## Court Rulings Reversed By President Smith

By EUGENIA DAMRON

The tangled election procedures debate took a new turn Monday when President Stewart H. Smith threw out two of the Student Court decisions.

The overruled decisions concerned the eligibility of John Mayberry and Johnny Chafin to run in the general election. The Court had ruled that both men were eligible.

In reply to a letter from Albin Wheeler, vice-president of the student body, protesting the Court's ruling, President Smith disagreed with the Court's decisions thus automatically overruling them and disqualifying the two men.

President Smith said that it was his desire to always support Student Court decisions unless he believed that the court had erred in exercising and carrying out its basic judicial functions.

In the first case, the court had supported a petition by Don Coyne which said that "the primary election was influenced by acts which were unethical" and ruled that John Mayberry was therefore eligible to run in the general election.

President Smith said that he disagreed with the court's decision in this case because "the court was exercising a non-judicial function by basing its decision upon allegations rather than upon proven facts and law." He said that he had found no facts to prove that the primary election results were affected even though outside influence was charged.

Smith's ruling on this case disqualifies John Mayberry and means that Mayberry loses the senate seat which he had gained as defeated candidate for Student Body President.

In the second case the Student Court had supported a petition by Johnny Chafin and ruled that he be permitted to run in the general election because he was not aware that write-in ballots would be counted. Chafin had been defeated in the primary by write-in votes for Cecil Jividen.

President Smith said that because he had previously sustained the court's right to approve write-in ballots in the primary, he could not sustain the court's decision to disregard write-ins and allow Chafin to run.

John Mayberry is the only one of the two men affected by Smith's overruling of the court's decisions.

Major Robert K. Wensley, unit advisor, will be in charge of all personnel.

## Fall Registration Held Up For Gym, Enrollment Jump

By TOM MILLER

"Our facilities are limited. We have to spread out the schedule," wrote Luther A. Bledsoe, Registrar, when asked why students would not be able to pre-register for the 1957-58 first semester.

Another reason for doing away with this pre-registration is that fees collected before July will be included in this fiscal year and cannot be used to pay for the new Physical Education and Fine Arts building.

In waiting until next fall fall to register the students, the money paid for fees can be used in paying for the new building.

The Administrative Cabinet, in a meeting last week, voted against the pre-registration and also made some suggestions as to how the growing student body may be handled.

According to Mr. Bledsoe, the Office of the Registrar has received to date "More applications than we had by July of last year."

He predicted that upwards of 1,100 to 1,200 freshman and approximately 300 transfer students have already been received so the expected number of incoming students next fall will range somewhere near 1,500.

Mr. Bledsoe went on to say that the Deans were revamping their schedules to meet the expected increase in the student body. "The increase in students means an increase in classes," he said. "And the only way we can schedule more classes is to have more 2:00, 3:00, and even 4:00 o'clock classes."

Even the possibility of classes meeting on Tuesday, Thursday, and Saturday, to relieve the congestion on Monday, Wednesday, and Friday, has been discussed, but no action has been taken on this idea.

However, this change in the registration procedure is only for one term and Mr. Bledsoe said that he doubted that this situation would occur again in the near future.

## Arts Finals Will Be On File In Library

Semester final tests in Arts and Sciences College classes will be kept on file in the library for the study use of all students.

This policy will go into effect this semester, according to Dean J. F. Bartlett of the Arts and Sciences College. It was passed at a faculty meeting last week.

After the semester final examinations have been given, all instructors in the Arts and Sciences College must turn in to Dean Bartlett a copy of each final given to their classes. These tests must be turned in by June 3. Dean Bartlett will then turn them over to the library for filing.

Other colleges now use this test-filing procedure and Dean Bartlett says it is "planned to continue in practice semester after semester (here)."

Once on file in the library, any students may have access to the tests, though only one of each will be on file.

this is only a temporary award. The student senate has decided upon giving \$25 savings bonds to the winners of next year's competitions. This has been cited as a bigger incentive than the usual trophies which have been given in the past.

## Cebe Price Named 'Athlete Of Year' In ODK Assembly

Cebe Price, South Charleston senior, was selected as Athlete of the Year by the Robe, men's honorary fraternity, as a highlight of the annual ODK Awards Assembly. Cebe was awarded an individual trophy, and his name has been inscribed on the big trophy in the Student Union. Cebe follows Charlie Slack, who was chosen as the outstanding Athlete of the Year last spring.

