ATHLETIC COMMITTEE
RECOMMENDATION

SR-92-93-(114)260 (AC) REVISED

That the Student Athlete Program be moved from Student Affairs to Enrollment Management. It is also recommended that all funds currently used for this program, such as funds supplied by Student Affairs for tutors, the Buck Harless Fund, and all others presently utilized in the Student Athlete Program, should be moved along with the program. Effective Date: immediately and not later than May 15, 1993.

RATIONALE:

1. The staff of the Student Athlete Program are involved in most every aspect of enrollment management.

2. The staff of the Student Athlete Program must deal with many issues outside the purview of Student Affairs which are of little or no interest to the Student Athlete Program.

3. Academic issues demand most of the Student Athlete Program staff time and this should be an academic unit.

4. Functions of NCAA eligibility are continually processed between the Athletic Director, Admissions, the Registrar, and the Academic Deans.
