WISE STUDENTS TAKE ADVANTAGE of opportunity! The privilege of having a free TB X-ray was offered to all students when the X-ray Mobile Unit visited the campus March 5, 6, and 7. Chauncey Starkey is shown as he goes through the quick procedure.

Blood Bank Lacking Support; Pints Of Plasma Seen Wasting

By TOM MILLER

Pints of plasma are going to waste on the campus because only a few students and faculty members have taken advantage of the new blood bank, according to Don Coyne, blood bank chairman.

To date, only about six pints of the hundred and thirty allotted to the campus have been used. Recipients include three students and two faculty members. The blood will revert to the Red Cross before the next blood drive which is set for sometime in May.

Blood is available to all full-time students, the administration, and full-time members of the faculty for their use or members of their immediate families.

Immediate families include husband, wife, children and stepchildren, brothers and stepbrothers, sisters and step-sisters, parents or step-parents, grandparents and legal guardians, if the legal guardian is a person and not an institution. The administration shall include buildings and grounds, clerical personnel and all other full-time employees of the college.

In order to get this blood the person getting it must present an order for it from a licensed physician. This order must contain the name of the person for whom the blood is to be used, the amount desired, the date and physician's signature and address.

Certain limits have been established by the Student Senate. Persons drawing blood from the bank may draw up to two pints of blood if they are not a donor without offering compensation of any sort. Persons needing more than their limit can get it, but at the discretion of the Senate they may be required to replace all blood drawn in excess of the limit. No more than 40 pints will be issued in any one month without requiring replace-

The Science Fair is open to any boy or girl in public, private or parochial schools in parts of West Virginia, Ohio, and Kentucky.

In West Virginia, counties of Cabell, Mingo, Wayne, Mason, Lincoln, Logan and western Putnam. In Ohio, students from Gallia, Jackson, Lawrence, Meigs, Scioto, and Pike counties, and in Kentucky, students from Boyd, Carter, Floyd, Greenup, Johnson, Lawrence, Martin and Pike counties.

Entry blanks must be received by March 25 and addressed to: Doctor J. Holland Hoback, Director, Marshall College, Huntington, West Virginia.

Entry blanks may be obtained through high school science teachers or by sending a request to Doctor Hoback at the above address.

The exhibits will be on display in the physical education building and will be open to the public on Saturday, April 6, from 9 A.M. to 3 P.M.

ment.

The Senate may change the limit a person may draw if there is a sharp change in the amount available. Toward the end of the period (six months) any or all restrictions may be dropped at the discretion of the Senate if there is a large balance in the blood bank.

Students or faculty members who want blood should contact Don Coyne, who is in charge of the issue of blood on campus.

X-Ray To Be Given Until 1 P. M. Today

Students have until 1 P.M. today to take advantage of the free chest X-rays offered by the state tuberculosis commission's mobile X-ray unit on campus.

The unit is located at the east end of the Science Hall parking lot and students who have not previously filled out a registration card may do so at the time of their X-ray.

Response to the program has increased this year during the four-day period in which the unit has been on campus.

College physician Dr. Charles Hagan has urged students to avail themselves of the X-ray unit.

Editor Johnson Previews Plans For 1956-1957 Chief Justice

By H. G. CANTLEY

Spring is almost here and so is the Chief Justice! Every year students anxiously await the distribution date and this year the Chief Justice will be out on schedule by the end of May.

Bob Johnson, editor of the Chief Justice, had this to say in connection with the date of distribution: "Somebody has to make a change; it is ridiculous, silly and impractical to try to run the book from May to May."

"Therefore starting this year the book will run from March 1 to March 1 so that the whole year can be put into a book which will come out in May."

Let's take a look at our annual before we receive it.

The cover, contrary to the traditional green and white combination, will be a background cover of gray. The lettering will be black and red. In the opinion of the editor the cover will not be as good as last year's because "we are trying to economize and put more quality into the pages. It will be simple, but I think the students will like it."

The lettering will be printed rather than the raised type on last year's cover.

In comparison with last year's "memory book," there will be ten less pages. The introduction will be followed by the academic section combining the faculty and the classes. Coming next will be the activity section, group pictures, athletics, advertising and the index. The index will be separate from the advertisements. In past years the index has occupied the right-hand side of the page with the printed commercials taking up most of the page.

