 2 squad. Bias poured in 29 points, hitting a phenomenal 17 out of 18 from the foul line. The ROTC's connected on 22 of 24 foul shots while the Racals hit only 8 or 16. Thomas Dean chipped in 21 points to aid Bias and Preston tallied 17 for the losers.

Dave Dunlap wasn't joking as he flipped in 17 points to spearhead the Sig Ep Jesters to a 33-17 victory over the ROTC No. 2 team.

Using a well balance attack, the TKE No. 4 quintet knocked over Cook's Hall 29-15. Bill Rine, Meyers, and Schroder each had 6 points for the TKE's.

Bobkittens Turn Frosh Errors Into Undeserved 14-12 Victory

By **SAM STANLEY**

Five fumbles ruined the Little Green's final bid for their first victory, as they fell before the previously winless Ohio University frosh, 14-12, last Friday afternoon at St. Cloud Commons.

Bill Chambers' yearling thus ended the season with an 0-3-1 mark. This gives Chambers a 2-4-2 mark against a touch freshman grid schedule in his two years at the helm.

Marshall fumbled five times and the advantageous Bobkittens pounced on all five. Two of these recovered fumbles set up both of the Ohioans' touchdowns, two more recovered bobbles stopped Marshall scoring drives.

Even though Chambers was disappointed in the loss, he was pleased with the improvement of his yearlings. "We were moving well," he stated, "perhaps better than we had all season. We just couldn't hold on to the ball." He went on to say that some of this year's freshmen would play important roles in next year's varsity team.

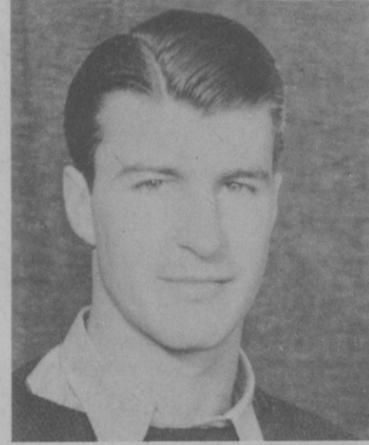

Neither team scored in the first half as the alert Marshall defense kept the Bobkittens in check, and Ohio stopped two Marshall drives by pouncing on the Little Green's fumbles.

Ohio took a 7-0 lead after recovering a Marshall fumble on the Herd's 29. Quarterback Jesse Hall sneaked over from the one for the TD, and Nick Scalabrino booted the extra point.

Don Trimboli blocked an Ohio punt on the Kittne's 22 early in the final frame and end Walt Davis scooped up the ball in the end zone for Marshall's first score. Frank's conversion was wide and Ohio led 7-6.

Midway in the final frame, Ohio recovered a Marshall fumble on the Little Green's 23. Five plays later Bob McPherson scored from the five. Scalabrino booted Ohio ahead, 14-6.

Late in the last stanza, Marshall drove 66 yards for its final 6-pointer. Two runs by quarterback from behind twice the PKA's sent from Sindledecker to end Bob Payne, and a freak running play by center Jim Witte, set up the TD.

COACH ROYER
Not Yet Certain

The Misfits outscored the Rascals No. 2 team 11 to 8 in the final period to slip past with a 46-43 see-saw win. Scoring 17 points Linden Mead sparked the winners. Bob Forrest with 17 points also, led the losers.

Soccer

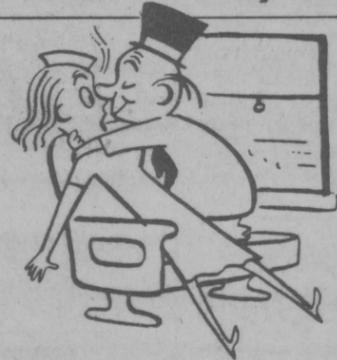

Soccer victories last week by the Rascals, Pussy Cats, Sig Ep's, and PKA's vaulted these winners into the semi-finals of the soccer playoffs.

Wednesday the Cavaliers scored 2 goals in the second period to blank the Cavaliers 2-0. The Pussy Cats gained a forfeit win over the VM.

The Sig Ep's, on Tuesday, outscored the KA's 2 to 1 in the last quarter to squeeze out a 3-2 win. The first half was a scoreless tie. In the following game a sensational 34-yard scoring free kick by Lufe Parsley in overtime gave the PKA's an exciting 3-1 victory over the TKE's. Coming from behind twice the PKA's sent from Sindledecker to end Bob Payne, and a freak running play with a goal in the last 2 minutes of the fourth stanza.

IT'S FOR REAL!

by Chester Field

SULTRY SCENE WITH THE HOUSE-PARTY QUEEN

She sat next to me on the train that day
And a wave of perfume wafted my way
—A dangerous scent that is called "I'm Bad!"
Deliberately made to drive men mad.
I tried to think thoughts that were pure and good
I did the very best that I could!
But alas, that perfume was stronger than I
I gave her a kiss . . . and got a black eye!

If kissing strangers has its dangers, in smoking at least enjoy the real thing, the big, big pleasure of a Chesterfield King! Big size, big flavor, smoother all the way because it's packed more smoothly by Accu-Ray.

Like your pleasure big?

A Chesterfield King has Everything!

All-Student TV Production Viewed Over Local Station

By JUDY HENINGER

"Places everyone!" "Quiet!" "Look out for that camera!" are familiar expressions which may be heard just before the television program "Stand By," an all-student production.

Norman Bacon, program director at WHTN-TV, agreed to a contract with William G. Kearns, speech instructor, to relinquish a half hour non-commercial show every Sunday afternoon at 1 o'clock.

This program enables the students to show their ability in the various fields of producing and directing.