Paul Robertson, Huntington senior, received the award for the outstanding ROTC cadet during 1956-1957. Company D of the Marshall ROTC unit received the Best Company Award.

Dr. N. Bayard Green, professor of zoology, received the Alpha Phi Omega, national scouting fraternity, award for performing outstanding service as the advisor of the organization.

Patricia Jean Smith, Buffalo sophomore, was given an award as the outstanding sophomore political science major by Pi Sigma Alpha, political science honorary.

George Fleming, Huntington senior, and member of Chi Beta Phi, scientific fraternity, was given an award for being the outstanding member during the past year.

Betty Lou Cornett, Northfork senior, was presented with an award by Alpha Lambda Delta, freshman women's honorary, for maintaining a 3.5 average or better for seven semesters.

Marjorie Ann Barron, Huntington senior, was awarded the annual West Virginia Dietetic Association award. Agnes Rayburn, Huntington senior, was presented with an award by Kappa Omicron Phi, home economics honorary, for having the highest scholastic average in home economics. Marv Beth

## Hope Tag Day Pays Balance On Chapel

The Chapel Fund's final bid to secure \$30,000 for aid in financing the Christian Center Building at Fifth avenue and Elm street takes place today, Tag Day. The Reverend Mr. Lander Beal expressed hope that donations would "go over the top" of the quota.

Students have been urged by the fund committee to completely fill out the pledge cards or otherwise indicate their group affiliations so that accurate totals can be made.

Student volunteer solicitors will be identified by the large red tags worn, and smaller tags will be given to contributors or those making pledges. Tag Day Chairman Gloria Brothers, Huntington freshman, said that if students who wish to donate do not see a solicitor, donations may be dropped in the SCA "Mail Box" at the top of the steps between Old Main and the Library.

Recognition will be given the student solicitor who has compiled the largest amount of contributions during the entire fund drive, and to the volunteer who solicits the largest amount on Tag Day.

## PRESIDENTIAL APPOINTMENTS

Students interested in student government positions should apply for student body presidential appointments to be made by Dave Kirk, president-elect. Deadline for application is 4 P.M. today in the student government office.

DAVE KIRK, NEWLY ELECTED STUDENT BODY PRESIDENT, and Norman Haddad, newly elected student body vice president, were sworn into office by Bob Alexander, out-going president, at the ODK Awards Assembly, May 2, in Old Main auditorium.

## Students Plan Occupations For The Nearing Summer

By GAIL TABOR

Vacation time is rolling around again. As is usual, everyone already has their vacation planned by this time, and, except for ROTC students, are anxiously awaiting June 1 so they can get started.

To see what some of our serious minded students are going to contribute to the world this summer, we listened in on a few campus conversations. Somehow, it seems that some of them are going to contribute nothing but a hard time. But here they are:

**Paul Underwood, South Charleston senior, has "volunteered" to go to army camp for a rest. In August, he'll be Florida-bound in order to get an early start on spring training.**

Dave Kirk, Huntington junior, will be working at a YMCA camp for 11 weeks, to Florida in August (everyone's going to Florida!), and plans to stop off in Georgia on his way back for a game of golf with Ike.

Joe Hunnicut, Princeton senior, has no definite plans, but he's applied for a hum-dinger of a job—the position of psychiatrist on a chicken farm looking for cracked eggs.