Due to the change in the coverage of the book, the spring sports, a small portion of the whole sports section, will be a reproduction of last year's coverage. This will include tennis, track and softball.

A new printer has been employed so that "the students can look for the best printing job in the history of the book." Besides the new printing job, careful consideration has been given to the pictures. Different angles and good lighting and contrast will give the book a brighter and more expensive appearance, according to Johnson.

Editor Johnson hinted that there would be several surprises await in the new, unprecedented book of memories.

THE ELECTS OFFICERS

Beta Nu Chapter of Tau Kappa Epsilon elected the following men as officers for the coming year: Dick Burton, president; Dick Mayberry, vice president; Bob Hamoon, secretary; Dave Rivlin, treasurer; Jim Hamm, historian; Bill Brook, chaplain; J. W. Laing, sergeant at arms; and Mitch Sadd, pledge trainer.

Road To Basketball Mural Finals For VM Pussycats, Rinky Dinks

By BOB LYNN

Rallies that came too late sent the Faculty and the No. 1 TKE quintet down before the Varsity "H" Pussy Cats and the No. 1 Rinky Dink squad, who moved into the finals of the intramural basketball playoffs.

Time ran out on a fighting Faculty team, as they poured in the last 12 points of the game, to fall one point short of the VM, 53-52. With two minutes remaining in the game, the Cats led 53-40, their most comfortable lead of the evening.

At this point the Faculty stormed into their blistering, but futile, comeback. Successive lay-ups by Bill Hillen and Lou Wilcox cut the margin to nine. Jules Rivlin added two on a long set. With 45 seconds till the buzzer, the score was 53-46. Eddie Lambert then converted two charity tosses, sandwiched around a follow-in snowbird by Hillen, to move the Faculty within three points. As the game ending whistle blew, Wilcox chipped in a layup to leave the teachers one heart-breaking point behind.

The lead changed hands five times in the first half, as the VMK jumped out to a 10-6 first period advantage, only to see the teachers come back and take a 14-12 lead midway in the second quarter. A driving layup by Len Hellyer put the Cats back in the lead, 16-15. After falling behind again, the VM took an unrelinquished lead on a chip-in by Toddy Fugate and a long set by Granny Zopp to end the first half leading 24-21.

Beginning the second half the VM took a nine-point lead on successive goals by Paul Adams, Gillispie, and Tom Lamb.

Five points was as close as the Faculty could narrow the gap, until the final surge.

The winners' top scorers were Adams and Fugate, with 13 and 12 points respectively. They also dominated both boards throughout the game. Heyler and Lamb added 8 points each for the Cats. Faculty's Lambert paced all scorers with 16 points. Teammates Hillen and Wilcox added 12 and 12 points. Eight of Hillen's markers came in the final quarter.

A miserable first quarter showing by the TKE's, leaving them 17-2, was too much to overcome as they fell to the smooth-working Rinky Dinks, 64-62. A 13-point scoring effort by Don Adams and a 10-point spree by Darrell Maynard paced the Dinks to a 29-15 halftime advantage. The TKE's trailed by as much as twenty points midway in the third period, when John Wells staged a personal basket assault to carry his team to within eight points of the Dinks.

Wells netted 14 points after intermission, hitting from all angles of the floor on set-shots and long, twisting jump shots. Jim Harrick and Gould Odd had a hand in the second half rally with 9 and 8 points respectively. Leading 56-48 with two minutes remaining in the contest, the Rinky Dinks sewed up the decision on a foul by Darrell Maynard and a bucket and two free throws by Marion Brown.

Rangy Don Adams grabbed individual scoring honors with 21 points, while teammate Darrell Maynard followed with 19. Clarence York added 12 for the Dinks. High for the TKE's was Wells with 18, followed by Harrick with 13. The losers outscored the Dinks from the floor 24 to 20, but con-

verted only four charity tosses, while the winners sank 24.

In the first game of the quarter finals the VM Pussy Cats eliminated the VM Wreckers. The Cats led 25-19 at halftime. Paul Adams and Toddy Fugate sparked the winners with 15 and 10 points.

