3. REPORT OF THE UNIVERSITY PRESIDENT:

Mr. Farrell reported that:

- SB603, the higher education flexibility bill was overwhelming approved by the WV Legislature; the bill provides authority for MU and WVU to invest funds, with MU being able to invest up to $18 or possibly $19 million; and that rather than by the HEPC, approval of academic programs will occur at the university level with a stipulation that no new offerings be made in new locations.
- The proposed state budget contains a 2% reduction for the university and no reductions for the SOM and MCTC; salary increases for faculty are a high priority with him and he has directed the administrative staff to try to find money internally for raises.
- Proposed legislation for faculty to receive the annual experience increment (AEI) was not approved but may be a topic during a special session later this summer.
- He is pleased to announce that the faculty reception held at the president’s residence the evening of commencement has been restored.
- Mark Snyder has been hired as the new football coach.
- Announced an agreement with Hyundai where university personnel may purchase vehicles at cost.
- He feels that academics should be the driving force for the university to achieve national prominence; a videographer has been hired to prepare materials about faculty and academics that will assist in promoting the university; and the university is continuing the search to fill the vacant dean’s positions.

4. ACF REPORT:
Ben Miller reported that:

- Members of the Council met with several legislators during their “Higher Education Faculty Day at the Legislature” held in March.
- He wanted to thank those who registered to become a part of the higher education faculty resource directory; that the directory was distributed to members of the senate education committee; that the directory will be published online; and that the Council will continue to update the directory.
- There will be a conference call connection to the April 15, 2005 meeting of the HEPC and to participate, faculty need to call 1-888-529-0349 and use code 750169.
- The Council discussed that at one time it was agreed that state-wide faculty would donate $60 each year to fund lobbying efforts specifically for higher education faculty; they wonder if this should be reinstated.