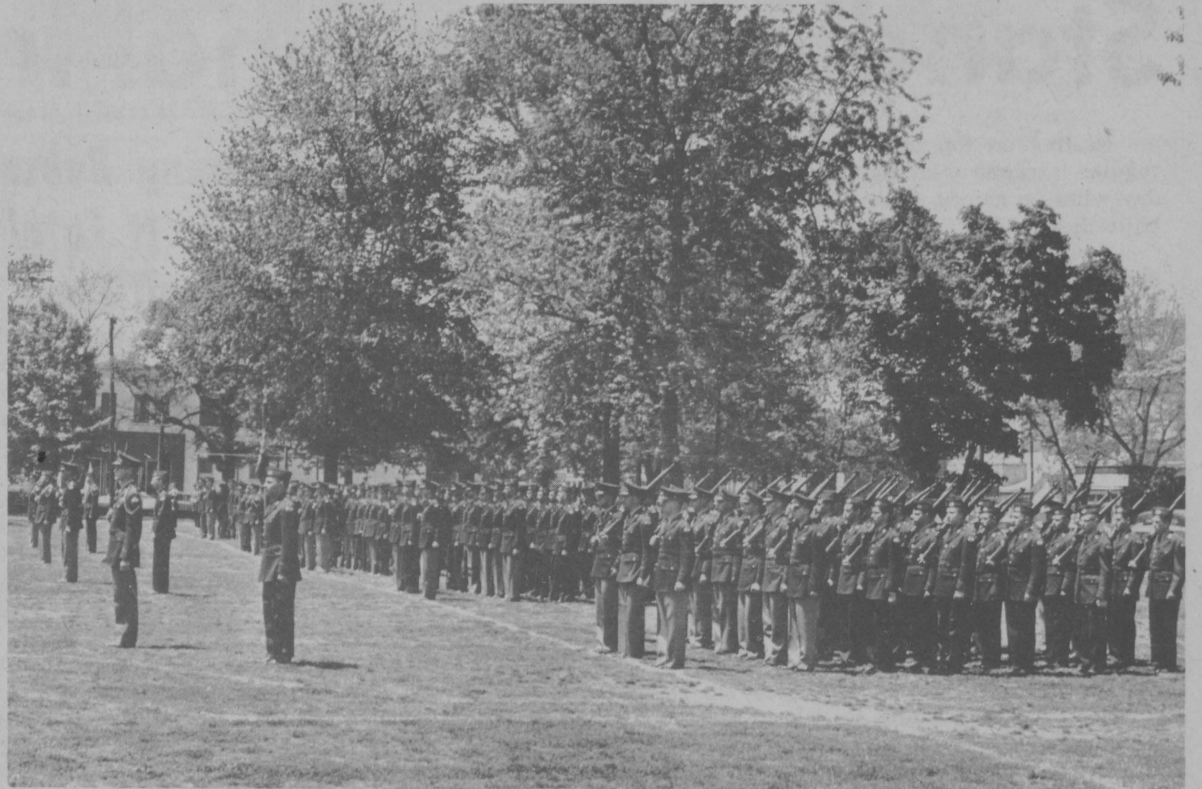

Two of our star scholars, Jeanne Logan and Pat Lyons, are going to Europe—to study? They're going to catch a banana boat over and a tramp steamer back.

"I want to get away from it all," says Joan Huffman, Milton sophomore. So she's heading for Alaska to manufacture mush.

**Betty Harbert, Madison sophomore, tells us that she has a job at a boy's camp. We're sure her vacation will be quite pleasant!**

Dave Dunlap, Huntington senior, will have the comparatively mild job of running a miniature golf course.

Believe it or not, those are the answers we got to the question, "What do you plan to do on your vacation?" If they're telling the truth, it will prove to be an interesting summer.

THE RESERVE OFFICERS TRAINING CORPS held a formal review at 12 noon Wednesday behind the Engineering building, in conjunction with the Annual Federal Inspection.

## Student Government Announces Tuition Scholarship Winners

Two individuals received approval of the student government to obtain the annual scholarship distributed by this organization to one person from each class, including the incoming freshman class and excluding the outgoing seniors.

James Brown, incoming freshman in the fall term, from St. Albans, will be one of the recipients of the award. His scholastic achievements include Student Council president of his class in 1954-55 and 1955-56. He was also active in dramatics, ath-

letics, and the Hi-Y Club. Graduating from St. Albans high school this May, James ranks 9 out of a class of 264.

The other person who has been selected to get a tuition scholarship is Leandra Mazon, freshman from Man. Leandra is a member of the Woman's Athletic Association, A Cappella Choir, and is treasurer of Alpha Lambda Delta. Her scholarship quality average is 3.54.

The junior scholarship recipient will be decided upon at tonight's senate meeting

# Standings Are Final In Mural Softball

By BOB LYNN

Resting on top of their respective leagues at the end of the regular intramural softball season, after last Wednesday and Thursday wind-up games, were the Rascal Red Sox, PKA Chiefs, and the Hillbillies.

