CURRICULUM COMMITTEE
RECOMMENDATION

SR-14-15-19 CC

NOTE: The curricular form for each item listed may be accessed at www.marshall.edu/senate/ucc. Click the UCC Agendas/Minutes link; click the link for the November 7, 2014 meeting date; click the link in the Description column to open a particular item.

Recommends approval of the listed UNDERGRADUATE MAJOR CHANGE in the following colleges and/or schools/program: COLLEGE OF HEALTH PROFESSIONS:

Name of Major: Athletic Training (HA-10-BS)

Rationale:
1) To enhance first time pass rate on Board of Certification (BOC) national certification exam
2) To allow students to learn clinical competencies associated with orthopedic assessment of upper and lower extremity injuries in a lab associated with the didactic course (rather than in a separate course students were taking prior to HS 423 and HS 424)
3) To combine content of two courses that would allow a smoother transition from the current undergraduate to the Entry-Level Masters of Science in Athletic Training Program; in turn, we are proposing that the titles of these courses reflect current nomenclature utilized by the NATA, BOC, and the CAATE.

Curriculum:
1) Delete HS 230 (3 hours) from the curriculum
2) Add 1-hour labs to the HS 423 and HS 424 courses
3) Add 1-hour labs to the HS 448 and HS 449 courses
4) Change title of HS 448 from “Therapeutic Modalities” to “Therapeutic Interventions I”
5) Change title of HS 449 from “Therapeutic Exercise to “Therapeutic Interventions II”
6) Content of HS 448 and HS 449 would be appropriately modified; moreover, content of HS 449 would be expanded to include psychosocial and nutritional interventions.

FACULTY SENATE CHAIR:

APPROVED BY THE FACULTY SENATE: Larry Strickler DATE: 4/17/2015

DISAPPROVED BY THE FACULTY SENATE: ______________________________ DATE: ______________________________

UNIVERSITY PRESIDENT:

APPROVED: ______________________________ DATE: 5/21/15
