By LAVERNE LOGAN

What are your trouble spots  
concerning your complexion?Be it a dry or oily complexion,  
white patches, freckles, birth-  
marks or acne scars, today's  
achievements in cosmetics and  
medicine help you to have a  
more beautiful and radiant com-  
plexion.**Birthmarks** are neither dan-  
gerous to health nor hard to  
treat. Some kinds can now be  
removed with dermabrasion  
and doctors have used electro-  
lysis or high-frequency current  
with success. Until you have  
done this, why not cover the  
area with a special blemish-  
covering cream?If you're forever black and blue  
from even the slightest knock,  
better worry about whether  
you're eating enough vitamin  
foods. These are citrus fruits,  
leafy greens and potatoes.For those cold sores which mar  
even the loveliest lips, apply hot  
compresses to the sores, then dab  
tenderly with spirits of camphor.  
Don't try to lipstick over a cold  
sore.**Freckles** are specks of a pig-  
ment which turns brown whenexposed to direct sunlight. Pat  
the lemon juice on after you've  
cleaned your face and let it re-  
main on for a half hour. Use  
a foundation of some kind to  
match your skin tone. It helps  
prevent further darkening of  
freckles as it hides those you  
already have.For that rough red skin, com-  
monly caused by exposure to the  
elements, use lanolin-rich creams  
and lotions on face, neck, hands,  
arms and legs before going out.  
Never lick your lips when out in  
cold weather.**Acne pits** and certain other  
blemishes on the surface of the  
skin are being treated very suc-  
cessfully with dermabrasion.  
The blemished area is sprayed  
with anesthetic which both  
"freezes" the skin to a hard  
surface and, naturally, robs it  
of any feeling.The doctor then abrades the  
blemish with a revolving stainless  
steel brush.For the average case of pitted  
scars, one session usually does  
the trick. If necessary, an addi-  
tional treatment or even two may  
be required if the skin was badly  
scarred.Dermabrasion is usually done  
in the doctor's office and the pa-  
tient goes home with face ban-  
daged. Crusts begin forming  
about ten days after treatment and  
the skin is quite slightly after  
approximately two weeks. Any  
lingering redness fades rapidly  
after that.If your skin is dry, lubricate!  
You'll need a jar of cold cream  
and a box of facial tissues. Soap  
and water tend to dry the skin  
but you can offset this by wash-  
ing your face with cold cream  
once or twice a day. Cleanse  
your face thoroughly with cold  
cream, remove with tissues and  
smooth on your lanolin-rich dry  
skin cream. Work the cream  
gently into your face and throat.  
Remove the cream and splash a  
little cold water on your face to  
stimulate circulation.For you women with the oily  
skin, cleanse is the word. You'll  
need a large jar of quick-clean-  
ing liquefying cream; a jar of  
greaseless vanishing cream; a  
bottle of skin freshener, and a  
box of facial tissues.ENGAGEMENTS . . . Joan Mc-

# Falcons Rally, Defeat Big Green, 34-12

## Three Touchdown Surge In Last Half Tells Story

By GEORGE BENNETT

Marshall fought Bowling Green on more or less even terms in the first half, but the out-manned Big Green couldn't hold the powerful Falcons in the second half, as they lost 34-12 Saturday at Bowling Green, Ohio.

If the first half the charges of Herb Royer matched touchdowns with the Falcons, with teach team scoring twice. The half-time score was 13-12, Bowling Green. But in the second period the powerful hometown team just wore the Big Green out, as they pushed across three more TD's in the last two stanzas.

Bowling Green, playing before a homecoming crowd of 7,700, scored the first time they got the ball. Marshall took the opening kickoff and on their first series down could only move the ball eight yards. Templin punted 41 yards, out of bounds, to the BG 31.

From there the Falcons moved 69 yards in 11 plays for the initial score. DeOrio, who gave Marshall trouble all day, went over from the seven. The kick was wide and the score stood, Bowling Green 6, Marshall 0.

Marshall came roaring right back. Dunlap, who played a wonderful game, took the kickoff and ran 42 yards to the Marshall 46. Fifty-four yards and 12 plays later Marshall had tied the score at 6-6. Ray Dunlap trucked around right end for the final three yards. Zban's kick was wide.

During the drive quarterback Bill Zban threw three fine passes to keep the Big Green going—one a 19-yarder to Roy Goins, a 11 yard pass to Dunlap and the final one a seven yard pass to Athey which put the ball on the three.

After the teams had traded the ball, Bowling Green started a drive on their 21 and went 79 yards in 16 plays for the score. McFayden made the TD from three yards out. Perry converted and the score was 13-6 BG.