The Rascal Red Sox copped the "C" Independent League number one spot by flattening the Rinky Dinks 12-2 in a short three-inning contest. The winners ended the regular season with a 4-0 record, finishing one-half game ahead of the ROTC nine, with a 4-1 slate. In trouncing the Rinky Dinks the Rascals plated three runs each in the first and second frames, and six in the third. Junie Saunder tripled to drive across the first run in the top of the initial frame.

A 11-2 triumph by the Faculty over the Cavaliers gave the teachers a third place finish in the "C" League, one full game behind the Rascals. They finished with a 3-1 record. A seven-run outburst in the top of the seventh inning wrapped up the decision for the Faculty. Eddie Lambert went the route to gain his third win. He whiffed six and allowed five free passes. He aided the hitting attack with two singles. Jules Rivlin also spanked out two singles and drive in two runs to boot.

The league's top hurler, Bobby Watson, captured his and the PKA Chiefs' sixth straight victory by blanking the Alpha Sigs 10-0 on one hit to hand the Pikes the "A" Fraternity League championship. Watson fanned 5 to raise his season strikeout total to 49. It was his third shutout win and third one-hitter of the year. Watson allowed only one earned run in 30 innings to end the regular campaign with a 0.33 earned run average.

The Pikes in downing the Alpha Sigs scored one run in the first inning, 3 in the second, and 6 in the third to end the game. George Bennett rapped two singles and Jerry Cook drove across two runs.

The TKE Tigers trimmed the KA Pirates 12-2 to end the regular season with a 5-0 record, and finish second in the "A" League, a scant 1/2 game behind the Pikes. Leading the Tekes' 12-hit assault were John Unrue, Punch Pierson, and Meyers. Unrue had a two-run homer in the 1st inning. Pierson collected 2 hits one 3-run circuit clout in the 2nd. Meyers banded out 3 hits, 2 falling in for triples.

A booming three-run homer by Neal Scaggs in the top of the last inning handed the SAE Lions an 8-5 come-from-behind triumph over the Sig Ep Eagles. The win enabled the SAE's to finish third in the "A" League with a 3-1 mark, and dropped the Eagles into 4th position with a 2-3 slate. Scaggs' clutch homer came with one out in the sixth frame after Ken Templeton and Gene Cunningham had

singled. Cunningham had a perfect day at the plate with three for three. Templeton gained the win in relief, allowing no runs and only 2 hits in the last four innings. Paul Jones paced the Sig Eps' hitting with three hits, one a solo homer.

After clobbering the SAE-Cubs 20-10 on Wednesday, the VM Pussy Cats muffed their chance to tie the Hillbillies for the "B" Frat-pendent League crown by dropping a 14-12 decision to the Rascal White Sox on Thursday, the last day of the regular season. The Cats finished with a 3-1 record, one game behind the Hillbillies with a 4-0 mark.

In routing the SAE's the VM pounded 18 hits, including seven home runs, three triples, and three doubles. The winners' big stickers were: H. K. Smith with three hits, including two homers and five RBI's; Bob Wilson with three hits in three trips, including two homers and a double and four RBI's; Hugh Reynolds with three hits, including a homer, and two RBI's; Bob Robertti with two triples; Herb Jacobsen with three hits, including a homer and triple, and 3 RBI's; Hob Likens with a two-run homer; and Tom Lamb with two doubles.

Three runs in the top of the last inning by the Rascal White Sox broke a 11-11 deadlock and sent the Cats down to their first defeat of the year. The victory enabled the winners to capture third place in the "B" League with a 3-2 record. The big blows in the deciding inning were singles off the bats of Cecil Byrd, Eddie Bick, and Phil Maccl. Bob Force paced the Rascals' hitting attack with four hits in four trips to the plate, one dropping in for a double.

Gaining their first win of the season, the TKE Kittens ran across 14 runs in the third inning to crush the Veterans by an 18-7 score. George Knudson sparked the Tekes at bat with four for four at the plate, including three triples and four RBI's. Two of his three-base hits came in the big third frame, one clearing

## Last Inning Bobcat Landslide Is Fatal To Baseball Team

"The game is not over until the final out" is an old baseball expression that baseball coach Bill Chambers wishes was never written, at least last Saturday.