"Stand By" will run for twenty-four consecutive weeks with a different producer for every show. All the students in the production are participating through interest and to gain experience. There are no salaries or grades as enticements for their participation.

"Stand By" has produced four shows up to this time. The first show opened with an introduction by President Stewart H. Smith, and a panel discussion between the Young Democrats and Young Republicans on the outcome of the national election.

A fashion show was presented next with Miss Marshall and her attendants as models; half-time films of the Xavier-Marshall game; and the Expressers Quartet.

A talent show followed, which was presented in the atmosphere of a live audition.

This past Sunday the program was devoted to National Education Week, with skits showing the over-crowded conditions of elementary schools throughout the high school grades. Representatives from each level spoke on how to improve these conditions and how to make teaching more attractive to students going into the profession.

John Stone, Huntington junior, is the executive producer with Joanne McClellan, Huntington junior, as hostess and continuity director.

Talent director is Nancy Snodgrass, Charleston junior; head announced is Joe Cook, Van junior; and Bob Chaddock, Moundville sophomore, alternate announcer.

Future programs being planned include a religious show, Life Planning Show, Christmas party, talent and choir show.

8 Women Initiated Into Home Ec Group

The Home Economics Club initiated eight new members last night at their regular meeting.

They are: Janet Browning, Madison freshman; Luanna Johnson, Charleston Heights freshman; Elizabeth Kessel, Ripley freshman; Ruth Ann Lykins, Dill freshman; Elizabeth Mottesheard, Charleston sophomore; Cora Lee Smith, Beckley sophomore; Connie Upp, Hurricane freshman; and Linda Lee Lewis, Richwood freshman.

Home Economics Club members are preparing to assemble kits as Christmas presents for crippled children.

The next club meeting will be Tuesday at 4 P.M. in Northcott Hall.

JOHN STONE, JOAN McCLELLAN AND JOE COOK look over the scene before the television show gets under way. John produces the show while Joan serves as hostess and Joe is announcer. The entire series of shows is student produced, directed and will use student talent. The shows are seen each Sunday over a local station.

VOLLEYBALL PRACTICE

Volleyball practice sessions scheduled by the Woman's Athletic Association for Monday are Freshman Dorm and Alpha Sigma Alpha at 3 P.M., and open practice at 3:40 P.M. To participate in the tournament each girl must attend at least one practice.

SPEEDBALL FINALS

Last week in the speedball finals a hustling Rascals eleven outscored the TKE's 13-11 in a see-saw battle to sweep to the championship. The Rascals gained the finals by edging the Rinky Dinks 9-8. The fraternity crown was decided by a 15-10 TKE victory over the PKA's.

Home-made Hot Rolls and Butter

JAZZ — JAZZ — JAZZ

JAM SESSION

RANDY SHARP AND HIS MIDNIGHTERS
Every Sunday and Thursday—8:30-11:30 P.M.

It's that new V8 in the '57 Chevrolet. It's as quiet as a contented cat and as smooth as cream . . . and it's cat-quick in response when you call for action!

No household tabby sitting in a sunny window ever purred more softly than Chevy's new V8 engine. You can scarcely tell when it's idling.

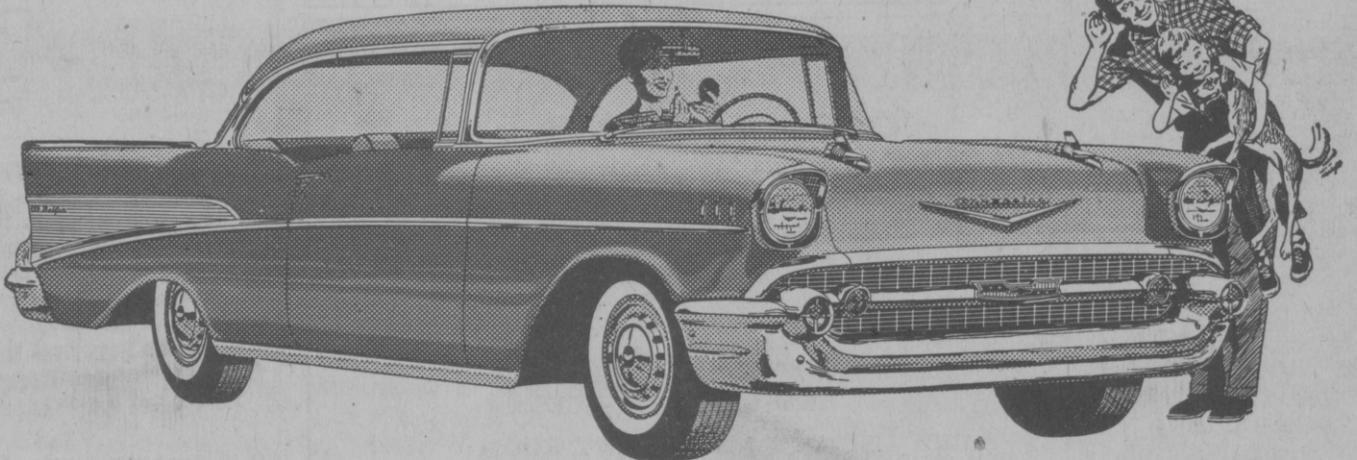

But when you nudge the accelerator, you know it's there, all right! Its right-now response keeps you out of highway emergencies. It overpowers steep hills with such ease they seem like level landscape.

This new Chevrolet V8 puts up to 245 high-compression horsepower* under your command! It's sassy, sure—but as tame to your touch as a purring pussycat. Come try the smoothest V8 you ever put a toe to.

*270-h.p. V8 also available at extra cost. Also Ramjet fuel injection engines with up to 283 h.p.

*that purr you hear is
no pussycat!*

Sweet, smooth and sassy! The Bel Air Sport Coupe with Body by Fisher.
