3. REPORT OF THE UNIVERSITY PRESIDENT:

Absent, no report given.

4. BOARD OF GOVERNOR’S REPORT:

Dr. Onofrio reported that the Board has met twice since his last report and have discussed the groundbreaking ceremony for the parking garage; construction of the new residence hall; and the possible acquisition of more property for university use. The Board has met with Chancellor Mullen and discussed the varying interpretations of the structure of power, which is still a work in progress. The two subcommittees of the Board have met. The Board’s next meeting is January 23, 2002 (same date as the Capitol Classic).

Dr. Onofrio urged Senators to inform faculty that they are welcome to contact him with issues for discussion/presentation to the Board. At present, he is the lone faculty voice to the Board and invites faculty to attend their meetings to provide a wider spectrum of input from faculty as to the issues pertaining to academics. The majority of Board members are businessmen and look at the issues from that standpoint, but are interested in interacting with faculty.

IT WAS MOVED, SECONDED, AND APPROVED TO GO INTO EXECUTIVE SESSION

7. **REQUESTS TO SPEAK TO THE SENATE:**

Clayton Brooks stated that he had a hard time voting on the Committee Recommendations as there was no one present from the sponsoring committee or college to answer questions. Dr. Sottile replied that he had recently sent a memorandum to all standing committees requesting representation when one of their recommendations was an agenda item. Dr. Sottile offered to take action on this topic again.

Rudy Wang announced the Legislative Affairs Committee is coordinating, with the University President’s office, a luncheon meeting with the State Delegates of Cabell and Wayne counties. It is tentatively scheduled for December 13, 2001, which is the date of the next Faculty Senate meeting, and he would like to provide an opportunity for the delegates to meet with senators. After discussion, it was determined to invite the delegates to the Faculty Senate meeting and, if the agenda allows, to provide time for an Open Forum.

8. **AGENDA REQUESTS FOR FUTURE MEETINGS:**

There were none.

**THE MEETING WAS ADJOURNED AT 4:57 P.M.**