Wreckers' driving Will Miller was top point-getter of the game with 17. Earl Browning added 12 for the losers.

A 22-point scoring barrage by Mitch Sadd paced the TKE No. 1 squad to a 63-44 triumph over the previously unbeaten Misfits. The winners led 29-21 at the half. Jim Harrick canned 14 for the TKE's. Leading the losers were Jack Wallace and Jim Wright.

The Rinky Dink No. 1 quintet completely outclassed the Rascal No. 3 five 76-43 in the third tilt of the evening. Five men hit in the double figures for the winners. Masil Maynard pitched in 20, brother Darrell connected for 15, Don Adams came through with 12, Clarence York tallied 11, and Larry Tyree had 10. Pacing the Rascals were Richie Lake and Eddie Bick with 14 and 9.

The final contest of the evening proved to be the most exciting as the Faculty squeezed past the Sig Ep No. 1 squad 42-41. The teachers maintained a three-point halftime advantage until one minute left in the game. Then Paul Jones swished a long

Only Walowac Outscored Price Over 3 Year Period

Cebe Price closed his individual scoring column last week against Western Michigan with 24 points to give him a total of 1,448 points over the three-year period that he played varsity basketball.

That figure, for 68 games, gave him an average of 21.9 points a game to rank him behind Walt Walowac, former Big Green all-time great. During Walt's four years he compiled a total of 1,904 points for an average of 20.9, however his three-year total was 1,825 points in 71 contests for an average of 25.7.

Paul Underwood, playing in three fewer games than Cebe, totaled 1,198 points during his three years of hardwood campaigning. Paul, who is considered one of the finest, if not the finest, set shot ace to perform for the Big Green, averaged 17.1.

Through the past 24 games, Price led the squad in scoring with 464 points for an average of 19.3. Right behind him was Hal Greer with 453 points and an average of 18.9. Hal also topped the club in rebounds with 332 and

had the best shooting percentage for the second straight year, hitting on 167 of 329 field attempts for a .507 percentage.

Price grabbed the free throw honors, dropping in 113 of 143 tosses for a percentage of .790.

As a team, the Big Green averaged 86.2 points per outing as they connected on 780 or 1,756 field attempts for an average of .444. Their opponents produced 1,892 points for a 78.8 average.

28 Tilts, 8 New Opponents On Big Green Baseball Slate

An eye appealing schedule that would quench the thirst of any rabid baseball fan was announced today by Marshall Athletic Director Robert A. Morris, Jr. A 28-game slate, comprising eight new opponents, stamps itself as the largest in the college's history.

The baseball team will open its season on April 1 against Ohio Wesleyan, concluding its campaign with Toledo May 25. Of the 28 games, listed, 12 are with Mid-American Conference clubs. Marshall will play two tilts each with Miami, Kent State, Western Michigan, Ohio University, Bowling Green, and Toledo.

New comers on the schedule include Ohio Wesleyan, Baldwin-Wallace, Dayton, Xavier, Emory and Henry, VMI, VPI, and Toledo.

Dotting the road schedule are a couple of extended road trips through Ohio and Virginia. During the Easter holidays, the Big Green will tour Ohio for one solid week, meeting Baldwin-Wallace April 18, Kent State April 19 and 20, Dayton April 22 and Xavier April 24.

The trip into Virginia will embrace three different foes in three days. The Green will face Emory and Henry May 9, VPI May 10 and VMI May 11.

With a sophomore-studded squad last season, Marshall compiled a 7-9 record, finishing 1-8 in the conference. However with 13 returning lettermen turning out for the first month's drills, Coach Bill Chambers may mold a conference contender for the first time.

Returning to the diamond are: infielders Donzil Hall, John Mayberry, Jerry Cook, Gary Wolfe, and Hal Greer; outfielders Stan Malecki, Clarence York, and Jafe Parsley; catcher Sam Smith; pitchers Paul Underwood, Bob Ashley, and Pat Paden.

Four of the group secured a berth on the second team all-conference last year. York, with a .396 batting average, Hall, .333, Malecki, .310, and Underwood with a 1.02 earned run average, tops