Marshall countered with a 58 yard drive that only required five plays, three of them being passes. Sonny Sirianni ran the kickoff back from his own 20 to the Marshall 42. After he smashed up the middle for 14 on the Falcon's 44, Zban connected for three three straight passes. Six yards to Campbell Platt, 19 yards to Dunlap, and with 34 seconds left in the half Bullet Bill fired to Dick Jackson, who made a great over-the-head catch on the two. Dunlap then bulled his way over to make the score 13-12 in favor of BG. Zban's kick was blocked.

The only serious threat Marshall made in the second half was mid-way in the fourth period when they marched 50 yards to the Falcon nine before losing he ball on downs.

In the last half Bowling Green scored their three TD's on 63 and 58 yards drives, and a 47 yard pass from Lyons to Janeway. Bowling Green also dominated the Herd in statistics. The figures favored the Falcons in first downs 27-11; in total yardage, 441-207; 338-87 on the ground; and 102-120 for Marshall in the air.

Quarterback Bill Zban continued his domination of Mid-American passing as he completed 9 for 14 for 120 yards and set up both touchdowns.

Georgetown College "And now let me show you what else I have in mind," said the professor as he erased the blackboard.

## Sig Eps Dump Tekes From Undefeated Grid Ranks, 16-7

By BOB LYNN

Jones sparked the Sig Ep's to two devastating lightning-fast first period scores that geared the TKE's to a tempo of shakey desperation the remainder of the afternoon. After Jones returned the opening kickoff 30 yards and moved the ball to the TKE's 13 yards line in five plays, he caught Bunny Naum in the end zone for the first six-pointer.

The TKE's were unable to move after receiving the ensuing kickoff and were forced to punt. In two plays the Sig Ep's moved across the mid-field stripe to he 49 yard line. Then Jones took the snap, faded back, sidestepped two rushing linemen, and rifled a towering lead pass to Alex Lawrence, who grabbed it on the 10 and staggered into the end zone.

Ned Doaks snared a toss from Jones for the extra point and a 13-0 bumper.

The TKE's made a bid for a come-back in the opening minutes of the second half when Mitch Sadd sailed a 46-yarder to Don Oliver in the end zone. Sadd added the PAT on a keep play to seal the final score of 16-7.

The Sig Ep's blanket pass defense kept the TKE'e from crossing the double stripe the rest of the game.

The KA's, in the second game of the day, tallied a TD in each period to overrun the Alpha Sig's 26-0.

Wednesday the Rascals polished off a stubborn Punk six, 27-19. The Rascals held a 7-0 half time advantage on June Hall's 8 yard flip to Tom Faine and his PAT toss. The Punks bounced back in the third quarter to a 12-7 lead when Conard Smith, on his knees, stabbed a T.D. pass from Ed Lambert. Lambert intercepted a pass in his end zone and scooted the length of the field to score.

Charley Chappelle put the Rascals back in front 14-12 on a 38-yarder to Dave Pennington and the PAT. Pennington took a pass from Hall for the 20th point. The Punks drove back to make it 21-19 on a T.D. flip from Paul Scites to Lambert. The game was sealed for the victors on a 42 yards sprint by Chappelle.

The Rinky Dinks took a forfeit win from the Cavaliers No. 1 team in the day's first game.

## Housemother Is Affectionately Called 'Miss Boo' By SAE Men

By LOWELL CADE

Mrs. Bernice Connell began her duties as housemother of Sigma Alpha Epsilon, social fraternity, this fall.

Miss Boo, as she prefers to be called, is a native of Huntington and is a graduate of Huntington High School and Marshall College.

Following the death of her husband, and after rearing and educating two children, Edward P. Connell and Mrs. Michael Stump, Mrs. Connell decided that one is only as old as he feels. With that in mind she returned to school.

She has attended both the University of Pittsburgh and Cleveland College, where she majored in interior decorating.

She has been employed by several of the prominent decorating firms in Cleveland, Ohio, and in Dallas and Fort Worth, Texas. She went to Texas with the intention of taking a vacation and ended up doing decorating work.

While working with a Cleveland firm she designed and decorated a model home for the Cleveland May Show.

Aside from her decorating work, she has written a number of articles on interior decorating for national retailing publications and for newspapers.

Her most recent undertaking, aside from her work at the SAE house, is an interior decorating segment on Current, a WSAZ-TV studio production.

**WHAT A LIFE!** Mrs. Bernice Connell is the new housemother of Sigma Sigma Epsilon social fraternity and is better known to the fraternity men as "Miss Boo."

## 'Last Student' Ends Prior Teaching Plan

John Hannon, Ironton senior, says that things are not the same as they used to be. John is the lone survivor of the old plan in the education department.

When John first entered the department, the old plan was in effect. It gave an individual an opportunity to work off the education requirements during the senior year, and it required him to teach only one hour a day at the Lab School.

Under the new system, known as the block plan, an individual is required to take courses the nine weeks of his last semester in school, and during the last nine weeks he must teach all day in one of the public schools.

**JOHN HANNON**, Ironton senior, has devised a new plan for the education department known as the Block Plan.
