4. **BOARD OF GOVERNOR’S REPORT:**

Dr. Onofrio reported that the Board of Governor’s had met Tuesday, May 7, 2002 in Huntington, WV. They approved a recommendation for a 3% salary increase for faculty. He stated that the figure is misleading as PEIA premiums will also increase thus faculty may break even. They also approved the university’s annual budget, drawings for the biomedical/technical building and the acquisition of property on Sixth Avenue for additional parking.

It is now the responsibility of the Board to review and approve programs to determine their continuation. He requested faculty to be more aware when composing their program reviews and to ensure all supporting materials and signatures are included. He cautioned that it may be this document that determines whether a program is approved; and that a poorly prepared review may be a factor in it not being continued.

**IT WAS MOVED, SECONDED, AND APPROVED TO AMEND THE AGENDA.**

Dr. Sottile stated that the University President has disapproved SR-01-02-20 EC Statement of Professional Ethics for all Employees stating, “A university ethics policy should be uniform in its terms and application as it relates to all constituent groups. Additionally, inclusion of the reference to the grievance procedure appears redundant.” A revised recommendation (SR-01-02-20R EC) was distributed and discussed. **WAS MOVED, SECONDED, AND PASSED**

Dr. Sottile distributed the Executive Committee’s recommended smoking policy. **IT WAS MOVED, SECONDED, AND PASSED.**
