4. **PROPOSED CONSTITUTIONAL AMENDMENTS:**
SR-02-03-(2) 32 EC: The Constitutional Ad Hoc Committee recommends that the following revisions be made to The Constitution of the Marshall University Faculty in order to align its language with Senate Bill 653 and the Marshall Community & Technical College’s The Constitution of the Faculty. SR-02-03-(3) 33 EC: The Constitutional Ad Hoc Committee recommends that the following revisions be made to The Constitution of the Marshall University Faculty in order to align its language with current procedures; and Senate Bill 653 and the Marshall Community & Technical College’s The Constitution of the Faculty. SR-02-03-(1) 31 EC: Recommends that the University President request the university legal counsel to pursue the validity of faculty being charged for 52 weeks for the Huntington City Service Fee when faculty contracts are for nine months. Legal counsel is to request the City of Huntington to revisit the policy and determine what changes are necessary and how faculty will pay for their contractual period. MOVED, SECONDED, AND DISAPPROVED.

5. ACF REPORT:

Dr. Ben Miller absent, no report given.

6. BOARD OF GOVERNOR’S REPORT:

Dr. Onofrio reported that the MU Board of Governor’s had met July 10, 2002, August 19, 2002 and their next meetings are scheduled for September 9th & 18th, 2002. There were also some meetings held telephonically. There are two new members on the Board: Robert Shell and Menis E. Ketchum. The Board has approved the 2002-2003 budget and various capital improvement projects. The Board has discussed the possibility of a 10% budget cut for 2003-2004 which would reduce MU’s budget by $7 million. He reminded us that higher education was exempted from the last budget cut but probably will not be exempted this time. He stated that a budget cut could occur later this year and that actions currently in effect include a moderate hiring freeze and being proactive with our legislators. There is still a possibility of a tuition increase.

He is still gathering information about the administrator evaluation process. He wishes to present the information in a printed format at the next Faculty Senate meeting.

He informed us that his term expires in April 2003 and that he is eligible for re-election.

Dr. Sottile requested that Elaine Baker give an update on the Faculty Evaluation & Compensation Committee. She related that the committee has not yet met and arrangements are being finalized for Dr. Raoul Arreola’s presentation on September 27, 2002 about his method for
designing a faculty evaluation system. The September meeting provides preparation for his two day session scheduled for January 2003.

**MOVED, SECONDED, AND APPROVED TO RETURN TO THE AGENDA**

2. **A. Faculty Workload Policy**

   Dr. Sottile discussed the draft of the "Proposal for a Flexible Workload Policy" that was prepared by the Faculty Workload Ad Hoc Committee. He solicited comments from those present.

   Dr. Martin Amerikaner, chair of the ad hoc committee, stated that the guiding principles of the committee were to prepare a flexible policy that will allow a change in the workload as the university changes; a policy that promotes, encourages, and recognizes the work and diversity of faculty in their career goals; provides accountability; and demonstrates that faculty are doing what they say they are doing.

   As each college/department is different there should be local control, a decentralization of the decision making policy for workloads. Deans are in the best position to make these decisions with faculty during a consultation to develop a workload plan.

   What is needed is a system that truly evaluates and recognizes faculty contributions.

Dr. S. Denman stated that Dr. Angel is planning to establish a task force to seek ways of managing the budget in anticipation of a reduction. She also stated that the HEPC is reviewing all state programs and will be making announcements about program cuts due to low figures in enrollment, productivity, and graduation rates.

7. **REQUESTS TO SPEAK TO THE SENATE:**

   There were none.

8. **AGENDA REQUESTS FOR FUTURE MEETINGS:**
