
MJM submission form includes the following required fields:

Title	Title of Manuscript (please refer to Appendix A)
Submission Type	Reflects the content presented in the submission as well as the corresponding structure and format
Keywords	(At least three) Describe the submission content
Structured Abstract	Follows the structure of submission type outlined above
Acknowledgements	Funders and Collaborators must always be included in the submission form and in the text. If the work was not supported by funding, the authors should provide a clearly worded disclaimer in the acknowledgments section
Cover Letter	Must accompany the submission. The cover letter may be either pasted into the given text box provided or uploaded as another file. Please provide a clear statement of purpose, usefulness, and innovation. Do NOT insert the cover letter within the text of the manuscript.
Suggested Reviewers	(At least three) Potential reviewers with the appropriate expertise, but no apparent or real conflicts of interest. There is no guarantee that suggested reviewers will be used.
