That the following policy concerning no class overloads that is currently being used be continued with the addition of the last sentence, and that the policy be published in the schedule of courses in bold print to ensure that students are made aware of the policy:

CLASS OVERLOAD POLICY

The practice of issuing Class Overloads for classes which have closed has been abolished. Students are encouraged to register promptly and pay fees by the prescribed deadline in order to avoid the possibility of encountering closed classes. Any exception to this policy must be made by the appropriate undergraduate dean of the college offering the course.