The Big Green nine and their ace hurler, Paul Underwood, were sailing along in fine fashion, leading 2-0, and limiting the defending Mid-American champs, Ohio University, to only three hits.

But then the Bobcats must have remembered this old expression for after one was out in the ninth inning they rang up 10 hits and five walks and when the smoke had cleared Ohio U. led 12-2.

Just the day before the Bobcats had trimmed the Big Green nine, 11-4. The only highlight on Marshall's side in the two-game series was the performance of Donzil Hall, Gary Wolfe and Stan Malecki in the first game.

Hall powdered three singles in four trips and Malecki blasted one out of the park in his only official trip to the plate.

Underwood struck out 11 men and had walked only three before running into the ninth inning in the second game.

The Big Green were on the road to Morris Harvey Monday and will do some more traveling this weekend. They go South to Emory & Henry Thursday and meet Virginia Tech at VPI on Friday and Saturday.

## Ohio U. Leftfielder Has Bad Day Here

Ohio University's Bobcats are pretty happy today after knocking off the Big Green nine 13-2 in a baseball game Saturday afternoon.

But not Lamar Jacobs. The sophomore left fielder from Springfield, Ohio, led off in the ninth inning as the Bobcats trailed 2-0. He grounded out.

The rest of the lineup, one after another, got on base. Jacobs stepped up to the plate to keep the rally going. No dice. He foul tipped one to the Big Green's first baseman.

Then the rally got under way as the Bobcats scored a total of the bases. Gieski drove in four runs with a double and two-run homer, Bobby Byrom drove in three with two doubles, and Lew Mott had a double and single.

## Second Loss To Miami Halts Linksmen, Xavier Here Today

### Netmen Lead Eastern, Face Trip Tomorrow

Just prior to a three-day road trip that will find the Big Green tennis team in action on all three days, the netmen were assured a victory over Eastern Kentucky with five singles matches complete at Parthenon press time.

Cebe Price, George Templin, Leo Byrd, Joe Wilburn and Jim Craig turned in singles victories to give the Green and White a 5-0 edge, enough to put the match on ice.

Just before press time, George Templin took the rubber set in his match with Joe Chapman 6-2 to add to his 7-5 score in the first set for the deciding point. Chapman took the second set 7-5.

Number two man, Cebe Price, came from behind to down Tom Campbell, 8-10. 6-2, 6-0.

In the other two matches, Byrd, Craig, and Wilburn took their opponents, Carl Paulus, Dale Moore and Tom Richardson, in two straight sets. Byrd won 6-1, 6-2; Craig won two close sets, 9-7, 7-5, and Wilburn breezed, 6-0, 6-0.

On the road trip the Green and White will encounter Bowling Green, Toledo, and Kent State, on three straight dates beginning tomorrow.

In the sixth singles match,

13 runs before Greer caught a pop-up for the final out.

That's right. Jacobs hit it.

Coach Whitey Wilson's golf team, for the second time this season, will have to bounce back from defeat and for the second time the loss was to Miami.

The linksmen missed a perfect road trip Saturday afternoon when they fell before MAC foe Miami, 10 1/2-7 1/2. It was its second loss to the men from Oxford; the first match at Guyan was 9 1/2-8 1/2 in favor of the Redskins.

Prior to Saturday's match the Green and White had swept the first and second matches of the three-match trip. It dumped Dayton 14-4 and downed the University of Cincinnati 12-6.

This afternoon the Big Green plays host to Xavier and hopes are high of again returning to the winning column in which it has become accustomed.

Earlier this season at Cincinnati, the men of Wilson trimmed the Muskies 20-7 for their tenth victory. Now they would like to make it number 15 against two losses.

Linden Meade, number one man, was knocked from the undefeated ranks as he lost (2-1) to Dick Jones of Cincinnati. Against Miami he shot what would ordinarily be a winning 37-36-73 but Joe Glass, Redskin ace, shot a sizzling 36-34-70 to down Linden, 3-0. However, he did spark the Dayton win with a par tying 39-33-72.

Charlie Bearden dropped the first set to his Eastern opponent but was leading in the second 2-1, at press time.
