The motion was made, seconded and approved to change the wording of the Marshall University Undergraduate Catalog, paragraph 3 under Baccalaureate Degree Candidates to read as follows:

"All other transfer students must have earned at least 64 hours of work at Marshall University, at least 50 percent of which must be upper division level work, and graduation with honors must be achieved both on the work taken at Marshall University and all academic work attempted at the collegiate level regardless of the institution attended."

The third paragraph under Associate Degree Candidates would be replaced with the following:

"All transfer students desiring to graduate with honors must have earned at least 32 hours of work at Marshall University applicable to an associate degree program and must have attained honors for all work attempted at Marshall and honors for all academic work attempted at the collegiate level regardless of the institution attended."
