**ACF REPORT: Dr. Beth Campbell**

- Great Teachers Seminar is still accepting nominations. There are 4 spots to fill at Marshall. If you’re interested go see Dr. Sherri Smith in the Center for Teaching and Learning to get an application.
- The HEPC meeting that took place at WV State University on February 20, 2014. The details of that meeting is in the report that Angie Rose sent out via email and in the hand out that Dr. Campbell distributed during this meeting. What she wanted to highlight were the concerns they voiced to HEPC and to the Legislators about SB 409 and HB 4513. We want to keep our eyes on these two bills.
- The Higher Education report card is out and you can find it on the HEPC website.
- Research Grants are up. There is an average of 5.4% increase in tuition. Retention rates are varied with 54.9% at Tech and 77.7% at Marshall.
- Faculty Salaries remain to rank low. Marshall ranks 14 out of 16 SREB States, that’s in West Virginia general.
- Point 10 on page 3: $504 state employees raise; Teachers will get different raises.
- Higher Education Day at the State Legislator was last Friday. They met with several legislators and discussed with them SB 409 and HB 4513. They also spoke with Senator Plymale regarding the higher education cuts and he took that concern to the floor without a resolution to ask his fellow senators to refrain from additional cuts. Which was quite inspiring.
REPORTS FROM 20/20 COMMITTEES:

Faculty Salary Adjustment Team: Continues to meet every two weeks. They are continuing to work with the Budget Working Group and on models for salary enhancements for the faculty.

Budget Working Group: Shane Tomblin spoke on behalf of the BWG. Beginning in February, the BWG will meet every Friday. We are still trying to cover the $14 million dollar shortfall. They are discussing outcomes to that shortfall. $2.5 million is one estimate of the amount to bring the faculty salaries to median of their peers, but this amount is still being refined. March 14 the budgets will be due; April 9 final budgets are due; April 11 the BWG will review the budget requests; on June 15 the budgets will be entered into Banner.

Vision: Tracy Christofero stated the Vision committee continues to meet every 2 weeks. They are now moving on to talk about values at Marshall and will be working on mission statements in the future.

Roles & Responsibilities: No report

Communications Plan: No report

Service Portfolio: They have begun to meet as a Steering Committee. “Rapid Response Team”. They will be working for about 90-120 days on this committee. They will look for services across campus, efficiency, cost savings, improvement of services, just what can we do to make sure the services are working the best way possible. Several action teams, people involved in travel will be asked to participate.

Key Performance Indicators: Each of the groups are working on some of these. An actual report will be when all the reviews are complete and it will come together in the end.

Pro Forma Models: This will be held off for a couple of months because the chairs and deans are working on the Academic Portfolio Review.

REPORTS FROM STANDING COMMITTEES:

The committee liaisons gave brief reports from their respective committees.

REQUESTS TO SPEAK TO THE SENATE: (5 minutes per person)

- Dr. Pamela Mulder brought up in the constitution ‘how are we defining faculty’. Like ‘Term Faculty’ how do we define them? She asked that all senators speak with their constituents, get information that are on the contracts positions. We get their concerns and this body get information on what we can actually DO to do something about this.

- Dr. Larry Stickler stated the University has done a lousy job in cleaning the parking lots of snow removal. He said he contacted Matt Turner and he said he would speak with ‘someone’ but there was no result.

- Dr. Viola stated that one year temporary instructors work full time faculty hours, contribute to the faculty and university and feels it’s unjust to not include them in salary increases and faculty senate. He further stated that being a ‘temporary faculty instructor’, they are excluded from the Faculty Constitution and aren’t technically represented by Faculty Senators, and thus, feels this is unjust. He also stated he would be happy to send his concerns to Angie Rose and Dr. Larsen to send out the all the faculty. Dr. Viola requested to speak further with Dr. Larsen and Dr. Dan Holbrook further regarding this issue.

AGENDA REQUESTS FOR FUTURE MEETINGS:

- None

THE MEETING WAS ADJOURNED AT 5:20 P.M.
